This release has been authorised by the Board of Emmerson Resources Limited.

27 April 2022

Dear Shareholder,

Invitation to Participate in Share Purchase Plan

On 14 April 2022, Emmerson Resources Limited (ACN 117 086 745) (**ERM or the Company**) announced that it had received firm commitments for a placement of 43,478,261 fully paid ordinary shares (**Shares**) at a price of \$0.115 per Share to sophisticated, institutional and professional investors, raising \$5 million (before costs) (**Placement**).

In order to provide Eligible Shareholders (defined below) with the ability to participate in the Company's capital raising activities, the Company is pleased to provide details of a Share Purchase Plan (**Plan**).

Under the Plan, Eligible Shareholders will have the opportunity to purchase up to \$30,000 worth of Shares at the same price as the Placement, irrespective of the size of their shareholding, without incurring brokerage or transaction costs.

The offer under the Plan (**Offer**) is intending to raise a maximum of \$1.5 million on the terms and conditions (**Terms and Conditions**) contained in this letter. The Company may elect to accept additional subscriptions or alternatively close the Offer early and/or scale back applications.

Shareholders Eligible to Participate in the Plan

Participation under the Plan is optional and is available exclusively to shareholders of the Company who are registered as holders of Shares at 7.00pm (AEST) on 13 April 2022 (**Record Date**) and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

Share Purchase Plan

The Plan entitles Eligible Shareholders, irrespective of the size of their shareholding, to purchase up to \$30,000 worth of Shares at an issue price of \$0.115 (**Price**) being the same price as the Shares offered to sophisticated and professional investors under the Placement. The Price represents a discount of 18.63% to \$0.1413 (being the volume weighted average market price (**VWAP**) of the Shares over the last five trading days on which sales in the Shares were recorded before the day on which the Plan was announced).

Whilst the Company intends to raise \$1.5 million under the Plan, the Company reserves the right to accept additional applications subject to shareholder demand and compliance with the ASX Listing Rules. In accordance with the ASX Listing Rules, the maximum number of Shares that can be issued under a share purchase plan is that amount equal to 30% of the Company's existing issued share capital. Accordingly, as at the date of this document the maximum number of Shares which will be issued under this Plan will be 162,839,025.

Depending on applications received, the Company may, in its absolute discretion, undertake a scale back so that not more than \$1.5 million is raised under the Plan. Scale back decisions are made by the Board and are final.

The Plan will not be underwritten.

The directors of the Company who are Eligible Shareholders may participate under the Plan.

An application form for the Plan (**Application Form**) is included in this package.

Current Activities

Details of the Company's current activities are set out in the announcements made by the Company to the ASX and are available from the ASX platform (ASX:ERM), or the Company's website at <https://www.emmersonresources.com.au/>.

Use of Funds

The proceeds raised under the Plan and the Placement will be directed to accelerating exploration in two of Australia's foremost copper and gold hotspots of Tennant Creek (NT) and the Macquarie Arc (NSW) - and where Emmerson holds large land positions. Specifically, the funding will be directed towards the following activities:

- A 10 hole ~2,000m Reverse Circulation (**RC**) and diamond drill program at Hermitage (Tennant Creek) - now underway;
- First phase diamond drilling program at the nearby Jasper Hills (Tennant Creek) copper-gold-cobalt project – subject to successful negotiation and land access agreements with various stakeholders;
- Flying of additional high resolution magnetic drone geophysics to pinpoint new exploration targets, particularly around our high-grade Edna Beryl gold mine (Tennant Creek);
- Complete phase 1 of RC and diamond drilling at Kiola (NSW) in the second half of 2022 - this will test several compelling geophysical and geological targets derived from a recent 3D model of the subsurface (ASX 17 September 2021);
- Undertake further early-stage exploration across the Fifield, Wellington and greater Kadungle projects in NSW ahead of defining drill targets; and
- Assess further business development opportunities to capitalise on our strategic land holdings and emerging royalty business.

