# **EXPLANATORY STATEMENT**

#### 1. INTRODUCTION

This Explanatory Statement has been prepared for the information of members of Australian Vanadium Limited ("the Company") in connection with the business to be conducted at the annual general meeting of members to be held at Ground Floor Conference Room, 216 St Georges Terrace, Perth, Western Australia on Monday, 14 November 2022 at 10.00am (WST).

This Explanatory Statement forms part of and should be read in conjunction with the accompanying Notice of annual general meeting.

#### 2. 2022 ANNUAL REPORT

In accordance with the requirements of the Company's Constitution and the Corporations Act, the 2022 Annual Report will be tabled at the annual general meeting. Shareholders will have the opportunity of discussing the Annual Report and making comments and raising queries in relation to the Report. There is no requirement for a formal resolution on this item.

Representatives from the Company's auditors, Armada Audit & Assurance Pty Ltd, will be present to take shareholders' questions and comments about the conduct of the audit and the preparation and content of the audit report.

#### **Annual Report Online**

Shareholders who have not elected to receive a hard copy of the Annual Report can access the report on the company's website at www.australianvanadium.com.au

#### 3. ADOPTION OF REMUNERATION REPORT - Resolution 1

#### 3.1 General

Pursuant to section 250R(2) of the Corporations Act, the Company is required to put the Remuneration Report to the vote of Shareholders. The Directors' Report for the year ended 30 June 2022 contains the Remuneration Report which sets out the remuneration policy for the Company and reports on the remuneration arrangements in place for the Directors and Key Management Personnel.

Resolution 1 is advisory only and does not bind the Directors of the Company. Of itself, a failure of Shareholders to pass Resolution 1 will not require the Directors to alter any of the arrangements in the Remuneration Report.

A reasonable opportunity will be provided for discussion of the remuneration report at the Annual General Meeting.

#### 3.2 Voting consequences

If at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report in two consecutive annual general meetings, the Company will be required to put to Shareholders a resolution proposing the calling of an extraordinary general meeting to consider the appointment of directors of the Company (**Spill Resolution**) at the second annual general meeting.

If more than 50% of shareholders vote in favour of the Spill Resolution, the company must convene the extraordinary general meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

#### 4. RE-ELECTION OF DIRECTOR - Resolution 2

#### 4.1 General

Resolution 2 relates to the re-election of Mr Cliff Lawrenson as a Director.

In accordance with the requirements of clause 7.3(a) of the Company's Constitution and the Corporations Act, one-third of the Directors of the Company retire from office at this annual general meeting of the Company, provided always that no Director (except a Managing Director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

Mr Cliff Lawrenson, who has served as a director since 12 October 2020, and was last re-elected on 25 November 2020, retires by rotation and seeks re-election.

#### 4.2 Qualifications and other material directorships

#### Cliff Lawrenson B.Comm (Hons) (Non-Executive Chairman)

Mr Cliff Lawrenson holds postgraduate qualifications in commerce and finance and has worked extensively in project development and investment banking around the world, including in South Africa, Australia, USA and Singapore. Mr Lawrenson is an experienced mining executive and director with deep expertise in minerals and energy sectors derived from his considerable global experience. He has a successful track record of leading strategic direction in companies and executing corporate transactions.

Mr Lawrenson's previous roles include Managing Director of Atlas Iron Ltd from January 2017 until its acquisition in 2018 by Hancock Prospecting Pty Ltd. Prior to this he led several ASX listed companies through various stages of development. Mr Lawrenson held the position of Group Chief Executive Officer of GRD Ltd from 2006 to 2009 which incorporated GRD Minproc Ltd, OceanaGold Ltd and Global Renewables. Prior to joining GRD Ltd, Mr Lawrenson was a senior executive and vice president of CMS Energy Corporation in the USA and Singapore for seven years. An investment banking career preceded the above.

Mr Lawrenson is currently a non-executive director of ASX-listed companies, Paladin Energy Ltd and Caspin Resources Ltd. He is also non-executive director of Onsite Rental Group (since 2020) and Pacific Energy Pty Limited (since 2010).

Mr Lawrenson also serves on the following Committees of the Company:

- Member of the Audit & Risk Committee
- Chairperson of the Remuneration, Nomination and Governance Committee
- Member of the Technical and Sustainability Committee

### 4.3 Independence

Mr Lawrenson has no interests, position, association or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company and its security holders generally.

