Voting prohibition by proxy holders (remuneration of key management personnel)

To the extent required by section 250BD of the Corporations Act, a person appointed as a proxy must not vote, on the basis of that appointment, on Resolutions 1, 3 or 4, if the person is either a member of key management personnel or a closely related party of such a member and the appointment does not specify the way the proxy is to vote on the Resolution. Explanatory Memorandum

Introduction

This Explanatory Memorandum has been prepared to assist Shareholders to understand the business to be put to Shareholders at the forthcoming Annual General Meeting.

This Explanatory Memorandum should be read in conjunction with the accompanying Notice of Annual General Meeting. Please refer to **Annexure A** for definitions of capitalised terms in the Notice of Annual General Meeting and Explanatory Memorandum.

Business

Annual Report

The Corporations Act requires the following reports in respect of the year ended 30 June 2022 to be laid before the Meeting:

- (a) the annual financial report, including the Company's financial statements; and
- (b) the reports of the Directors and auditors.

Neither the Corporations Act nor the Company's Constitution requires a vote of Shareholders on the statements or reports.

Each of these reports are contained in the Company's 2022 Annual Report which has been sent to Shareholders and which is available at www.arultd.com.

Shareholders will have a reasonable opportunity at the Meeting to ask questions and make comments on these reports and on the business and operations of the Company. Shareholders will also be given a reasonable opportunity to ask the auditor questions about the auditor's report and the conduct of the audit of the financial report.

1 Resolution 1 – Remuneration report

The Remuneration Report of the Company for the financial year ended 30 June 2022 is set out in the Directors' Report on pages 27 to 39 of the Company's Annual Report 2022 which was released to the market on 17 August 2022.

The Remuneration Report sets out the Company's remuneration arrangements for Executive and Non-Executive Directors and executive employees of the Company.

Shareholders attending the Meeting will be given a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report.

The Corporations Act requires that a resolution be put to the vote that the Remuneration Report be adopted. The Corporations Act expressly provides that the vote is advisory only and the Resolution itself does not bind the Directors or the Company. However, whilst the Resolution itself does not bind the Directors or the Company, if at least 25% of the votes cast on Resolution 1 are against the Resolution in two consecutive years, starting at this 2022 Annual General Meeting, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must stand for re-election. The Company encourages all Shareholders to cast their votes on Resolution 1.

Explanatory Memorandum

2 Resolution 2 - Election of Mr Darryl Cuzzubbo as Director

Mr Darryl Cuzzubbo was appointed by the Directors on 1 November 2021 as an addition to the Board under rule 7.1(b) of the Company's Constitution and, in accordance with rule 7.1(c), holds office until the conclusion of the next annual general meeting following his appointment.

Mr Cuzzubbo retires in accordance with rule 7.1(c) of the Company's Constitution and, being eligible, offers himself for election as a Director.

As a new Director, and as recommended by the ASX Corporate Governance Council Corporate Governance Principles and Recommendations, the Company carried out background checks on Mr Cuzzubbo prior to his appointment, none of which revealed any information of concern.

Mr Cuzzubbo has over 30 years' experience in global roles in multi-commodity resources, services and manufacturing, holding both Senior Executive and Executive Director roles over a very successful career. He brings a wealth of knowledge and experience in both the resources and manufacturing sectors, having run major operational assets and led the development and execution of significant breakthrough strategies to deliver major projects.

Mr Cuzzubbo spent 24 years with BHP, where he held senior positions including 3 years as President of Olympic Dam with responsibility for operations, expansion projects and organisation wide transformational change programs. Mr Cuzzubbo then joined Orica Pty Ltd in 2015, and was the Chief Manufacturing and Supply Officer as well as Group Executive and President of Auspac Asia while at Orica Pty Ltd. He has a broad international perspective, having had experience in running operations across over 30 countries and has the ability to understand and work across diverse cultures to deliver results.

Mr Cuzzubbo is a graduate member of the Australian Institute of Company Directors and is the Managing Director and CEO of SolGold.

As at the date of this Notice, Mr Cuzzubbo has been a Director of the Company for approximately 10 months. He is Chairman of the Arafura Resources Risk Committee and a member of the Audit Committee and Sustainability Committee.

