- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If this Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and

voting power in the Company may be diluted as shown in the below table (in the case of convertible securities only if those convertible securities are converted into Shares).

The table below shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for Variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 (see Section 7.2(c) above) as at the date of this Notice (**Variable A**), with:

- (i) two examples where Variable A has increased, by 50% and 100%; and
- (ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Shares (Variable A in Listing Rule 7.1A.2)	Dilution			
	Issue price per Share	\$0.15 50% decrease in Current Market Price	\$0.30 Current Market Price	\$0.60 100% increase in Current Market Price

	Funds raised	\$3,358,821	\$6,717,642	\$13,435,285
335,882,118 Shares 50% increase in Variable A	10% Voting Dilution	33,588,211	33,588,211	33,588,211
	Funds raised	\$5,038,232	\$10,076,463	\$20,152,927
447,842,824 Shares 100% increase in Variable A	10% Voting Dilution	44,784,282	44,784,282	44,784,282
	Funds raised	\$6,717,642	\$13,435,285	\$26,870,569

Notes:

1. The table has been prepared on the following assumptions:
 - (a) The issue price is the current market price (\$0.30), being the closing price of the Shares on ASX on 6 October 2022, being the latest practicable date before this Notice was signed.
 - (b) Variable A comprises of 223,921,412 existing Shares on issue as at the date of this Meeting, assuming the Company has not issued any Shares in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with Shareholder approval under Listing Rule 7.1 and 7.4.
 - (c) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.

- (d) No convertible securities (including any issued under the 10% Placement Facility) are exercised or converted into Shares before the date of the issue of the Equity Securities.
 - (e) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
2. The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.

The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

(e) **Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing Shareholders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new investors who are not related parties of or associates of a related party of the Company.

(f) **Issues in the past 12 months**

As this is the Company's first annual general meeting, the Company has not previously obtained Shareholder approval under Listing Rule 7.1A.

At the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

However, in the event that between the date of this Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing

Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

7.4 **Additional information**

Resolution 4 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 4.

8. **Resolution 5 – Ratification of issue of Corporate Advisor Shares**

8.1 **General**

On 1 February 2022, the Company issued 2,400,000 Shares to Kamara Group (or its nominees), as consideration for the provision of corporate advisory services (**Corporate Advisor Shares**).

The Corporate Advisor Shares were issued without Shareholder approval using the Company's placement capacity under Listing Rule 7.1.

Resolution 5 seeks the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue of the Corporate Advisor Shares.

8.2 **Summary of terms of Corporate Services Agreement**

On 19 January 2022, the Company entered into an agreement with Kamara Group for the provision of ongoing corporate advisory services to the Company and its subsidiaries. The services included:

- (a) assisting the Company with general project management and coordination of its corporate strategy; and
- (b) providing support for specific advice, tasks, and negotiations including:
 - (i) marketing, sales and partnering/alliance strategies;
 - (ii) product positioning strategies;
 - (iii) commercial advice; and
 - (iv) any other general advice that may from time to time be required.

The Corporate Services Agreement was for a term of six months and ended on 30 June 2022.

The Corporate Services Agreement contained various other provisions considered customary for an agreement of this nature.

8.3 Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Corporate Advisor Shares does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under Listing Rule 7.1. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Corporate Advisor Shares.

Listing Rule 7.4 provides an exception to Listing Rule 7.1. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The effect of Shareholders passing Resolution 5 will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% additional placement capacity set out in Listing Rule 7.1, without the requirement to obtain prior Shareholder approval.

If Resolution 5 is passed, 2,400,000 Corporate Advisor Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 5 is not passed, 2,400,000 Corporate Advisor Shares will continue to be included in the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 2,400,000 Equity Securities for the 12 month period following the issue of those Corporate Advisor Shares.

8.4 Specific information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the Corporate Advisor Shares:

- (a) The Corporate Advisor Shares were issued to Kamara Group (or its nominees), who is not a related party or a Material Investor

- (d) The Corporate Advisor Shares were issued on 1 February 2022.
- (e) The Corporate Advisor Shares were issued for nil cash consideration as consideration for the provision of corporate advisory services to the Company.

- (a) 500,000 Shares on 1 February 2022; and
- (b) 1,250,000 Shares on 27 July 2022,

(together, the **Technical Advisor Shares**).

