

ASX Announcement

FBR Limited

Response to recent press speculation

Wednesday, 28 September 2022 – Robotic technology company **FBR Limited (ASX: FBR)** ('FBR' or 'the Company') is aware of media speculation surrounding an article published today in the Australian Financial Review.

The Company's policy is not to comment on market speculation. The Company is currently planning to undertake a Non-Deal Roadshow following the release of its audited FY22 results. As a developing company, FBR is periodically engaged in discussions with various parties in relation to strategic and capital raising opportunities however FBR can confirm there is no formal capital raising process currently under way and it has not formally engaged with financial advisers in relation to this.

The Company can confirm its compliance with ASX listing rule 3.1.

This announcement has been authorised for release to the ASX by the Company Secretary.

About FBR Limited

FBR Limited (ASX: FBR) designs, develops and builds dynamically stabilised robots to address global needs. These robots are designed to work outdoors using the company's core Dynamic Stabilisation Technology® (DST®).

The first application of DST® is the Hadrian X®, a bricklaying robot that builds structural walls faster, safer, more accurately and with less wastage than traditional manual methods. The Hadrian X® provides Wall as a Service®, FBR's unique commercial offering, to builders on demand.