After appropriate consideration, and taking into account his past performance, contributions to the Company and the current and future needs of the Board and the Company, the Board's members (excluding Mr Cuzzubbo) unanimously resolved that Mr Cuzzubbo's distinct set of skills and experience, including in company management, operation and expansion projects and his extensive experience in the resources sector, is of obvious and on-going benefit to the Board. The Board also considered that Mr Cuzzubbo's independence has not been impaired during his tenure and that he is therefore considered to be an independent Director.

Board recommendation

The Board (other than Mr Cuzzubbo) recommends that Shareholders vote in favour of Resolution 2.

3 Background to Resolutions 3 and 4 – Issue of Options and Performance Rights to Mr Gavin Lockyer

The Company has in place an Option Plan and a Performance Rights Plan. The main purpose of these plans is to incentivise 'Eligible Executives' to provide (and reward them for providing) dedicated and ongoing commitment and effort to the Company, and to align the interests of Eligible Executives with Shareholders in order to increase Shareholder value. The Board considers that the ability to issue Options and Performance Rights as incentives to employees and Directors (and other eligible participants) enables Eligible Executives

Arafura Resources Limited

Explanatory Memorandum

to share in the future growth and profitability of the Company and provides a necessary mechanism to attract, retain and motivate personnel to achieve the Company's goals.

The issue of securities under these plans was approved by Shareholders at the Annual General Meeting held on 22 October 2020 for the purposes of exception 13 to Listing Rule 7.2.

A summary of the terms of the Option Plan and the Performance Rights Plan are set out in Annexures B and C respectively of the Explanatory Memorandum.

The Company is proposing to issue to the Managing Director of the Company, Mr Lockyer (or his nominee):

- (a) Options under the Option Plan up to a maximum value of \$360,000, under Resolution 3; and
- (b) Performance Rights under the Performance Rights Plan up to a maximum value of \$202,500, under Resolution 4,

(together, the **Proposed Issues**).

The formula to determine the number of Options that will be issued to Mr Lockyer (or his nominee) is set out below (**Option Calculation Formula**):

$$\frac{\text{Dollar value as determined by the Board (up to \$360,000)}}{\text{Fair Value Price}}$$

For the purposes of the Option Calculation Formula, **Fair Value Price** is the value of an Option calculated using the Black Scholes Model based on the VWAP of Shares over the 5 trading days immediately before the date of issue (**VWAP Price**). Worked examples (for illustration purposes only) showing how the Fair Value Price and number of Options will be calculated in practice under different price assumptions is set out in the Explanatory Memorandum for Resolution 3 below.

The formula to determine the number of Performance Rights that will be issued to Mr Lockyer (or his nominee) is set out below (**Performance Rights Calculation Formula**):

$$\frac{\text{Dollar value as determined by the Board (up to \$202,500)}}{\text{VWAP Price}}$$

As above, for the purposes of the Performance Rights Calculation Formula, **VWAP Price** means the VWAP of Shares over the 5 trading days immediately before the date of issue.

Overview of Listing Rules, Part 2E.1 of the Corporations Act and approvals sought

Issue of securities to related parties - Listing Rules 10.11 and 10.14

Listing Rule 10.11 requires a listed entity to obtain shareholder approval for the issue of securities to related parties, which includes a director of the Company.

Listing Rule 10.12, exception 8 provides that approval under Listing Rule 10.11 is not required for an issue of equity securities under an employee incentive scheme made, or taken to have been made, with the approval of the issuing entity's shareholders under Listing Rule 10.14.

Listing Rule 10.14 provides that a listed entity must not permit a director (or certain other persons) to acquire equity securities under an employee incentive scheme unless it obtains the approval of its shareholders.

Arafura Resources Limited

ABN 22 080 933 455

Explanatory Memorandum

Shareholder approvals sought

The Proposed Issues fall within Listing Rule 10.14 and therefore require the approval of Shareholders. Resolutions 3 and 4 seek the required Shareholder approvals to the Proposed Issues for the purposes of Listing Rule 10.14 and Chapter 2E of the Corporations Act (see below).