If re-elected, the Board considers Mr Lawrenson will be an independent Director.

#### 4.4 Board recommendation

The Board has reviewed Mr Lawrenson's performance since his appointment to the Board and considers that Mr Lawrenson's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, all the Directors, except for Mr Lawrenson, recommend that Shareholders vote in favour of Resolution 2.

#### 5. RATIFICATION OF PRIOR ISSUE OF SHARES (30 MAY 2022) - Resolution 3

#### 5.1 General

On 30 May 2022, the Company issued 425,531,915 Shares to sophisticated and professional investors at an issue price of \$0.047 per Share to raise \$20,000,000, as announced on 20 May 2022.

The Company issued a portion of the Shares utilising the 15% annual limit set out in Listing Rule 7.1 (described below) and the balance of the Shares utilising the 10% annual limit set out in Listing Rule 7.1A (also described below). By issuing those Shares utilising these rules, the Company's capacity to issue further equity securities without Shareholder approval within those limits was accordingly reduced.

Resolutions 3(a) and 3(b) seek Shareholder approval for the prior issue of the Shares to the placees noted below. They are proposed as ordinary resolutions and will be passed if more than 50% of the votes cast by Shareholders entitled to vote are in favour of each of the Resolutions.

# 5.2 Listing Rules 7.1, 7.1A and 7.4

Subject to a number of exceptions, in general terms, Listing Rule 7.1 limits the number of Equity Securities (for example, shares, options and convertible notes) that a listed company may issue or agree to issue without shareholder approval in any 12-month period to 15% of its issued ordinary shares (15% share issue capacity).

Listing Rule 7.1A provides that, in addition to issues permitted without prior shareholder approval under Listing Rule 7.1, an entity that is eligible and obtains shareholder approval under Listing Rule 7.1A may issue or agree to issue during the period for which the approval is valid a number of quoted equity securities which represents 10% of the number of fully paid ordinary securities on issue at the commencement of that 12 month period as adjusted in accordance with the formula in Listing Rule 7.1A (10% capacity). The Company is an eligible entity and sought and received Shareholder approval for its 10% capacity at its annual general meeting held on 24 November 2021.

Listing Rule 7.4 provides that where an entity in a general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1), those securities will be deemed to have been made with Shareholder approval under Listing Rule 7.1, thereby "refreshing" the Company's capacity under Listing Rule 7.1. A note to Listing Rule 7.4 also provides it can also be used to ratify a previous issue of securities made with approval pursuant to Listing Rule 7.1A.

By ratifying these previous issues, the Company will retain the flexibility to issue equity securities in the future within the limits of Listing Rules 7.1 and 7.1A up to its 15% capacity and 10% capacity, respectively, without needing to seek further Shareholder approval. If either Resolutions 3(a) and/or 3(b) are not passed, the Company's ability to issue new securities without shareholder approval will be restricted until the previous issue/s are ratified at a subsequent meeting or 12 months from the date of issue of the Shares.

Accordingly, these resolutions seek shareholder approval to allow the Company to refresh its 15% share issue capacity (Resolutions 3(a)) and 10% share issue capacity (Resolution 3(b)).

#### 5.3 Specific Information required by Listing Rule 7.5

The following information is provided for the purposes of Listing Rule 7.5:

- (a) 425,531,915 Shares were issued on the following basis:
  - (i) 79,000,000 Shares were issued under the Company's Listing Rule 7.1 (15%) capacity (Resolution 3(a)); and
  - (ii) 346,531,915 Shares were issued under the Company's Listing Rule 7.1A (10%) capacity (Resolution 3(b));

- (b) The Shares (Resolutions 3(a) and 3(b)) were issued at \$0.047 per Share;
- (c) The Shares were issued on 30 May 2022;
- (d) The Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (e) The Shares were issued to non-related party investors identified by the Lead Manager and the Company, who were "Sophisticated Investors" within the meaning of section 708(8) of the Corporations Act or other investors to whom the Company may issue Shares without a disclosure document pursuant to section 708 of the Corporations Act. The recipients were identified through a bookbuild process, which involved the Lead Manager seeking expressions of interest to participate in the capital raising from non-related parties of the Company;
- (f) In accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
  - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
  - (ii) issued more than 1% of the issued capital of the Company;
- (g) Funds raised from the capital raising will primarily be applied to finance ongoing work at the Company's Australian Vanadium Project and to develop key downstream markets ahead of finalising debt financing and a final investment decision; and for working capital purposes;
- (h) The Shares were not issued under an agreement; and
- (i) A voting exclusion statement is included in the Notice.

