AUSTAL USA AWARDED US\$45M LCS CONTRACT MODIFICATION

Austal Limited (ASX:ASB) is pleased to announce that Austal USA has been awarded a further US\$45,237,115 (A\$65,491,354) modification to a previously awarded LCS class design contract, [announced 23 June 2021](#).

This further contract modification exercises options for additional Littoral Combat Ship (LCS) Class Design Services and additional support for the US Navy's Integrated Data Product Model Environment (IDPME).

Austal USA will continue to provide LCS Class Design services to all *Independence*-variant LCS ships and services may include program management, fitting out services, change processing, software maintenance, engineering, and lifecycle efforts.

Austal USA will also maintain an IDPME that shall enable Navy access to enterprise LCS data management.

This ASX announcement has been approved and authorised for release by Paddy Gregg, Austal Limited's Chief Executive Officer.
