All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions set out in the Proxy Form. Returning the Proxy Form to the Company will not preclude a Shareholder from attending or (subject to the voting exclusions set out in the Notice) voting at the Meeting in person.

Please note that:

- (a) a Shareholder entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a Shareholder; and

2.2 Attendance at the Meeting

To vote in person, Shareholders are able to attend the Meeting at the time, date and place set out above. Based on the best information available to the Board at the time of the Notice, the Board considers it will be in a position to hold an 'in-person' meeting to provide Shareholders with a reasonable opportunity to participate in and vote at the Meeting.

If it becomes necessary or appropriate to make alternative arrangements to those set out in this Notice, the Company will notify Shareholders accordingly via the Company's website at www.apollominerals.com and the ASX announcements platform.

2.3 Voting Prohibition by Proxy holders (Remuneration Report)

In accordance with section 250R of the Corporations Act, a vote on Resolution 1 must not be cast (in any capacity) by, or on behalf of:

- (a) a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report; or
- (b) a Closely Related Party of such member.

However, a person described above may cast a vote on Resolution 1 if the vote is not cast on behalf of a person described in subparagraphs (a) or (b) above and either:

- (a) the person does so as a proxy appointed in writing that specifies how the proxy is to vote on Resolution 1; or
- (b) the person is the Chairperson voting an undirected proxy which expressly authorises the Chairperson to exercise the proxy even if Resolution 1 is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

A vote on Resolution 1 must not be cast by a person appointed as a proxy, where that person is either a member of the Key Management Personnel or a Closely Related Party of such member.

However, a vote may be cast by such persons if the vote is not cast on behalf of a person who is excluded from voting on Resolution 1, and:

- (a) the person is appointed as a proxy that specifies the way the proxy is to vote on this Resolution 1; or
- (b) the person is the chair and the appointment of the chair as proxy does not specify the way the proxy is to vote on Resolution 1, but expressly authorises the Chairperson to exercise the proxy even if Resolution 1 is connected with the remuneration of a member of the Key Management Personnel.

3. Annual Report

In accordance with section 317(1) of the Corporations Act, the Annual Report for the financial year ended 30 June 2022 must be laid before the Meeting.

At the Meeting, Shareholders will be offered the opportunity to:

- (a) discuss the Annual Report which is available online at www.apollominerals.com;
- (b) ask questions about, or comment on, the management of the Company; and
- (c) ask the Auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chairperson about the management of the Company, or to the Auditor about:

- (a) the preparation and contents of the Auditor's Report;
- (b) the conduct of the audit;

- (c) accounting policies adopted by the Company in relation to the preparation of the financial statements; and
 - (d) the independence of the Auditor in relation to the conduct of the audit,
- may be submitted no later than five business days before the Meeting to the Company Secretary at the Company's registered office.

4. Resolution 1 – Remuneration Report

In accordance with section 250R(2) of the Corporations Act, the Company must put the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out:

- (a) the Company's remuneration policy; and
- (b) the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

In accordance with section 250R(3) of the Corporations Act, Resolution 1 is advisory only and does not bind the Directors of the Company. If Resolution 1 is not passed, the Directors will not be required to alter any of the arrangements in the Remuneration Report.

Pursuant to the Corporations Act, Shareholders will have the opportunity to remove the whole Board except the Managing Director if the Remuneration Report receives a 'no' vote of 25% or more (**Strike**) at two consecutive AGMs.

If a resolution on the Remuneration Report receives a Strike at two consecutive AGMs, the Company will be required to put to Shareholders at the second AGM, a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the Managing Director) who were in office at the date of approval of the applicable Directors' Report must stand for re-election.

The Company's Remuneration Report did not receive a Strike at the 2021 annual general meeting. Please note, if the Remuneration Report receives a Strike at this Meeting and if a second Strike is received at the 2023 annual general meeting, this may result in the re-election of the Board.

The Chairperson will allow reasonable opportunity for Shareholders to ask questions about or comment on the Remuneration Report.

Resolution 1 is an ordinary resolution.

The Chairperson intends to exercise all available proxies in favour of Resolution 1.

If the Chairperson is appointed as your proxy and you have not specified the way the Chairperson is to vote on Resolution 1, by signing and returning the Proxy Form, you are considered to have provided the Chairperson with an express authorisation for the Chairperson to vote the proxy in accordance with the Chairperson's intention, even though the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

5. Resolution 2 – Re-election of Mr Ian Middlemas as a Director

5.1 General

Article 6.14 of the Constitution requires one third of the Directors (excluding Directors required to retire under article 6.21 of the Constitution and rounded down to the nearest whole number), excluding the Managing Director, to retire at each annual general meeting where the Company has three or more Directors.

