Dear Ben

Copper Mountain Mining Corporation – C6C – New Director Filing – Jeane Hull

As requested by your letter dated May 18, 2022, we are writing in response to our Initial Director's Interest filing that was made on May 14, 2022 for Jeane Hull. As noted in our press release issued April 19, 2022, we announced the addition of Jeane Hull to the Board of Directors immediately after being appointed. For convenience, we have set out the requested information with each of our response following thereafter.

1. *Please explain why the Appendix 3X was lodged late.*

Unfortunately, the Appendix 3X was lodged late as the Company did not obtain the required information from the new director until after the director was appointed. Once the Company obtained the requested information, the initial director's report, which was a nil filing and not material, was filed immediately on May 14, 2022.

2. *What arrangements does C6C have in place under Listing Rule 3.19B with its directors to ensure that it is able to meet its disclosure obligations under Listing Rule 3.19A?*

The Company has a requirement that directors provide the required information to the Company in a timely manner so that so that the Company can meet its ASX Listing Rule obligations.

3. *If the current arrangements are inadequate or not being enforced, what additional steps does C6C intend to take to ensure compliance with Listing Rule 3.19B?*

The Company's Corporate Secretary and the CEO are aware of this issue and have instituted a formal process that will ensure that the Director's information is available prior to any future Board changes, as this will allow staff time to make the appropriate filings on both exchanges shortly after any future director appointments.

I confirm that these responses are authorized responses to the questions in your letter dated May 18, 2022 and I am authorized to answer the above.

Sincerely

Rodney A Shier, CPA,CA

Dear Mr Shier,

Copper Mountain Mining Corporation ('C6C'): Appendix 3X – Initial Director's Interest Notice Query

ASX refers to the following:

1. C6C's announcement lodged on the ASX Market Announcements Platform ('MAP') on 19 April 2022 confirming the appointment of Ms Jeane Hull as a director of C6C;
2. C6C's Appendix 3X lodged on MAP on 14 May 2022 for Ms Hull (the 'Notice');
3. Listing Rule 3.19A, which requires an entity to tell ASX the following:

3.19A.1 *'The notifiable interests of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) at the following times.*

- *On the date that the entity is admitted to the official list.*
- *On the date that a director is appointed.*

The entity must complete Appendix 3X and give it to ASX no more than 5 business days after the entity's admission or a director's appointment.

3.19A.2 *A change to a notifiable interest of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) including whether the change occurred during a closed period where prior written clearance was required and, if so, whether prior written clearance was provided. The entity must complete Appendix 3Y and give it to ASX no more than 5 business days after the change occurs.*

3.19A.3 *The notifiable interests of a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) at the date that the director ceases to be a director. The entity must complete Appendix 3Z and give it to ASX no more than 5 business days after the director ceases to be a director.'*

4. Listing Rule 3.19B, which states that:

'An entity must make such arrangements as are necessary with a director of the entity (or in the case of a trust, a director of the responsible entity of the trust) to ensure that the director discloses to the entity all the information required by the entity to give ASX completed Appendices 3X, 3Y and 3Z within the time period allowed by listing rule 3.19.A. The entity must enforce the arrangements with the director.'

The Notice indicates Ms Hull was appointed as a director of C6C on 15 April 2022. It therefore appears that the Notice should have been lodged with ASX by 27 April 2022. Consequently, C6C may have breached Listing Rules 3.19A and/or 3.19B.
