

ASX Announcement

24 May 2022

Mine Fatality

Newfield Resources Limited (**Newfield** or **Company**) (ASX: **NWF**) announces, with deep regret, the death of an underground worker at the Tongo Diamond Mine in Sierra Leone following a fall of ground incident in an underground development heading. The incident occurred at approximately 5:30am local time on 23 May 2022.

The Board of Directors and management team express their sincere condolences to the family and co-workers of the deceased and the Company is providing full support to the family.

All mining operations at the Tongo Mine have been suspended until further notice. An investigation into the incident has commenced. The National Minerals Agency of Sierra Leone and mine management will work together on the investigation into this unfortunate incident. The Company will provide an update on recommencement of mining operations in due course.