The Technical Advisor Shares were issued without Shareholder approval using the Company's placement capacity under Listing Rule 7.1.

Resolution 6(a) and (b) seeks the approval of Shareholders pursuant to Listing Rule 7.4 to ratify the issue of the Technical Advisor Shares.

9.2 **Summary of terms of Technical Services Agreement**

On 1 January 2022, the Company entered into a consultancy agreement with GlobalOre for the provision of project management and technical services for mineral properties. The services include (but are not limited to):

- (a) preparation of exploration work programs;
- (b) exploration program management;
- (c) high level technical interpretation and recommendations;
- (d) geological mapping and sampling;

The Technical Services Agreement is for a term of 15 months from the commencement date, being until 1 April 2023.

The Company has agreed to pay GlobalOre for each calendar month:

- (a) the consultancy services; or
- (b) the monthly retainer (\$100,000 cash).

Where the consultancy services provided is less than the monthly retainer, GlobalOre is entitled to retain the entire monthly retainer with no set-off against amounts invoiced to the Company in the future months. However, where there is a shortfall in the monthly retainer due to unavailability of representatives of GlobalOre, then GlobalOre must provide the Company with a credit of that part of the monthly retainer reflecting the unavailability.

In addition to the above, the Company has agreed to issue GlobalOre:

- (a) 3,000,000 Shares, 1,750,000 of which are the subject of this Resolution; and
- (b) additional Shares in various tranches up to the value of \$450,000, upon the satisfaction of certain milestones.

The Company has also agreed to reimburse GlobalOre for all expenses reasonably incurred in the performance of the services.

GlobalOre and the Company each have the right to terminate the Technical Services Agreement for any reason before the end of the term by giving the other no less than 60 days' written notice.

The Technical Services Agreement contains various other provisions considered customary for an agreement of this nature.

9.3 **Listing Rules 7.1 and 7.4**

A summary of Listing Rule 7.1 is in Section 8.2 above.

The issue of the Technical Advisor Shares does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under Listing Rule 7.1. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Technical Advisor Shares.

Listing Rule 7.4 provides an exception to Listing Rule 7.1. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The effect of Shareholders passing Resolution 6(a) and (b) will be to allow the Company to retain the flexibility to issue Equity Securities in the future up to the 15% additional placement capacity set out in Listing Rule 7.1, without the requirement to obtain prior Shareholder approval.

If Resolution 6(a) is passed, 500,000 Technical Advisor Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity

Securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 6(b) is passed, 1,250,000 Technical Advisor Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue date.

If Resolution 6(a) is not passed, 500,000 Technical Advisor Shares will continue to be included in the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 500,000 Equity Securities for the 12 month period following the issue of those Technical Advisor Shares.

If Resolution 6(b) is not passed, 1,250,000 Technical Advisor Shares will continue to be included in the Company's 15% limit under Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 1,250,000 Equity Securities for the 12 month period following the issue of those Technical Advisor Shares.

9.4 **Specific information required by Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to the ratification of the issue of the Technical Advisor Shares:

- (a) The Technical Advisor Shares were issued to GlobalOre Advisory Pty Limited (or its nominees), who is not a related party or a Material Investor.

The Technical Services Agreement contains various other provisions considered customary for an agreement of this nature.

10.3 Listing Rules 7.1 and 7.4

A summary of Listing Rule 7.1 is in Section 8.2 above.

The issue of the IR Shares does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under Listing Rule 7.1. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the IR Shares.

Listing Rule 7.4 provides an exception to Listing Rule 7.1. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

The issue of the Tivoli Shares does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by Shareholders, effectively uses up part of the Company's 15% placement capacity under Listing Rule 7.1. This reduces the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Tivoli Shares.

Listing Rule 7.4 provides an exception to Listing Rule 7.1. It provides that where a company in a general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1.

13. Resolution 10 – Modification of existing Constitution

13.1 General

Under section 136(2) of the Corporations Act, a company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders.

Resolution 10 seeks the approval of Shareholders to modify the Company's existing Constitution.

The proposed modifications to the existing Constitution will incorporate recent amendments to the Corporations Act regarding the holding of meetings of Shareholders using virtual meeting technology and the new regime for the making of offers in connection with employee share schemes under Part 7.12 of the Corporations Act.

The Directors believe that it is preferable in the circumstances to simply modify one provision of the existing Constitution rather than repealing the entire existing Constitution and replacing it with a new constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders.

