EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2021 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.kuniko.eu.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

As this is the Company's first annual general meeting, the remuneration report of the Company has not been considered before. Accordingly, a Spill Resolution will not be relevant for this Annual General Meeting.

3. RESOLUTIONS 2 TO 3 – DIRECTOR RE ELECTIONS

3.1 General

Clause 20.2 of the Constitution provides that, at each annual general meeting of the Company, one third of its Directors (excluding any managing director) must retire from office but are eligible for re-election at the meeting.

At this Annual General Meeting, the Company's Non-Executive Directors:

- (a) Maja McGuire; and
- (b) Brendan Borg,

retire as Directors by rotation and, being eligible, offer themselves for re-election.

3.2 Qualifications and other material directorships

(a) **Maja McGuire**

Ms McGuire is a consulting lawyer specialised in the provision of corporate and compliance advice to ASX listed public companies. Ms McGuire has 15 years' experience working with listed companies as a non-executive director, general counsel, company secretary and in top tier private practice.

Ms McGuire commenced her career at Clayton Utz (Perth) gaining experience in a broad range of corporate, commercial, and banking & finance matters. Subsequently joining the Canadian Bankers Association (Toronto), Ms McGuire advocated on behalf of Canadian banks on issues pertaining to developments in domestic and international banking regulation related primarily to capital adequacy and funding. Between 2014 – 2020, Ms McGuire was both Company Secretary and Legal Counsel of previously named Admedus Limited (now Anteris Technologies Ltd ASX:AVR) and US based Alexium International Group Limited (ASX: AJX).

Ms McGuire continues her career as a corporate consultant and board director, bringing extensive experience in ASX Listing Rule and Corporations Act compliance, capital raisings, corporate governance, general commercial contracts and dispute resolution. Ms McGuire is a Non-Executive Chair of TechGen Metals Limited and Non-Executive Director of OliveX Holdings Limited, Kuniko Limited, LTR Pharma Limited and Stormeur Limited.

During the past three years, Ms McGuire held the following directorships:

- (ii) Non-Executive of OliveX Holdings Limited (NSX: OLX) (current).

Ms McGuire holds BComm and LLB qualifications from The University of Western Australia.

(b) Brendan Borg

Mr Borg is a consultant geologist who has specialised in the “battery minerals” sector including lithium, graphite, cobalt and copper mineralisation, participating in numerous successful projects in an investment and/or operational capacity.

Mr Borg has 25 years' experience gained working in management, operational and project development roles in the mineral exploration and mining industries with companies including Rio Tinto Iron Ore, Magnis Resources Limited, IronClad Mining Limited, Lithex Resources Limited and Sibelco Australia Limited.

Mr Borg is currently a Non-Executive Director of gold producer and lithium developer Firefinch Limited (ASX:FFX), Non-Executive Director of Sarytogan Graphite Limited and Non-Executive Director of Leo Lithium Limited. He is also a Director of geological consultancy Borg Geoscience Pty Ltd. Mr Borg holds a Master of Science in Hydrogeology and Groundwater Management (University of Technology Sydney), a Bachelor of Science in Geology/Environmental Science (Monash University) and is a member of the AusIMM and the IAH.

During the past three years, Mr Borg held the following directorships:

- (i) Non-Executive Director of Firefinch Limited (ASX:FFX) (current);
- (ii) Non-Executive Director of Celsius Resources Limited (ASX:CLA);
and
- (iii) Managing Director of Tempus Resources Limited (ASX:TMR).

3.3 Independence

If elected, the Board:

- (a) considers Maja McGuire will be an independent Director; and
- (b) considers Brendan Borg will be an independent Director.

Each of Maja McGuire and Brendan Borg has no interests, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his or her to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

3.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of each Director prior to their appointment or in connection with the Company's recent initial public offering and ASX listing.

Each Director has confirmed that they consider they will have sufficient time to fulfil their responsibilities as a Director of the Company and does not consider that any other commitment will interfere with their availability to perform their duties as a Director of the Company.

3.5 Board recommendation

The Board has reviewed each Director's performance since their appointment to the Board and considers that each Director's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of each of the Directors standing for election and recommends that Shareholders vote in favour of Resolutions 2 and 3.

4. RESOLUTION 4 – APPROVAL OF 7.1A MANDATE

4.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$64,105,366 (based on the number of Shares on issue and the closing price of Shares on the ASX on 26 April 2022.)

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 4 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 4:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum price**

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 4.2(b)(i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for acquisition of new resources, assets and investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's Norwegian Projects (funds would then be used for completion of drill programs, assaying, feasibility studies and ongoing project administration) and general working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 4 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 26 April 2022.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

		Dilution			
Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Issue Price		
			\$0.568	\$1.135	\$1.70
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	56,480,499 Shares	5,648,049 Shares	\$3,208,091	\$6,410,535	\$9,618,627
50% increase	84,720,749 Shares	8,472,074 Shares	\$4,812,138	\$9,615,803	\$14,427,942
100% increase	112,960,998 Shares	11,296,099 Shares	\$6,416,184	\$12,821,072	\$19,237,256

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 56,480,499 Shares on issue.
2. The issue price set out above is the closing market price of the Shares on the ASX on 26 April 2022 being \$1.135).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

As this is the Company's first annual general meeting, the Company has not previously obtained approval under Listing Rule 7.1A.

4.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.
