

ASX RELEASE | Schrole Group Ltd (ASX: SCL) Dulwich Group

Highlights

- New AUD65,000 contract with Dulwich Group, providing a bespoke Schrole Events recruitment event
- Expansion of current contract from AUD45,000 to AUD110,000
- Potential contract expansion across other Schrole software products.

21 July 2022: Schrole Group (ASX: SCL) ("**Schrole**" or the "**Company**"), provider of accredited training and global Human Resources (HR) Software-as-a-Service (SaaS), is pleased to announce a new AUD65,000 contract with Dulwich College International ("**Dulwich Group**") utilising the Schrole Events platform to provide a bespoke, exclusive online recruitment event in September 2022 across the Dulwich Group.

Overview

Schrole will provide a bespoke online event for Dulwich Group, utilising the Schrole Events software platform accompanied by a marketing campaign utilising the Eteach job board and other social media. Not only is this an expansion in contract value from AUD45,000 to AUD110,000 but there is additional cross-sell potential across the Schrole HR SaaS product range to meet the needs of the wider Dulwich Group.

This represents an evolution of the Schrole Events offering, which initially provided Schrole online recruitment events and has now been expanded to offer bespoke, "white label" events, applying the customer's branding to their specific tailored event.

About Dulwich Group

Dulwich College International is a family of schools which includes eight full International Schools, 2 International High Schools and four affiliated schools, across Asia. Currently, more than 9,000 students are benefiting from a Dulwich education overseas.

Schrole Events

The inaugural release of Schrole Events was announced on 21 September 2021, with continued strong demand for Schrole Events across multiple geographies.

The first online recruitment event was held on 27 October 2021, aimed at SE Asian Schools. Other online events have also been held for the Middle East and North Africa, Europe, and the Americas

Since its launch, Schrole Events has exceeded expectations, achieving the following impressive metrics:

- 5,561 candidates registered
- 1,114 school attendees registered

- 337 schools registered
- 10,036 job applications

Managing Director Commentary

Rob Graham, Schrole Managing Director said,

"I am pleased to announce this expansion of our partnership with Dulwich College International, a well-respected and trusted provider of international education.

Schrole is uniquely placed to assist Dulwich Group with not only its teacher recruitment needs, as it educates over 9,000 students across its multiple campuses, but also with its broader human resources management requirements, which Schrole HR SaaS can help manage.

We look forward to working with Dulwich Group to deliver their bespoke recruitment events and potentially support them with other Schrole HR SaaS offerings.

There is strong interest from our school group partners in expanding the relationship to include other Schrole HR modules including Schrole Events."

About Schrole

Schrole provides global Human Resources Software-as-a-Service (SaaS). Initially targeting teachers and educational organisations, Schrole is now scaling globally and targeting new growth markets.

Schrole HR is a complete Human Resources SaaS solution, combining recruitment, background checks, onboarding, relief teacher management, and professional development.

- **Schrole Connect** is education's most advanced recruitment and applicant tracking app.
- **Schrole Events**, part of the Connect module, provides regionalised online events.
- **Schrole Cover** is a cloud-based software platform that engages relief staff at the touch of a button.
- **Schrole Verify** provides background screening in the international schools' sector.
- **Schrole Develop** provides accredited professional development solutions contextualised to client needs.
- **Schrole Engage** was first *released in February 2022* to provide onboarding software for schools and now also provides contract management.

This release was authorized by the Company's Board of Directors