A summary is detailed as follows:

Hermitage drilling	\$725,839	11%
Jasper Hills drilling	\$648,399	10%
Kiola drilling	\$800,000	12%
Edna Beryl drilling	\$400,000	6%
Wellington (IP survey and further exploration)	\$400,000	6%
Greater Kadungle (further exploration)	\$200,000	3%

All payments in accordance with the options set out in your Application Form (**Application**) must be received by the **Closing Date of 7.00pm (AEST) on 13 May 2022**. If the exact amount of money is not tendered with your Application, the Company reserves the right to either:

- a) return your application monies and not issue any Shares to you; or
- b) issue to you the number of Shares that would have been issued had you applied for the highest designated amount that is less than the amount of your payment and refund the excess application money to you by cheque as soon as possible, without interest.

The Company confirms that if the amount to be refunded is less than the issue price of one Share, being \$0.115, it will not be refunded and will be retained by the Company.

Once an Application has been made it cannot be revoked.

Multiple Holdings

The maximum investment any Eligible Shareholder may apply for will remain \$30,000 even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account). It is the responsibility of the applicant to ensure that the aggregate of the application amount paid for the Shares the subject of the Application and any other shares and interests in the class applied for by you under the Plan or any similar arrangement in the 12 months prior to the date of submission does not exceed \$30,000.

Custodians and Nominees

Eligible Shareholders who hold Shares as Custodian or Nominee (**Custodian**) for one or more persons on the Record Date (**Beneficiary**) may apply for up to a maximum amount of \$30,000 worth of Shares in respect of each Beneficiary who is resident in Australia or New Zealand, subject to providing a Custodian Certificate to the Company, as described in the Terms and Conditions enclosed with this letter. Please refer to the Terms and Conditions for more details.

Relationship of Issue Price with Market Price

On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on ASX was \$0.14. The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you as a result of your Application under this Offer.

By making an Application under this Offer and applying for Shares under the Plan, each Eligible Shareholder will be acknowledging that although the Price is at a discount, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make an Offer and the date of issue of Shares under that Offer and that the value of the Shares received under the Plan may rise or fall accordingly.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an Application under this Offer.

Additional Information and Important Dates

The offer of Shares under the Plan is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 and therefore does not require a prospectus for the purposes of Chapter 6D of the *Corporations Act 2001* (Cth) (**Corporations Act**).

The Offer cannot be transferred, and the Directors of the Company reserve the right in their absolute discretion to reject, or scale back, on an equitable basis, any Application. Shares issued under the Plan will be issued no more than five business days after the Closing Date of the Offer. Application for quotation on ASX of the new Shares will be made immediately following the issue of those Shares.

The maximum amount proposed to be raised under the Offer is \$1.5 million. The Company, however, reserves absolute discretion regarding the final amount raised under the Offer, subject to the ASX Listing Rules.

In the event of oversubscription by the Closing Date the Directors may, in their absolute discretion, scale-back applications on an equitable basis. Scale-back for Shares held by Custodians will be applied at the level of the

underlying Beneficiary. Directors may also, in their absolute discretion, decide to increase acceptances in the event of oversubscriptions.

If the Company rejects or scales-back an Application or purported application, the Company will promptly return to the shareholder the relevant Application monies, without interest.

The issue price of \$0.115 under the Plan will be at a discount of 18.63% to the volume weighted average market price of the Shares over the last five trading days on which sales in the Shares were recorded prior to the date the Plan was announced.

The Company is intending to raise \$1.5 million under the Plan. The Shares will not attract brokerage costs and will be issued without the need for the Company to issue a prospectus. The Plan is governed upon such terms and conditions as the board of directors of the Company, in its absolute discretion, sees fit.

No Financial Advice

This document does not provide financial advice and has been prepared without taking account of any person's investment objectives, financial situation or particular needs. You should consider the appropriateness of participating in the Plan having regard to your investment objectives, financial situation or particular needs. Shareholders should seek independent financial and taxation advice before making any investment decision in relation to these matters.

Holders of Shares that are registered with an Australian or New Zealand address at the Record Date are eligible shareholders (**Eligible Shareholders**) and may participate in the Plan, unless such registered shareholder holds Shares on behalf of another person who resides outside Australia or New Zealand. Due to foreign securities laws, it is not practical for shareholders (or beneficial shareholders) resident in other countries to be offered the opportunity to participate in the Plan.

Participation in the Plan is optional and is subject to these Terms and Conditions. Offers made under the Plan are non-renounceable (i.e. Eligible Shareholders may not transfer their rights to any Shares offered under the Plan).