Mr Lockyer, as Managing Director of the Company, is entitled to participate in the Option Plan and Performance Rights Plan. The Board considers that the issue of Options and Performance Rights to Mr Lockyer (or his nominee) under the Option Plan and Performance Rights Plan (respectively) is in the Company's interests as it further aligns the interests of Mr Lockyer as the Managing Director with the interests of the Company's Shareholders in order to maximise Shareholder value. Further, the issue of Options and Performance Rights provides cost effective remuneration to Mr Lockyer in his role as Managing Director of the Company.

If Resolution 3 is passed, the Company will be able to proceed with the proposed issue of Options to Mr Lockyer and issue Options to the value of up to \$360,000 (as determined by the Board) using the formula described above to Mr Lockyer or his nominee.

If Resolution 3 is not passed, the Company will not be able to proceed with the issue of Options to Mr Lockyer or his nominee.

If Resolution 4 is passed, the Company will be able to proceed with the proposed issue of Performance Rights to Mr Lockyer and issue Performance Rights to the value of up to \$202,500 (as determined by the Board) using the formula described above to Mr Lockyer or his nominee.

If Resolution 4 is not passed, the Company will not be able to proceed with the issue of Performance Rights to Mr Lockyer or his nominee.

If approval is given under Listing Rule 10.14, approval is not required under Listing Rule 7.1.

Financial Benefit - Part 2E.1 of the Corporations Act

The Proposed Issues will constitute the giving of a financial benefit to a related party for the purposes of Part 2E.1 of the Corporations Act.

Section 208(1) of the Corporations Act states that for a public company to give a financial benefit to a related party of the public company (which includes its directors):

- (a) the public company must (i) obtain the approval of the public company's shareholders; and (ii) give the benefit within 15 months after the approval; or
- (b) the giving of the benefit must fall within an exception set out in sections 210 to 216.

The reasonable remuneration exception to the requirement for Shareholder approval contained in section 211 of the Corporations Act likely applies, however, the Directors consider that it is prudent and in the interests of good governance to seek Shareholder approval for the purposes of section 208 of the Corporations Act in any event.

All of the information that is required to be provided to Shareholders under Listing Rule 10.15 in order to obtain Shareholder approval under Listing Rule 10.14, and information required for the purposes of Chapter 2E of the Corporations Act, for each of Resolutions 3 and 4 is set out below.

4 Resolution 3 – Issue of Options to Mr Gavin Lockyer

As noted above, the Company is proposing to issue Options to Mr Gavin Lockyer (or his nominee) under the Option Plan, up to a maximum value of \$360,000 as determined by the Board.

- (i) Subject to Resolution 3 being passed, the financial benefit would be given to Mr Gavin Lockyer, the Managing Director of the Company, or his nominee.
- (ii) The nature of the financial benefit is issuing Mr Lockyer (or his nominee) Options for nil cash consideration under the Option Plan, up to a maximum value of \$360,000 as determined by the Board. The exercise price of the Options will be 143% of the VWAP Price on the date of issue of the Options. performance, current market conditions and other remuneration he is due to receive under his terms of engagement, and the exercise price was determined as an incentive linked to performance of the Company. The maximum value of Options that may be issued to Mr Lockyer (or his nominee) is \$360,000.

- (vi) The primary purpose of the issue of Options to Mr Lockyer (or his nominee) under the Option Plan is to provide a competitive remuneration package to Mr Lockyer and to motivate and reward the expected performance of Mr Lockyer in his role as Managing Director of the Company.
- (vii) Information about Mr Lockyer's remuneration package is set out in paragraph (a)(vi) above.
- (viii) Mr Lockyer held or had interests in the following securities in the Company as at the date of this Notice:

Gavin Lockyer	5,270,983	1,240,000	2,930,000

- (ix) The number of Options to be issued to Mr Lockyer (or his nominee) will be determined in accordance with the Option Calculation Formula. Based on the worked examples set out in paragraph (a)(iii) above, and assuming the Board approves the issue of Options to Mr Lockyer (or his nominee) to the value of \$360,000:
 - i. if the Fair Value Price is \$0.17, 2,117,647 Options would be issued to Mr Lockyer (or his nominee). If the 2,117,647 Options issued to Mr Lockyer (or his nominee) are exercised, a total of 2,117,647 Shares would be issued. This would increase the number of Shares on issue from 1,724,571,565 to 1,726,689,212 (assuming no other Options or Performance Rights are exercised and no other Shares are issued) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 0.123%;
 - ii. if the Fair Value Price is \$0.35, 1,028,571 Options would be issued to Mr Lockyer (or his nominee). If the 1,028,571 Options issued to Mr Lockyer (or his nominee) are exercised, a total of 1,028,571 Shares would be issued. This would increase the number of Shares on issue from 1,724,571,565 to 1,725,600,136 (assuming no other Options or Performance Rights are exercised and no other Shares are issued) with the effect that the shareholding of existing Shareholders would be diluted by an aggregate of 0.06%; and

6 Background to Resolutions 5 and 6

On 5 August 2022, the Company announced that it had received firm commitments to raise \$41.5 million (before costs) from Australian and overseas institutional and professional investors under a private placement (**Placement**).

A total of 156,779,233 Shares were issued under the Placement on 12 August 2022 at an issue price of \$0.265 (**Placement Shares**). The Shares were issued pursuant to the Company's placement capacity under Listing Rule 7.1.

Additionally, investors in the Placement received one free attaching listed Option for every two Shares subscribed for (**Placement Options**), with each Placement Option being exercisable at \$0.34 with an expiry date of 18 months from the date of issue. A total of 78,389,607 Placement Options were issued on 29 August 2022 under a prospectus lodged with ASIC (and released to ASX on 22 August 2022) (ASX: ARUO). The Placement Options were also issued pursuant to the Company's placement capacity under Listing Rule 7.1.

7 Resolution 5 – Ratification of previous issue of Placement Shares under Placement

Please refer to the "Background to Resolutions 5 and 6" above.

Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the Placement Shares does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, it has used up some of the Company's 15% limit under Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Shares.

Explanatory Memorandum

Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

Shareholder approval sought

Under this Resolution, the Company seeks Shareholder approval for, and ratification of, the issue of the Placement Shares under and for the purposes of Listing Rule 7.4 so as to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

If this Resolution is passed, the issue of the Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date the Placement Shares were issued.

If this Resolution is not passed, the issue of the Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, and will continue to restrict the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date the Placement Shares were issued.

Information required by Listing Rule 7.5

Listing Rule 7.5 requires the following specific information to be provided in relation to this Resolution:

- (a) The Placement Shares were issued to various sophisticated and institutional investors from Australia and overseas jurisdictions. None of these investors were material investors whose identities are required to be disclosed under ASX Guidance Note 21. The investors were all clients of the JLMs or were otherwise procured by the JLMs.
- (b) 156,779,233 Placement Shares were issued in total.
- (c) The Placement Shares were all fully paid ordinary shares in the capital of the Company.
- (d) The Placement Shares were issued on 12 August 2022.
- (e) The issue price for the Placement Shares was \$0.265 per Share.
- (f) Funds raised under the Placement will be used to accelerate the development of the Company's Nolans Project (by completing front-end engineering, commencing detailed design and commencing tendering activities for main construction contracts) and for general working capital purposes.
- (g) Please refer to the "Background to Resolutions 5 and 6" above in respect of fees paid by the Company to the JLMs in respect of the Placement. There are no further material terms to disclose in respect of the Placement.

A voting exclusion applies to Resolution 5 in the terms set out in the Notice of Meeting.

Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 5.

Explanatory Memorandum

8 Resolution 6 – Ratification of previous issue of Placement Options under Placement

Please refer to the “Background to Resolutions 5 and 6” above and the Explanatory Memorandum for Resolution 5 for information about Listing Rules 7.1 and 7.4.

Shareholder approval sought

The issue of the Placement Options does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, it has used up some of the Company’s 15% limit under Listing Rule 7.1, reducing the Company’s capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Options.