Accordingly, Resolution 2 provides that Mr Middlemas will retire by rotation at this Meeting and, being eligible, offers himself for re-election.

Mr Middlemas is a Chartered Accountant, a member of the Australian Institute of Company Directors and holds a Bachelor of Commerce degree. He worked for a large international Chartered Accounting firm before joining the Normandy Mining Group where he was a senior group executive for approximately 10 years. He has had extensive corporate and management experience, and is currently a director with a number of publicly listed companies in the resources sector.

Mr Middlemas was appointed a Director of the Company on 8 July 2016.

If Resolution 2 is passed, Mr Middlemas will be a Director of the Company, subject to retirement, for the next 3 years.

If Resolution 2 is not passed, Mr Middlemas will cease to be a Director of the Company.

Resolution 2 is an ordinary resolution.

The Chairperson intends to exercise all available proxies in favour of Resolution 2.

5.2 Board Recommendation

The Board (excluding Mr Middlemas) supports the re-election of Mr Middlemas and recommends that Shareholders vote in favour of Resolution 2.

6. Resolution 3 – Re-election of Mr Hugo Schumann as a Director

6.1 General

Article 6.14 of the Constitution requires one third of the Directors (excluding Directors required to retire under article 6.21 of the Constitution and rounded down to the nearest whole number), excluding the Managing Director, to retire at each annual general meeting where the Company has three or more Directors.

Accordingly, Resolution 3 provides that Mr Schumann will retire by rotation at this Meeting and, being eligible, offers himself for re-election.

Mr Schumann has more than fifteen years' experience in the development and financing of mining, energy and technology projects globally. He was named a Rising Star finalist in the 2022 Platts Global Metals Awards. He holds an MBA from INSEAD, is a CFA Charterholder and holds a Bachelor of Business Science (Finance CA) from the University of Cape Town. He currently resides in the USA and holds the position of Chief Financial Officer at Jetti Resources, a technology driven natural resources company.

Mr Schumann was appointed a Director of the Company on 2 May 2018.

If Resolution 3 is passed, Mr Schumann will be a Director of the Company, subject to retirement, for the next 3 years.

If Resolution 3 is not passed, Mr Schumann will cease to be a Director of the Company.

Resolution 3 is an ordinary resolution.

The Chairperson intends to exercise all available proxies in favour of Resolution 3.

6.2 Board Recommendation

The Board (excluding Mr Schumann) supports the re-election of Mr Schumann and recommends that Shareholders vote in favour of Resolution 3.

7. Resolution 4 – Adoption of New Constitution

7.1 General

The Company's existing Constitution was previously reviewed and adopted by the Shareholders at the Company's annual general meeting on 23 November 2016 (**Existing Constitution**). The Board has conducted a review of the Existing Constitution, and in view of changes to the Listing Rules and the Corporations Act, and recent developments in corporate governance and current market practice, has resolved that it would be in the best interests of the Company and the Shareholders to repeal the Existing Constitution and replace it with a new constitution (**New Constitution**) as opposed to making multiple amendments to the

Existing Constitution. The New Constitution does not make any changes to Shareholders' fundamental rights (including voting rights, transmission rights, dividend entitlements).

Resolution 4 seeks Shareholder approval for the adoption of the New Constitution in accordance with section 136 of the Corporations Act.

Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

A copy of the New Constitution will be sent to any Shareholder on request and will also be available for inspection at the office of the Company during normal business hours prior to the Meeting and available for inspection at the Meeting.

The New Constitution will be effective from the close of the Meeting.

The Chairperson intends to exercise all available proxies in favour of Resolution 4.

7.2 Summary of New Constitution

The key provisions of the New Constitution are summarised in Schedule 2.

7.3 Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

8. Resolution 5 – Approval of Additional 10% Placement Capacity

8.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Capacity**). The 10% Placement Capacity is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Capacity. The number of Equity Securities to be issued under the 10% Placement Capacity will be determined in accordance with the formula prescribed in Listing Rule 7.1A.

If Resolution 5 is passed, the effect will be that the Company will be able to issue Equity Securities under the 10% Placement Capacity in addition to the Company's 15% placement capacity under Listing Rule 7.1.

If Resolution 5 is not passed, the effect will be that the Company will not be able to issue any Equity Securities under the 10% Placement Capacity and will have to rely upon its 15% placement capacity under Listing Rule 7.1 for the issue of Equity Securities.

Resolution 5 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Chairperson intends to exercise all available proxies in favour of Resolution 5.

