About Aspermont

Aspermont is the leading media services provider to the global resource industries. Aspermont has built a commercial XaaS model for B2B media which distributes high value content to a growing global audience. This versatile model can be scaled to serve new business sectors in new countries and languages. Aspermont's increasing size of (paid) audiences has opened a data monetization opportunity that the company is now developing.

Aspermont is listed on the ASX and on the Frankfurt Stock Exchange. It is also quoted on Tradedgate and other regional German exchanges. The company has offices in UK, Australia, Brazil, USA, Canada, Singapore and the Philippines.
