**EPC Contract – Bellevue Gold Project**

GR Engineering Services Limited (ASX: GNG) (GR Engineering) is pleased to announce that it has entered into a contract with Golden Spur Resources Pty Ltd, a wholly owned subsidiary of Bellevue Gold Limited (ASX: BGL) for the engineering, procurement and construction (EPC) works in relation to the 1.0 Mtpa gold processing plant and associated infrastructure for the Bellevue Gold Project (the Project) in Western Australia. The contract sum is \$87.8 million.

As previously announced on 24 May 2022, GR Engineering had commenced work on this Project under a Preliminary Works Agreement.

Commenting on the contract award, Mr Geoff Jones, Managing Director stated that:

*“GR Engineering is pleased to continue its involvement on this exciting gold project. Our clients are increasingly seeking certainty and a track record of performance and GR Engineering has been able to demonstrate this to Bellevue, including by reference to its strong track record of successful project outcomes in the Western Australian gold sector.”*

Ends.
