Dear Sir/Madam

29 July 2022

Technology Metals Australia Limited (ASX: **TMT**) (**Technology Metals**, or **the Company**), requests a trading halt of its securities pursuant to ASX Listing Rule 17.1 in connection with the Ore Reserve Update and anticipated Production Profile for the Murchison Technology Metals Project (**MTMP**).

The Company requests that the trading halt be effective immediately and remain in place until the earlier of the commencement of normal trading on Tuesday 2 August 2022, or the release of an announcement by the Company in relation to today's announcement.

The Company is not aware of any reason why the trading halt should not be granted.

AUTHORISED FOR RELEASE ON THE ASX BY THE COMPANY'S BOARD OF DIRECTORS

About Technology Metals Australia

Technology Metals Australia Limited (ASX:TMT) is an ASX-listed company focused on the exploration and development of its flagship, 100 per cent owned Murchison Technology Metals Project (**MTMP**) located 40km southeast of Meekatharra in the mid-west region of Western Australia. The MTMP is one of the highest-grade vanadium projects in the world and will have lowest quartile operating costs once developed.

The Company is finalising an Integration Study for the MTMP, bringing in high-grade ore from the satellite Yarrabubba deposit into the central processing hub at Gabanintha. The Integration Study is due for completion mid-year with a Decision to Mine expected in late 2022.