8.2 Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Capacity is subject to Shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the company.

The Company, as at the date of the Notice, has on issue one quoted class of Equity Securities, being Shares.

(c) **Formula for calculating 10% Placement Capacity**

Listing Rule 7.1A.2 provides that eligible entities that have obtained Shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) – E

A is the number of Shares on issue 12 months before the date of issue or agreement:

- (i) plus the number of Shares issued in the 12 months under an exception in Listing Rule 7.2 (other than exception 9, 16 or 17),
- (ii) plus the number of Shares issued in the 12 months on the conversion of convertible securities within rule 7.2 (exception 9) where:
 - (A) the convertible securities were issued or agreed to be issued before the commencement of the 12 months; or
 - (B) the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved, under Listing Rule 7.1 or Listing Rule 7.4,
- (iii) plus the number of Shares issued in the 12 months under an agreement to issue securities within Listing Rule 7.2 (exception 16) where:
 - (A) the agreement was entered into before the commencement of the relevant period; or
 - (B) the agreement or issue was approved or taken under these rules to have been approved under Listing Rule 7.1 or Listing Rule 7.4,
- (iv) plus the number of any other fully paid ordinary securities issued in the 12 months with approval under Listing Rule 7.1 or Listing Rule 7.4 (noting that this may include fully paid ordinary securities issued in the 12 months under an agreement to issue securities within Listing Rule 7.2 (exception 17) where the issue is subsequently approved under Listing Rule 7.1),
- (v) plus the number of partly paid ordinary securities that became fully paid in the 12 months;
- (vi) less the number of fully paid ordinary securities cancelled in the 12 months.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months where the issue or agreement to issue has not been subsequently approved by Shareholders under Listing Rule 7.4.

(d) **Listing Rule 7.1 and Listing Rule 7.1A**

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in

addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of the Notice, the Company has on issue 481,272,360 Shares and therefore has a capacity to issue:

- (i) 72,190,854 Equity Securities under Listing Rule 7.1; and
- (ii) subject to Shareholder approval being sought under Resolution 5, 48,127,236 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 8.2(c)).

(e) **Minimum Issue Price**

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) **10% Placement Period**

- (i) Shareholder approval of the 10% Placement Capacity under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:
 - (A) The date that is 12 months after the date of the annual general meeting at which the approval is obtained.
 - (B) The time and date of the entity's next annual general meeting.
 - (C) The time and date of Shareholder approval of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(the 10% Placement Period).

8.3 **Effect of Resolution**

The effect of Resolution 5 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

8.4 **Specific information required by Listing Rule 7.3A**

In accordance with Listing Rule 7.3A, information is provided as follows:

- (a) Shareholder approval will be valid during the 10% Placement Period as detailed in Section 8.2(f).
- (b) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (c) If Resolution 5 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Capacity, the existing Shareholders' voting power in the Company will be diluted as shown in the below table. There is a risk

that:

- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

- (d) The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of the Notice.

- (e) The table also shows:

- (i) two examples where variable 'A' has increased, by 50% and 100%. Variable 'A' is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.0285 50% decrease in Issue Price	\$0.057 Issue Price	\$0.114 100% increase in Issue Price
Current Variable 'A' 481,272,360 Shares	10% voting dilution	48,127,236 Shares	48,127,236 Shares	48,127,236 Shares
	Funds raised	\$1,371,626	\$2,743,252	\$5,486,505
50% increase in current Variable 'A' 721,908,540 Shares	10% voting dilution	72,190,854 Shares	72,190,854 Shares	72,190,854 Shares
	Funds raised	\$2,057,439	\$4,114,879	\$8,229,757
100% increase in current Variable 'A' 962,544,720 Shares	10% voting dilution	96,254,472 Shares	96,254,472 Shares	96,254,472 Shares
	Funds raised	\$2,743,252	\$5,486,505	\$10,973,010

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Capacity.
- (ii) No Performance Rights or Options are exercised or converted into Shares before the date of the issue of the Equity Securities.
- (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Schedule 2

Summary of New Constitution

1. Shares

The issue of Shares by the Company is under the control of the Directors, subject to the Corporations Act, Listing Rules and any rights attached to any special class of Shares.

2. Preference Shares

The Corporations Act requires certain rights of preference shares to be either set out in the constitution or approved in general meeting by special resolution before preference shares are issued.