# 5.4 Directors' Recommendation

The Directors unanimously recommend Shareholders vote in favour of Resolutions 3(a) and 3(b).

#### 6. APPROVAL of 10% PLACEMENT CAPACITY - Resolution 4

#### 6.1 General

Resolution 4 seeks Shareholder approval for an additional issuing capacity under ASX Listing Rule 7.1A (**Additional Placement Facility**).

If approved, Resolution 4 would enable the Company to issue additional Equity Securities (calculated below) over a 12-month period without obtaining Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without approval of its shareholders over any 12-month period to 15% of the fully-paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An "eligible entity" means an entity which is not included in the S&P/ASX 300 index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Resolution 4 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If Resolution 4 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 4 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1

# 6.2 Information on Additional Placement Facility

#### (a) Quoted securities

Any Equity Securities issued under the Additional Placement Facility must be in the same class as an existing class of Equity Securities of the Company that are quoted on ASX.

As at the date of this Notice, the Company has two classes of Equity Securities quoted on ASX, being its Shares (ASX Code: AVL) and Options (ASX Code: AVLOA).

### (b) Formula for Additional Placement Facility

If this Resolution 4 is passed, the Company may issue or agree to issue, during the 12-month period after this Meeting, the number of Equity Securities calculated in accordance with the following formula.

# Additional Placement Capacity = $(A \times D) - E$

where:

- A = the number of fully-paid ordinary securities on issue at the commencement of the relevant period:
  - plus the number of fully-paid ordinary securities issued in the relevant period under an exception in ASX Listing Rule 7.2 other than exception 9, 16, or 17;
  - plus the number of fully-paid ordinary securities issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
    - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
    - the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4:
  - plus the number of fully-paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
    - the agreement was entered into before the commencement of the relevant period; or
    - the agreement or issue was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
  - plus the number of fully paid ordinary securities issued in the relevant period with approval under Listing Rule 7.1 or ASX Listing Rule 7.4;

- plus the number of partly-paid ordinary securities that became fully-paid in the relevant period;
- less the number of fully-paid ordinary securities cancelled in the relevant period;
- D = 10%; and
- E = the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

# 6.3 ASX Listing Rule requirements

In accordance with Listing Rule 7.3A, the following information is provided in relation to the proposed approval of the Additional Placement Facility:

#### (a) Period for which the approval will be valid

The Additional Placement Facility will commence on the date of the Meeting and expire on the first to occur of the following:

- the date that is 12 months after this Meeting;
- the time and date of the Company's next annual general meeting; or
- the time and date of the approval by Shareholders of a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

#### (b) Minimum price at which equity securities may be issued

Any Equity Securities issued under the Additional Placement Facility must be in an existing quoted class of the Company's securities and issued for cash consideration per security which is not less than 75% of the VWAP for securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- the date on which the price at which the securities are to be issued is agreed; or
- if the securities are not issued within 10 trading days of the above date, the date on which
  the securities are issued.

# (c) Purposes for which the funds raised by an issue of equity securities may be used

The Company may issue Equity Securities under the 10% Placement Capacity for cash consideration only, and the Company intends to apply funds raised towards development of the Company's Australian Vanadium Project; resource and reserve updates; and general working capital (including corporate and administration costs).

# (d) Risk of economic and voting dilution

If Resolution 4 is passed and the Company issues securities under the Additional Placement Facility, there is a risk to existing Shareholders of economic and voting dilution, including the risk that:

- (i) the market price for Equity Securities in the same class may be significantly lower on the issue date of the new Equity Securities than on the date of this Meeting; and
- (ii) the new Equity Securities may be issued at a price that is at a discount to the market price for Equity Securities in the same class on the issue date.

The table below identifies the potential dilution to existing Shareholders following the issue of Equity Securities under the Additional Placement Facility (based on the formula set out above) using different variables for the number of issued Shares and the market price of Shares.

The numbers are calculated on the basis of the latest available market price of Shares before the date of this Notice and the current number of Shares on issue.

