REQUEST FOR VOLUNTARY SUSPENSION

In accordance with ASX Listing Rule 17.2, 4DS Memory Limited (**Company**) refers to the trading halt granted on 11 August 2022 and hereby requests a voluntary suspension of the Company's securities from commencement of trading on Monday, 15 August 2022, pending the release of an announcement regarding a technical update based on the initial analysis of the wafers received (**Announcement**).

The Company requests the voluntary suspension remain in place until the Company makes the Announcement to the market, which it expects to make on or before commencement of trading on Tuesday, 16 August 2022.

The Company is not aware of any reason why the request for voluntary suspension should not be granted.

This request is authorised by the Board.

A handwritten signature in black ink, appearing to read 'Peter Webse'.

About 4DS

4DS Memory Limited (ASX: 4DS), with facilities located in Silicon Valley, is a semiconductor development company of non-volatile memory technology, pioneering Interface Switching ReRAM for next generation gigabyte storage in mobile and cloud. Established in 2007, 4DS owns a patented IP portfolio, comprising 32 USA patents granted (four of which have now expired) and 1 patent application, which have been developed in-house to create high-density Storage Class Memory. 4DS has a joint development agreement with Western Digital subsidiary HGST, a global storage leader, which accelerates the evolution of 4DS' technology. 4DS also collaborates with imec, a world-leading research and innovation hub in nanoelectronics and digital technologies. The combination of imec's widely acclaimed leadership in microchip technology and profound software and information and communication technology expertise makes them unique.
