EIA CONSULTANT APPOINTED

Galan Lithium Limited (ASX:GLN) (**Galan** or **the Company**) is pleased to announce that it has appointed Ausenco Limited as the Environmental Impact Assessment (**EIA**) consultant for its 100%-owned Hombre Muerto West Lithium Project (**HMW Project**), located on the Western Basin of the Hombre Muerto salar in Catamarca Province, Argentina.

The EIA is an integral part of the current Definitive Feasibility Study (**DFS**) for the HMW Project and will be developed and managed in parallel with Hatch, manager of the DFS process. The EIA is due to commence within two weeks and Ausenco will be assisted by a group of seasoned professionals with significant experience in the Catamarca Province.

Ausenco is a global company with teams across 26 offices in 14 countries, working across projects in over 80 locations worldwide. They deliver innovative, value-adding consulting studies, project delivery, asset operations and maintenance solutions to the mining & metals, oil & gas and industrial sectors.

Galan's Managing Director, Juan Pablo (**JP**) Vargas de la Vega, said:

"We are further strengthening our technical team with the key appointment of Ausenco as the HMW EIA consultant. Their record and professional standing within the mining industry is second to none and they will be ably supported by their local Argentinian representatives who have a strong working knowledge of the Catamarca environs."
