About Zimi

Zimi Limited (ASX: ZMM) is an innovative Australian technology company that creates 'the Zimi experience' by connecting everyday electrical products to the Internet and each other to create smarter living and working spaces.

Through its long-standing working relationship with the Gerard Family, which founded Clipsal under Gerard Industries, Zimi has a strong heritage in the electrical industry.

Zimi's current product range is comprised of the Powermesh and Senoa lines, which include multi-purpose switches, light dimmers, power points, fan controllers and garage door controllers. These products can be installed by any electrician and are easily controllable by end-users via Zimi's home automation app.

Zimi is targeting a multi-billion opportunity in the Australian market through multiple leading wholesale, commercial and retail/trade sales channels such as Trader, Harvey Norman, Steel-Line, Beacon Lighting and Polyaire.

In the future, Zimi plans to expand its product line to adjacent sectors while also continuing to optimise its existing product suite. The company is also pursuing opportunities for offshore expansion via partnerships with leading global manufacturers of electrical home and commercial building appliances.
