Lithium Australia Investor Webinar

Lithium Australia Limited (ASX: LIT, 'the Company') is pleased to provide shareholders and investors with a copy of the Company's latest investor presentation document.

The investor presentation provides updates on the Company's wholly owned subsidiaries: Envirostream, which is leading Australia's onshore mixed battery recycling industry and VSPC, which is developing the next generation of advanced battery powder materials, including lithium ferro phosphate ('LFP').

The Company will also be conducting an investor webinar and is pleased to invite all shareholders to attend.
