AFL expands to Wollongong

The Board of AF Legal Group Ltd (**ASX: AFL**) (**Company** or **AFL**) is pleased to announce that it will establish its 18th office in Australia with a new greenfield office in Wollongong from 1 July 2022.

Wollongong has a metro area population of over 300,000 making it the third-largest city in New South Wales and the tenth-largest city in Australia by population. A full time Family Court registry services the region.

“This expansion represents AFL’s first greenfield start up where we have entered a partnership model sharing ownership with a leading lateral recruit. This model is the first of its type amongst listed law firms in Australia. It is modelled on similar co-ownership models which have proven highly effective for sustainable growth in other professional services sectors. This is a new strategic pillar to our growth model and will feature in the launch of our renewed 3-year strategic plan “AFL 3.0” at the release of our FY22 results”, commented Mr Dearlove.

This announcement has been authorised for release by the Board.