The New Constitution sets out a framework of rights for preference share issues from which the Board can determine to issue preference shares, without the need to obtain further Shareholder approval every time an allotment of preference shares is proposed. Schedule 6 to the New Constitution contains the framework as well as specific rights of preference shares as to the repayment of capital, requirements for redemption (if the preference shares are redeemable), participation in surplus assets and profits, voting rights and priority of payment of capital and dividends. Other specific terms, including the dividend amount, the redemption date (if applicable) and redemption amount (if applicable), would be set by the issuing resolution of the Directors.

3. Reductions of Capital

The New Constitution is consistent with the Corporations Act requirements which must be satisfied by the Company in undertaking an alteration of capital.

4. Liens

If the Company issues partly paid Shares and a call made on those shares is unpaid, the Company will have a lien over the shares on which the call is unpaid. The lien may be enforced by a sale of those shares. The powers of the Company in relation to calls, company payments, forfeiture and liens are set out in schedule 2 to the New Constitution.

5. Transfer of Shares

The Company may participate in any clearing and settlement facility provided under the Corporations Act, the Listing Rules and the ASX Settlement Corporation Pty Ltd (**ASC**) Operating Rules. Transfers through ASC are effected electronically in ASC's Clearing House Electronic Sub register System (**CHES**). For the purposes of the Company's participation in the CHES, the Company may issue holding statements in lieu of share certificates. The Company will not charge any fee for registering a transfer of shares. The Directors may refuse to register a transfer of shares in the circumstances permitted or required under the Corporations Act and Listing Rules.

6. Proportional Takeovers

A proportional takeover bid is one in which the offer or offers only to buy a specified proportion of each Shareholders' shares.

The New Constitution provides for Shareholder approval of any proportional takeover bid for the shares. Subject to the Listing Rules and ASC Operating Rules, the provisions require the Directors to refuse to register any transfer of shares made in acceptance of a proportional takeover offer until the requisite Shareholder approval has been obtained.

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. The proportional takeover provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

At the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

The perceived advantages of including proportional takeover provisions in a constitution are that such provisions may:

- (i) enhance the bargaining power of Directors in connection with any potential sale of the Company;
- (ii) improve corporate management by eliminating the possible threat of a hostile takeover through longer term planning;
- (iii) make it easier for Directors to discharge their fiduciary and statutory duties to the Company and its Shareholders to advise and guide in the event of a proportional bid occurring; and
- (iv) strengthen the position of Shareholders of the Company in the event of a takeover, assuming the takeover will result in a sharing of wealth between the offeror and Shareholders, as the more cohesive Shareholders are in determining their response the stronger they are. A requirement for approval can force Shareholders to act in a more cohesive manner. Where Shareholders know that a bid will only be successful if a specified majority of Shareholders accept the offer, they have less to fear by not tendering to any offer which they think is too low.

The perceived disadvantages of including proportional takeover provisions in a constitution include the following:

- (v) a vote on approval of a specific bid suffers from a bias in favour of the incumbent Board;

- (vi) the provisions are inconsistent with the principle that a share in a public company should be transferable without the consent of other Shareholders; and
- (vii) a Shareholder may lack a sufficient financial interest in any particular company to have an incentive to determine whether the proposal is appropriate.

To comply with the Corporations Act, the proportional takeover provisions must be renewed by Shareholders in general meeting at least every 3 years to remain in place.

While the proportional takeover provisions were in effect under the existing Constitution, there were no proportional takeover bids for the Company. Therefore, there has been no example against which to review the advantages or disadvantages of the provisions for the Directors and the Shareholders, respectively, during this period.

The proportional takeover provisions are contained in schedule 5 to the New Constitution.

7. Alterations of share capital

Shares may be converted or cancelled with Shareholder approval and the Company's share capital may be reduced in accordance with the requirements of the Corporations Act and the Listing Rules.

If a reduction of capital occurs by way of a distribution of shares or other securities in another body corporate, Shareholders (i) are deemed to have agreed to be members of and bound by the constitution of that body corporate, (ii) appoint the Company and its directors to execute any transfers to give effect to the distribution of shares or other securities and (iii) any binding instructions or notification given to the Company are deemed to be binding instructions or notifications to the other body corporate. The Company also has the discretion to not distribute the shares or other securities in the other body corporate and instead make a cash payment if the distribution would be illegal, give rise to unmarketable parcels or be unreasonable having regard to the number, value and/or the legal requirements of distributions to Shareholders in particular overseas jurisdictions.

8. Buy Backs

The Company may buy back shares in itself on terms and at such times determined by the Directors.

9. Disposal of less than a Marketable Parcel

For the sake of avoiding excessive administration costs, the New Constitution contains provisions enabling the Company to procure the disposal of Shares where the Shareholder holds less than a marketable parcel of shares within the meaning of the Listing Rules (being a parcel of shares with a market value of less than \$500). To invoke this procedure, the Directors must first give notice to the relevant Shareholder holding less than a marketable parcel of shares, who may then elect not to have his or her shares sold by notifying the Directors.

