

## Clarification of Media Report

Kingston Resources Limited (ASX: **KSN**) notes media commentary in The Australian on 31 July 2022 related to the potential sale of the Misima Gold Project. As has been previously announced, Kingston has commenced a strategic review of the Misima Gold Project with the stated intention of assessing a range of potential financing and ownership options. There are a range of potential outcomes from this process, one of which could be a potential sale as noted in the media report. At this stage, Kingston has no further comments to make in relation to the status of the strategic review.