A copy of the modified Constitution is available for review by Shareholders at the Company's website www.revolverresources.com.au and at the office of the Company. A copy of the modified Constitution can also be sent to Shareholders upon request to the Company Secretary at hello@revolverresources.com.au. Shareholders are invited to contact the Company if they have any queries or concerns.

If Resolution 10 is passed, the Company will adopt the modified Constitution with effect from the date this Resolution is passed.

13.2 **Summary of material proposed changes**

(a) **Convening a general meeting (Article 5.2)**

The modifications provide for the ability of the Company to hold general meetings using virtual technology only, as well as physical or hybrid meetings. This improved flexibility is necessary to ensure the Company is able to hold general meetings at times where physical meetings may not be practicable (such as during pandemics).

Set out below are the proposed modifications to Article 5.2 of the existing Constitution:

Prior to modification:

5.2 Convening a general meeting

- (a) The Directors may convene and arrange to hold a general meeting of the Company whenever they think fit and must do so if required to do so under the Corporations Act.
- (b) The Company may hold a meeting of Members at 2 or more venues using any technology that gives the Members as a whole a reasonable opportunity to participate.
- (c) Notice of a general meeting must be given in accordance with article 14, the Corporations Act and the Listing Rules.
- (d) In computing the period of notice under article 5.2(c), the day of the meeting is to be disregarded.
- (e) A Director is entitled to receive notice of and to attend all general meetings and all separate meetings of the holders of any class of

shares in the capital of the Company and is entitled to speak at those meetings.

After modification:

5.2 Convening a general meeting

- (a) The Directors may convene and arrange to hold a general meeting of the Company whenever they think fit and must do so if required to do so under the Corporations Act.
- (b) The Company may hold a meeting of Members at a time determined by the Directors:
 - (i) at one or more physical venues;
 - (ii) at one or more physical venues and using virtual meeting technology; and
 - (iii) using virtual meeting technology only,provided that, in each case, Members as a whole are given a reasonable opportunity to participate in the meeting, and otherwise in the manner determined by the Directors.
- (c) If the Directors elect to use virtual meeting technology for a general meeting of the Company, the Directors will determine the type of virtual meeting technology to be used, which may include any combination of telephone, video conferencing, messaging, smartphone application or any other audio and/or visual device which permits instantaneous communication.
- (d) Notice of a general meeting must be given in accordance with article 14, the Corporations Act and the Listing Rules.
- (e) In computing the period of notice under article 5.2(d), the day of the meeting is to be disregarded.
- (f) A Director is entitled to receive notice of and to attend all general meetings and all separate meetings of the holders of any class of shares in the capital of the Company and is entitled to speak at those meetings.

(b) Issue cap for offers involving monetary consideration under an employee incentive scheme

The proposed amendment provides the ability for the Company to increase the 5% issue cap under the Corporations Act in respect of offers for monetary consideration under the New Plan to 10% (see Resolution 11 below). Set out below is the proposed modification to the existing Constitution.

- (i) Insert as new definitions in Article 1.1:

ESS Interests has the meaning under section 1100M(1) of the Corporations Act.

Share means a fully paid ordinary share in the capital of the Company.

(ii) Insert as a new Article 2.8:

2.8 Issue cap for offers involving monetary consideration under an employee incentive scheme

For the purposes of section 1100V(2)(a) of the Corporations Act, the Company may only make an offer of ESS Interests if, at the time the offer is made, the Company reasonably believes:

- (a) the total number of Shares that are, or are covered by, the ESS Interests of the Company that may be issued under the offer; and
- (b) the total number of Shares that are, or are covered by, the ESS Interests that have been issued, or could have been issued, under offers made under the Company's employee share scheme at any time during the 3 year period ending on the day the offer is made,

does not exceed 10% of the number of Shares actually on issue as at the start of the day the offer is made.

13.3 Additional information

Resolution 10 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 10.

14. Resolution 11 – Approval of New Plan

14.1 General

On 1 October 2022, amendments to the Corporations Act will commence, simplifying the process for incentivising participants under employee share schemes (**ESS**). Division 1A will be introduced into Part 7.12 of the Corporations Act, providing a new regime for the making of offers in connection with an ESS (**New Regime**). This regime will replace the current relief afforded by ASIC Class Order 14/1000 (**Class Order**), which has been in force since 30 October 2014.