The provisions relating to unmarketable parcel are contained in schedule 4 to the New Constitution.

10. Variation of class rights

Class rights attaching to a particular class of shares may be varied or cancelled with the consent in writing of holders of 75% of the shares in that class or by a special resolution of the holders of shares in that class.

11. Meetings of Shareholders

The Directors may call a meeting of Shareholders whenever they think fit. Shareholders may call a meeting as provided by the Corporations Act. The New Constitution contains provisions prescribing the content requirements of notices of meetings of Shareholders and all Shareholders are entitled to a notice of meeting. Consistent with the Corporations Act, a meeting may be held in two or more places linked together by audio-visual communication devices. A quorum for a meeting of Shareholders is 2 eligible voters.

The Company will hold annual general meetings in accordance with the Corporations Act and the Listing Rules.

12. Virtual Meetings

A meeting of Shareholders may be held virtually using any technology that gives Shareholders as a whole a reasonable opportunity to participate in the meeting.

13. Voting of Shareholders

Resolutions of Shareholders will be decided by a show of hands unless a poll is demanded. On a show of hands each eligible voter present has one vote. On a poll each eligible Shareholder has one vote for each fully paid share held and a fraction of a vote for each partly paid share determined by the amount paid up on that share.

14. Direct Voting

The Directors may determine that Shareholders may cast votes to which they are entitled on any or all of the resolutions (including any special resolution) proposed to be considered at, and specified in the notice convening, a meeting of Shareholders, by direct vote. Direct voting is a mechanism by which Shareholders can vote directly on resolutions which are to be determined by poll. Votes cast by direct vote by a Shareholder are taken to have been cast on the poll as if the Shareholder had cast the votes on the poll at the meeting. In order for direct voting to be available, directors must elect that votes can be cast via direct vote for all or any resolutions and determine the manner appropriate for the casting of direct votes. If such a determination is made by the directors, the notice of meeting will include information on the application of direct voting.

15. Proxies

An eligible Shareholder may appoint a proxy to attend and vote at the meeting on the Shareholder's behalf. The New Constitution contains provisions specifying the manner of lodgement of proxy instruments. A Shareholder may appoint an individual or corporation to act as its representative.

16. Directors

Unless changed by the Company in general meeting, the minimum number of directors is 3 and no maximum number is specified. The Directors and the Company may at any time appoint any person as a Director. Any such Director must retire at the next following annual general meeting of the Company (at which meeting he or she may be eligible for re-election as director). No Director other than the Managing Director may hold office for longer than 3 years without submitting himself or herself for re-election.

17. Powers of Directors

The business of the Company is to be managed by or under the direction of the Directors.

18. Remuneration of Directors

The Company may pay non-executive Directors a maximum of the total amount as determined by the Shareholders in General Meeting and such sum must not be paid by way of commission on, or percentage of, profits or operating revenue.

The remuneration of executive Directors will be subject to the provisions of any contract between each of them and the Company and may be by way of commission on, or percentage of, profits of the Company, but will not be by way of commission on, or percentage of, operating revenue.

19. Execution of documents

In accordance with the Corporations Act, the Constitution provides for execution of documents by the Company without the use of the Company's company seal.

20. Notice to Shareholders

The Constitution provides that notices provided to Shareholders can be provided in person, by post, fax, email, electronic means, by posting a notice identifying where a notice is available or any other means permitted by the Corporations Act.

21. Dividends

The Directors may fix the amount, the time for payment and the method of payment of a dividend. Subject to any special rights attaching to shares (such as preference shares), dividends will be paid proportionately.

The Company is not required to pay any interest on dividends.

22. Indemnities and insurance

To the extent permitted by law, the Company indemnifies every person who is or has been a Director or Secretary of the Company against a liability incurred by that person in his or her capacity as a Director or secretary. A similar indemnity is provided in respect of legal proceedings. The Company may also pay the premiums on directors' and officers' liability insurance.

23. Restricted Securities

The Company's constitution complies with Listing Rule 15.12. Certain more significant holders of restricted securities and their controllers (such as related parties, promoters, substantial holders, service providers and their associates) are required to execute a formal escrow agreement in the form Appendix 9A. Those with less significant holdings (such as non-related parties and non-promoters), the Company will issue restriction notices to holders of restricted securities in the form Appendix 9C advising them of the restriction rather than requiring signed restriction agreements.
