

ASX Announcement

28 September 2022

## INVESTMENT IN DACIAN GOLD LIMITED

**Kin Mining NL** (ASX: KIN or “the Company”) is pleased to announce that it has acquired 20,000,000 shares in Dacian Gold Limited (ASX: DCN, “Dacian”).

These purchases have been made on-market during September 2022 and represent an interest of 1.63% of the Dacian shares currently on issue.

The Kin Board considers that accumulating a significant interest in one of the participants in the consolidation of the Leonora mining district, that is currently unfolding, is a sensible strategic move and that the current market price of Dacian shares represents good value.

Kin Mining notes that Genesis Minerals Limited (ASX: GMD, “Genesis”) has recently increased its relevant interest in Dacian to 57.7% through its off-market bid.

### ABOUT KIN MINING NL

Kin Mining NL (ASX: KIN) is a West Australian based gold development and exploration company. Kin's key focus is its 100% owned Cardinia Gold Project (CGP) located in the highly prospective North-Eastern Goldfields region of Western Australia. The CGP has a 1.4Moz gold Mineral Resource defined in both oxide and deeper primary mineralisation with considerable potential to grow this resource with further drilling.

Kin's exploration effort is the systematic program of exploration across the Cardinia Mining Centre that seeks to advance a number of targets in parallel while developing a pipeline of exploration targets for ongoing Mineral Resource expansion.