To ensure that the Company's ESS complies with the New Regime, the Company will adopt, subject to Shareholder approval, a new ESS called the 'Revolver Resources Holdings Limited Employee Securities Incentive Plan' (the **New Plan**).

Resolution 11 seeks Shareholder approval of the New Plan in accordance with Listing Rule 7.2 exception 13(b).

Under the New Plan, the Board may offer to eligible persons the opportunity to subscribe for such number of Equity Securities in the Company as the Board may decide and on the terms set out in the rules of the New Plan. A summary of the key terms of the New Plan is in Schedule 3. In addition, a copy of the New Plan is available for review by Shareholders at the registered office of the Company until the date of the Meeting. Shareholders are invited to contact the Company if they have any queries.

14.2 Key changes between the Class Order and New Regime

The following table summarises the key changes that will be implemented by the New Regime for “Invitations” (within the meaning given in the New Plan) made on or after 1 October 2022. These changes are reflected in the New Plan.

	Current position under the Class Order	Position from 1 October 2022
Disclosure obligations	<p>The Class Order mandates certain information that must be provided to ESS participants.</p> <p>There is no difference between the disclosure requirements where ESS interests are offered for monetary consideration or for no monetary consideration.</p>	<p>If the offer of ESS interests is for no monetary consideration: There are no prescribed disclosure obligations, other than a statement that the offer is made under Division 1A.</p> <p>If the offer of ESS interests is for monetary consideration:</p> <ul style="list-style-type: none"> • Certain prescribed disclosure requirements apply. These disclosure requirements are similar (although different) to the current disclosure requirements under the Class Order. • The participant cannot acquire the ESS interests until 14 days after receiving the above disclosure. This mandates a waiting period ensuring a participant has time to consider their decision and seek legal financial advice. • Any associated trust, contribution plan and loan arrangement will need to comply with specified requirements.
Eligible participants	<ul style="list-style-type: none"> • Directors; • Full-time and part-time employees; • Casual employees and contractors, provided they work the number of hours that are the pro-rata equivalent of 40% or more of a comparable full-time position with the entity. 	<ul style="list-style-type: none"> • Directors; • Full-time and part-time employees; • Any service providers to the entity (with no minimum requirement of hours of service provided); • Certain ‘related persons’ to the above.

	Current position under the Class Order	Position from 1 October 2022
5% limit	The maximum number of ESS interests that can be issued under the Class Order relief over a three-year period is 5% of the issued share capital.	<p>If the offer of ESS interests is for no monetary consideration: There is no limit on the number of such ESS interests that may be issued.</p> <p>If the offer of ESS interests is for monetary consideration: The number of ESS interests issued over a three-year period must not exceed 5% of the issued share capital. Entities may specify a different issue cap in their constitution.</p>
Quotation requirement	An entity's shares must have been quoted for three months before the Class Order relief is available.	Newly listed entities can offer ESS interests under the new regime without any minimum quotation period. This will make it much simpler for newly listed entities to offer ESS interests.
Suspension	For the Class Order relief to be available, the entity's shares must not have been suspended for more than 5 days over the previous 12 months.	The new regime permits an entity to offer ESS interests regardless of any suspension to the trading of its shares.
ASIC involvement	A 'Notice of Reliance' must be submitted to ASIC to rely on the Class Order relief.	<p>There are no ASIC lodgement requirements.</p> <p>ASIC has the power to require the provision of documents necessary in order to form an opinion about whether the regime has been complied with.</p> <p>ASIC has also been given express enforcement powers including the ability to issue 'stop orders'.</p>
Criminal offences	N/A	New ESS related criminal offences have been introduced regarding certain misleading or deceptive statements or omissions.

14.3 **Listing Rules 7.1 and 7.2, exception 13(b)**

A summary of Listing Rule 7.1 is provided in Section 8.3 above.

Listing Rule 7.2, exception 13(b), provides an exception to Listing Rule 7.1 such that issues of Equity Securities under an employee incentive scheme are exempt for a period of three years from the date on which Shareholders approve the issue of Equity Securities under the scheme as an exception to Listing Rule 7.1.

Listing Rule 7.2, exception 13(b), ceases to be available to the Company if there is a material change to the terms of the Plan from those set out in this Notice in Schedule 3.

