ASX Announcement

REGISTRY DIRECT INVESTOR PRESENTATION

Registry Direct Limited (ASX: RD1) (**Registry Direct**) will host an investor presentation by Craig Mason, the Executive Chairman of Complii FinTech Solutions Ltd (ASX: CF1) (**Complii**), to discuss their all-scrip takeover bid. The presentation will take place online at **2 pm (AEST) today** and all investors are welcome to attend.

Craig will discuss:

- Details of the proposed acquisition and an overview of Complii – an end-to-end technology service provider for AFSL holders – which is a larger business and has more sources of revenue.
- How the combined company will target a stronger position to accelerate the organic growth of Registry Direct's product development, client numbers and revenue.
- How the combined company will create a business with the scale, capital and connectivity to unlock value beyond the provision of registry services.
- The anticipated customer growth and resulting connectivity to a significant portion of investors in Australia, and the opportunity to further commercialise those relationships.

To attend this session, please [register here](#).

This presentation will be live and interactive, and investors will have the opportunity to ask questions.

About Registry Direct

Registry Direct Limited (ASX: RD1) is an Australian fintech business providing share and unit registry services to Australian companies and trusts, with a client list that includes Facebook, Adobe, Sequoia and XTB. The company services ASX, NSX and SSX listed entities via the CHESS platform and is ready to connect to the CHESS replacement system. The company has also created and developed Australia's only fully featured software-as-a-service (SaaS) registry management platform, which is designed to allow unlisted entities to self-manage share and unit holder data and communications – empowering entrepreneurs to start companies and encouraging more people to invest in businesses.
