

27 April 2022

Board Update

APM Human Services International Limited (ASX: APM; 'APM' or 'the Company') advises Mr Neville Power's leave of absence has concluded and he has resumed his position as an Independent Non-Executive Director.

Mr Power was appointed as an APM Director due to his extensive ASX and commercial experience. He has provided valuable advice and counsel to the company as it has grown and listed on ASX. The Board's view is that his ongoing involvement as an Independent Non-Executive Director is in the best interests of its shareholders.

The Company confirms that Mr Power was not paid any director fees during his leave of absence.

Ends

Authorised for release to the ASX by the Board of APM Human Services International Limited.

About APM

Founded in 1994 in Perth, Western Australia, APM is an international human services provider with the purpose of “Enabling Better Lives”.

Each financial year, APM supports more than 1 million people of all ages and stages of life through its service offerings that include assessments; allied health and psychological intervention; medical, psycho-social and vocational rehabilitation; vocational training and employment assistance; and community-based support services.

With 850 sites spanning 10 countries (Australia, United Kingdom, Canada, United States of America, New Zealand, Germany, Switzerland, Spain, Singapore, and South Korea), APM’s more than 8,200 team members work to enhance community health and wellbeing, delivering services to clients across the early childhood, youth, employment, insurance, justice, veterans, disability, and aged care sectors.