If Resolution 11 is passed, the Company will be able to issue Equity Securities under the New Plan pursuant to Listing Rule 7.2, exception 13(b), to eligible participants over a period of three years up to a nominated maximum amount without using the Company's 15% annual placement capacity under Listing Rule 7.1.

However, any future issues of Equity Securities under the New Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained will require additional Shareholder approval under Listing Rule 10.14 at the relevant time.

If Resolution 11 is not passed, any issue of Equity Securities pursuant to the New Plan must either be undertaken using the Company's 15% annual placement capacity under Listing Rule 7.1, or with prior Shareholder approval.

14.4 **Specific information required by Listing Rule 7.2, exception 13(b)**

Pursuant to and in accordance with Listing Rule 7.2, exception 13(b), the following information is provided in relation to the New Plan:

- (a) A summary of the material terms of the New Plan is in Schedule 3.
- (b) As at the date of this Notice, no Equity Securities have been issued under the New Plan.
- (c) The Company adopted its Existing Plan as an exception to Listing Rule 7.1 under Listing Rule 7.2, exception 13(b) prior to its admission to the Official List. Since that date, the Company has not issued any Equity Securities under the Existing Plan:
- (d) The maximum number of Equity Securities proposed to be issued under the New Plan pursuant to Listing Rule 7.2, exception 13(b), following approval of Resolution 11 is 22,392,1419 (subject to adjustment in the event of a reorganisation of capital and further subject to applicable laws and the Listing Rules). This number comprises approximately 10% of the Company's Equity Securities currently on issue.
- (e) A voting exclusion statement is included in the Notice.

14.5 **Additional information**

Resolution 11 is an ordinary resolution.

The Board recommends that Shareholders vote in favour of Resolution 11.

15. **Resolution 12 – Approval of potential termination benefits under the New Plan**

15.1 **General**

The Corporations Act contains certain limitations concerning the payment of 'termination benefits' to persons who hold a 'managerial or executive office'. The Listing Rules also provides certain limitations on the payment of 'termination benefits' to officers of listed entities.

As is common with employee incentive schemes, the New Plan provides the Board with the discretion to, amongst other things, determine that some or all of the Equity Securities granted to a participant under the New Plan (**Plan Securities**) will not lapse in the event of that participant ceasing their engagement with the Company before such Plan Securities have vested. This 'accelerated vesting' of Plan Securities may constitute a 'termination benefit' prohibited under the Corporations Act, regardless of the value of such benefit, unless Shareholder approval is obtained.

The Company has not previously sought and obtained Shareholder approval at an annual general meeting for the granting of such termination benefits. However, as the Company is seeking an approval under Listing Rule 7.2, exception 13(b) at this Meeting (the subject of Resolution 11) to adopt the New Plan, the Board has resolved to seek Shareholder approval for the granting of such termination benefits in accordance with this Resolution.

If Resolution 11 is not passed, the Company will not be able to offer 'termination benefits' to persons who hold a 'managerial or executive office' pursuant to the terms of the New Plan unless Shareholder approval is obtained each and every time such termination benefit is proposed, in accordance with section 200E of the Corporations Act.

15.2 **Part 2D.2 of the Corporations Act**

Under section 200B of the Corporations Act, a company may only give a person a benefit in connection with them ceasing to hold a 'managerial or executive office' (as defined in the Corporations Act) if an exemption applies or if the benefit is approved by Shareholders in accordance with section 200E of the Corporations Act.

Subject to Shareholder approval of Resolution 11, Shareholder approval is sought for the purposes of Part 2D.2 of the Corporations Act to approve the giving of benefits under the New Plan to a person by the Company in connection with that person ceasing to be an officer of, or ceasing to hold a managerial or executive office in, the Company (or subsidiary of the Company) on the terms and conditions in this Explanatory Memorandum.

Under the terms of the New Plan and subject to the Listing Rules and the Corporations Act, the Board possesses the discretion to vary the terms or conditions of the New Plan Securities. Notwithstanding the foregoing, without the consent of the participant in the New Plan, no amendment may be made to the terms of any granted Plan Security which reduces the rights of the participant in respect of that Plan Security, other than an amendment introduced primarily to comply with legislation, to correct any manifest error or mistake or to take into consideration possible adverse tax implications.

As a result of the above discretion, the Board has the power to determine that some or all of a participant's Plan Securities will not lapse in the event of the participant ceasing employment or office before the vesting of their Plan Securities.