Under this Resolution, the Company seeks Shareholder approval for, and ratification of, the issue of the Placement Options under and for the purposes of Listing Rule 7.4 so as to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1.

If this Resolution is passed, the issue of the Placement Options will be excluded in calculating the Company’s 15% limit in Listing Rule 7.1, increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Options.

If this Resolution is not passed, the issue of the Placement Options will be included in calculating the Company’s 15% limit in Listing Rule 7.1, and will continue to restrict the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Options.

Information required by Listing Rule 7.5

Listing Rule 7.5 requires the following specific information to be provided in relation to this Resolution:

- (a) The Placement Options were issued to the investors that participated in the Placement. None of these investors were material investors whose identities are required to be disclosed under ASX Guidance Note 21. The investors were all clients of the JLMs or were otherwise procured by the JLMs.
- (b) 78,389,607 Placement Options were issued in total.
- (c) The Placement Options are listed (ASX: ARUO), have an exercise price of \$0.34 per Placement Option and an expiry date of 18 months after the Options were issued (being 29 February 2024). A summary of the further material terms of the Placement Options is set out in Annexure D.
- (d) The Placement Options were issued on 29 August 2022.
- (e) The issue price for the Placement Options is nil as the Placement Options were issued as free attaching Options under the Placement.
- (f) The Company did not raise any funds from the issue of the Placement Options. However, if all the Placement Options are exercised, the Company will raise \$26,652,466.38 (before costs) which will be used to accelerate the development of the Company’s Nolans Project (by completing front-end engineering, commencing detailed design and commencing tendering activities for main construction contracts) and for general working capital purposes, or as determined by the Board.
- (g) Please refer to the “Background to Resolutions 5 and 6” above in respect of fees paid by the Company to the JLMs in respect of the Placement. There are no further material terms to disclose in respect of the Placement.

A voting exclusion applies to Resolution 6 in the terms set out in the Notice of Meeting.

Explanatory Memorandum

Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 6.

9 Resolution 7 – Change of name from Arafura Resources Limited to Arafura Rare Earths Limited

The Board seeks Shareholder approval to change the Company's name from Arafura Resources Limited to Arafura Rare Earths Limited.

Arafura is an Australian Company focussed on rare earth elements. Its Nolans Project is a globally significant rare earths project located in the Northern Territory, containing all rare earth elements, and is particularly enriched in the magnet feed rare earths Neodymium and Praseodymium (**NdPr**). NdPr is the major component of the rapidly growing market for Neodymium Iron Boron (NdFeB) permanent magnets, which typically contain up to 30% NdPr metal (derived from NdPr oxide) and is essential to the digitalisation and decarbonisation revolutions, central to the future of the world's major and emerging economies.

The Nolans Project will be Australia's first integrated source of NdPr oxide and the second major non-Chinese producer, with the potential to supply between approximately 5 to 10% of the world's NdPr. Arafura's ore to oxide business model will ensure value add associated with downstream processing is retained in Australia to enable Australia to play a lead role in the diversification of critical raw materials by entering the global supply chain as an oxide. Its single site processing model provides traceable product and waste management systems, enabling it to deliver a sustainable and verified product to its customers. The Board believes that the proposed new name better aligns the Company with its industry potential and will appropriately brand it as the Company aims to become Australia's first sustainably mined integrated source of NdPr oxide.

For completeness, the Board also seeks approval to amend all references to the Company's name within the Company's Constitution to reflect the Company's new name.

Under section 157(1) of the Corporations Act, if a company wishes to change its name it must:

- (a) pass a special resolution adopting a new name; and
- (b) lodge an application in the prescribed form with ASIC.

Under the Corporations Act a "special resolution" is a resolution which is passed by at least 75% of the votes cast by Shareholders entitled to vote on the resolution.

If Resolution 7 is passed, the Company will notify ASIC of the approval within 14 days after the date of the Meeting.

The Company's name will change on the day on which ASIC updates its records. The Company anticipates that this will occur within a few days after ASIC is notified of Shareholder approval of Resolution 7. The consequential changes to the Company's Constitution will take effect at the same time.

The name change will not result in any change to the Company's ASX ticker, "ARU".

Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 7.