	Dilution			
Number of Shares on Issue	Number of Shares issued under 10% Placement Capacity	Funds raised based on issue price of \$0.017 (50% decrease in issue price)	Funds raised based on issue price of \$0.034 (issue price)	Funds raised based on issue price of \$0.068 (100% increase in issue price)
3,978,319,733 (Current)	397,831,973	\$6,763,144	\$13,526,287	\$27,052,574
5,967,479,600 (50% increase)	596,747,960	\$10,144,715	\$20,289,431	\$40,578,861
7,956,639,466 (100% increase)	795,663,947	\$13,526,287	\$27,052,574	\$54,105,148

**Notes:** The above table has been prepared on the following bases/assumptions:

- 1. The latest available market price of Shares before the date of the Notice was \$0.034.
- 2. The Company issues the maximum number of Equity Securities available under the Additional Placement Facility.
- 3. Existing Shareholders' holdings do not change from the date of this Meeting to the date of the issue under the Additional Placement Facility.
- 4. The Company issues Shares only and does not issue other types of Equity Securities (such as Options) under the Additional Placement Facility.
- 5. The impact of additional issues of securities under ASX Listing Rule 7.1 or following the exercise of options is not included in the calculations.
- 6. Economic dilution for the table above is calculated using the following formula:

$$ED = (MP - (NMC / TS)) / MP$$

where:

**MC** = market capitalisation prior to issue of Equity Securities, being the MP multiplied by the number of Shares on issue;

**MP** = the market price of Shares traded on ASX, expressed as in dollars;

**NMC** = notional market capitalisation, being the market capitalisation plus the NSV;

**NSV** = new security value, being the number of new Equity Securities multiplied by the issue price of those Equity Securities; and

**TS** = total Shares on issue following new Equity Security issue.

#### (e) Allocation policy

The Company's allocation policy for the issue of Equity Securities under the Additional Placement Facility will depend on the prevailing market conditions at the time of the proposed issue. The allottees will be determined on a case-by-case basis having regard to the factors such as:

(i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing Security holders can participate;

- (ii) the effect of the issue of the new securities on the control of the Company;
- (iii) the financial situation and solvency of the Company;
- (iv) prevailing market conditions; and
- (v) advice from corporate and other advisors.

As at the date of this Notice, the Company has not identified any proposed allottees of Equity Securities using the Additional Placement Facility. However, the eventual allottees may include existing substantial Shareholders, other Shareholders and/or new investors.

None of the allottees will be a related party or an associate of a related party of the Company, except as permitted under ASX Listing Rule 7.2. Existing Shareholders may or may not be entitled to subscribe for Equity Securities under the Additional Placement Facility and it is possible that their shareholding will be diluted.

The Company will comply with the disclosure obligations under ASX Listing Rules 7.1A.4 upon issue of any Equity Securities under the Additional Placement Facility.

# 6.4 Voting Exclusion

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

#### 6.5 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 4 as it will give the Company the flexibility to raise and fund necessary working capital whilst preserving the Company's cash reserves.

#### 7. ADOPTION OF SECURITIES INCENTIVE PLAN - Resolution 5

#### 7.1 General

Resolution 5 seeks Shareholder approval for the adoption of the employee incentive scheme titled "Employee Securities Incentive Plan" (**Plan**) and for the issue of up to a maximum of 300,000,000 securities, excluding issues approved by Shareholders under Listing Rule 10.14 or Listing Rule 10.11, under the Plan in accordance with Listing Rule 7.2 (Exception 13(b)).

The objective of the Plan is to attract, motivate and retain key employees and the Company considers that the adoption of the Plan and the future issue of securities under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

# 7.2 Listing Rules 7.1 and Listing Rule 7.2 Exception 13(b)

Broadly speaking, and subject to a number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If Resolution 5 is passed, the Company will be able to issue securities under the Plan to eligible participants over a period of 3 years from the date of the Meeting. The issue of any securities to eligible participants under the Securities Plan (up to the maximum number of securities stated in Section 7.3 (c) below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of securities under the Securities Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 5 is not passed, the Company will be able to proceed with the issue of securities under the Securities Plan to eligible participants, but any issues of securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the issue of the securities.