The exercise of this discretion by the Board may constitute a 'benefit' for the purposes of

section 200B of the Corporations Act. The Company is therefore seeking Shareholder approval for the exercise of the Board's discretion in respect of any current or future participant in the New Plan who holds:

- (a) a managerial or executive office in, or is an officer of, the Company (or subsidiary of the Company) at the time of their leaving or at any time in the three years prior to their leaving; and
- (b) Plan Securities at the time of their leaving.

15.3 **Valuation of the termination benefits**

Provided Shareholder approval is given, the value of the termination benefits may be disregarded when applying section 200F(2)(b) or section 200G(1)(c) of the Corporations Act (i.e. the approved benefit will not count towards the statutory cap under the legislation).

The value of the termination benefits that the Board may give under the New Plan cannot be determined in advance. This is because various matters will or are likely to affect that value. In particular, the value of a particular benefit will depend on factors such as the Company's Share price at the time of vesting and the number of Plan Securities that will vest or otherwise be affected. The following additional factors may also affect the benefit's value:

- (a) the participant's length of service and the status of the vesting conditions attaching to the relevant Plan Securities at the time the participant's employment or office ceases; and
- (b) the number of unvested Plan Securities that the participant holds at the time they cease employment or office.

In accordance with Listing Rule 10.19, the Company will ensure that no officer of the Company or any of its child entities will, or may be, entitled to termination benefits if the value of those benefits and the terminations benefits that are or may be payable to all officers together exceed 5% of the equity interests of the Company as set out in the latest accounts given to ASX under the Listing Rules.

15.4 **Additional information**

Resolution 11 is conditional on the passing of Resolution 10.

If Resolution 10 is not approved at the Meeting, Resolution 11 will not be put to the Meeting.

Resolution 11 is an ordinary resolution.

The Board declines to make a recommendation in relation to Resolution 11 due to their potential personal interests in the outcome of the Resolution.

Schedule 3 Summary of terms and conditions of New Plan

The following is a summary of the material terms and conditions of the New Plan:

1. **(Eligible Participant):** A person is eligible to participate in the New Plan (**Eligible Participant**) if they have been determined by the Board to be eligible to participate in the New Plan from time to time and are an “ESS participant” (as that term is defined in Division 1A) in relation to the Company or an associated entity of the Company.

This relevantly includes, amongst others:

- (a) an employee or director of the Company or an individual who provides services to the Company;
- (b) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;
- (c) a prospective person to whom paragraphs (a) or (b) apply;
- (d) a person prescribed by the relevant regulations for such purposes; or
- (e) certain related persons on behalf of the participants described in paragraphs (a) to (d) (inclusive).

2. **(Maximum allocation):**

- (a) The Company must not make an offer of Securities under the New Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:
 - (i) the total number of Plan Shares (as defined in paragraph 13 below) that may be issued or acquired upon exercise of the convertible securities offered; plus
 - (ii) the total number of Plan Shares issued or that may be issued as a result of offers made under the New Plan at any time during the previous 3 year period,

would exceed 5% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company's Constitution from time to time.

3. **(Purpose):** The purpose of the New Plan is to:

- (a) assist in the reward, retention and motivation of Eligible Participants;
- (b) link the reward of Eligible Participants to Shareholder value creation; and
- (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

4. **(Plan administration):** The New Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the New Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.

5. **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the New Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An

invitation issued under the New Plan will comply with the disclosure obligations pursuant to Division 1A.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

6. **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the New Plan rules and any ancillary documentation required.
7. **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the New Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

8. **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
9. **(Exercise of Convertible Securities and cashless exercise):** To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the New Plan rules, or such earlier date as set out in the New Plan rules.

10. **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the New Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
11. **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the New Plan rules: any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

12. **(Change of control):** If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
13. **(Rights attaching to Plan Shares):** All Shares issued under the New Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, **(Plan Shares)** will rank *pari passu* in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the New Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
14. **(Disposal restrictions on Securities):** If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.
15. **(Adjustment of Convertible Securities):** If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

16. **(Participation in new issues):** There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
17. **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the New Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the New Plan and determine that any amendments to the New Plan rules be given retrospective effect, immediate effect or future effect.
- No amendment to any provision of the New Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
18. **(Plan duration):** The New Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the New Plan for a fixed period or indefinitely, and may end any suspension. If the New Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.
