Dear Elizabeth,

Gascoyne Resources Limited ("**Company**") (ASX: GCY) requests that the Company's ordinary shares be placed in a trading halt with immediate effect.

In accordance with ASX Listing Rule 17.1 the Company requests the trading halt pending the release of an announcement to the market in relation to material drill assay results from the Company's Gilbey's North discovery at its Dalgarranga Gold Project ("**Gilbey's North Assay Results**").

The Company requests that trading of its ordinary shares be halted until after the expected announcement of the Gilbey's North Assay Results or until the market opens on Tuesday 16 August 2022, whichever is the earlier.

The Company is not aware of any reason why this trading halt request should not be granted.

Yours sincerely,

David Coyne