# 7.3 Technical information required by Listing Rule 7.2 (Exception 13)

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 5:

- (a) a summary of the key terms and conditions of the Plan is set out in Schedule 1;
- (b) the Company has not issued any securities under the Plan as this is the first time that Shareholder approval is being sought for the adoption of the Plan; and
- (c) the maximum number of securities proposed to be issued under the Plan, in reliance on Listing Rule 7.2 (Exception 13(b)), that is, excluding issues approved by Shareholders under Listing Rule 10.14 or Listing Rule 10.11, is 300,000,000 securities. It is not envisaged that the maximum number of securities for which approval is sought will be issued immediately.

Eligible Participants	<b>Eligible Participant</b> means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.	
Purpose	<ol> <li>The purpose of the Plan is to:</li> <li>assist in the reward, retention and motivation of Eligible Participants;</li> <li>link the reward of Eligible Participants to Shareholder value creation; and</li> <li>align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of a Plan Share, Option, Performance Right or other Convertible Security (Securities).</li> </ol>	
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Company relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.	
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the Plan on such terms and conditions as the Board decides.  On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part.  If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

- (c) is not entitled to receive any dividends declared by the Company;and
- (d) is not entitled to participate in any new issue of Shares (see Adjustment of Convertible Securities section below).

### Vesting of Convertible Securities

Any vesting conditions which must be satisfied before Convertible Securities can be exercised and converted to Shares will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

# Exercise of Convertible Securities and cashless exercise

To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Security (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.

An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

**Market Value** means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

# Timing of issue of Shares and quotation of Shares on exercise

As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

# Restrictions on dealing with Convertible Securities

A holder may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them unless otherwise determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

However, in Special Circumstances as defined under the Plan (including in the case of death, total or permanent disability, retirement, redundancy or severe financial hardship of the Participant) a Participant may deal with Convertible Securities granted to them under the Plan with the consent of the Board (which may be withheld in its absolute discretion).

# Listing of Convertible Securities

A Convertible Security granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of an Option granted under the Plan on the ASX or any other recognised exchange.

# Forfeiture of Convertible Securities

Convertible Securities will be forfeited in the following circumstances:

- (a) where a Participant who holds Convertible Securities ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Group), all unvested Convertible Securities will automatically be forfeited by the Participant;
- (b) where a Participant acts fraudulently or dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group;
- (c) where there is a failure to satisfy the vesting conditions in accordance with the Plan:
- (d) on the date the Participant becomes insolvent; or
- (e) on the Expiry Date,

unless the Board otherwise determines.

#### Change of control

If a change of control event occurs, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the holder's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the holder to participate in and/or benefit from any transaction arising from or in connection with the change of control event.

# Adjustment of Convertible Securities

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

## **Plan Shares**

The Board may, from time to time, make an invitation to an Eligible Participant to acquire Plan Shares under the Plan. The Board will determine in its sole an absolute discretion the acquisition price (if any) for each Plan Share which may be nil. The Plan Shares may be subject to performance hurdles and/or vesting conditions as determined by the Board.

Where Plan Shares granted to a Participant are subject to performance hurdles and/or vesting conditions, the Participant's Plan Shares will be subject to certain restrictions until the applicable performance hurdles and/or vesting conditions (if any) have been satisfied, waived by the Board or are deemed to have been satisfied under the Rules.

# Rights attaching to Plan Shares

All Shares issued or transferred under the Plan or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank equally in all respects with the Shares of the same class for the time being on issue except for any rights attaching to the Shares by reference to a record date prior to the date of the allotment or transfer of the Plan Shares.. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

# Disposal restrictions on Plan Shares

If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
- (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.

#### General Restrictions on Transfer of Plan Shares

If the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Plan Shares issued under the Plan (including on exercise of Convertible Securities) may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Act.

Restrictions are imposed by Applicable Law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available. These laws may restrict the acquisition or disposal of Shares by you during the time the holder has such information.

Any Plan Shares issued to a holder under the Plan (including upon exercise of Convertible Securities) shall be subject to the terms of the Company's Securities Trading Policy.

# **Buy-Back**

Subject to applicable law, the Company may at any time buy-back Securities in accordance with the terms of the Plan.

### **Employee Share Trust**

The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.

# Maximum number Securities

of

The Company will not make an invitation under the Plan which involves monetary consideration if the number of Plan Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b) – refer to Resolution 5 and Section 7.3(c).

# **Amendment of Plan** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants. **Plan duration** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants. If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.

The Plan is a plan to which Subdivision 83A-C of the *Income Tax Assessment Act 1997* (Cth) applies (subject to the conditions in that Act)
