About RemSense

RemSense Technologies Limited (ASX: REM)

19 October 2022

Dear Shareholder,

Invitation to Participate in Share Purchase Plan

RemSense Technologies Limited (ACN 648 834 771) (ASX: REM) (RemSense or the Company) is pleased to provide details of a Share Purchase Plan (**Plan**) announced to the market on 13 October 2022.

Under the Plan, Eligible Shareholders will have the opportunity to purchase up to \$30,000 worth of Shares irrespective of the size of their shareholding, without incurring brokerage or transaction costs.

The offer under the Plan (**Offer**) is intending to raise up to \$2.0 million on the terms and conditions (**Terms and Conditions**) contained in this letter. The Company may elect to accept additional subscriptions or alternatively close the Offer early and/or scale back applications.

Shareholders Eligible to Participate in the Plan

Participation under the Plan is optional and is available exclusively to shareholders of the Company who are registered as holders of Shares at 5.00pm WST on 12 October 2022 (**Record Date**) and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

Share Purchase Plan

The Plan entitles Eligible Shareholders, irrespective of the size of their shareholding, to purchase up to \$30,000 worth of Shares at an issue price of \$0.16 per share (**Price**). The Price represents a discount of 15.8% to a \$0.19 share price (being the 12 October closing price and noting material contract announcement made on 6 October) and a 36% discount to price paid by directors and founder shareholders in recently exercising 0.25c options to inject approximately \$400,000 into the company enabling the acquisition of virtual plant IP and patents from Woodside Energy. The 5-day VWAP for REM shares on 12 October was \$0.1845

Whilst the Company intends to raise up to \$2.0 million under the Plan, the Company reserves the right to accept additional applications subject to shareholder demand and compliance with the ASX Listing Rules. In accordance with the ASX Listing Rules, the maximum number of Shares that can be issued under a share purchase plan is that amount equal to 30% of the Company's existing issued share capital. Accordingly, as at the date of this document the maximum number of Shares which will be issued under this Plan will be 24,361,089.

Depending on applications received, the Company may, in its absolute discretion, undertake a scale back so that not more than \$2.0 million is raised under the Plan. Scale back decisions are made by the Board and are final.

The Plan will not be underwritten.

The directors of the Company who are Eligible Shareholders may participate under the Plan. Chairman Chris Sutherland and Managing Director Steve Brown intend taking up their maximum entitlement. Director Nicole O'Connor is not eligible and Director Ross Taylor

intends not to accept the offer due to other personal financial commitments (but retains a significant equity interest).

An application form for the Plan (**Application Form**) is included in this package.

Current Activities

RemSense in early 2022, realised that through partnering and integrating with global industrial asset management and analytics system providers such as IBM that the opportunities for our virtualplant digital twin solution were exponentially larger than anticipated.

RemSense revised its business strategy and;

- a) redirected resources to develop virtual plant as a fully certified enterprise grade solution with analytics capabilities as identified by targeted partners and clients.
- b) refreshed its marketing strategy to give greater focus on strategic partnerships with leading global asset management solution providers.
- c) developed new features to extend the product further than originally planned in this time period.

This work is substantially complete and RemSense now seeks additional working capital to execute contracts and prospects resulting from this expanded opportunity, including contract awards announced on 6th October 2022 for Chevron's Gorgon Train 2, Oceaneering, and Infinite Green Energy and the IBM opportunity announced on 11 October 22.

The opportunity has been further detailed in the Investor Update and SPP Presentation which was released on the ASX on 13 October 2022. The total market size (5-year value) with the IBM industrial asset management customers alone is an estimated \$4 Billion (refer to slide 8 of the Investor Update and SPP Presentation for more explanation), hence, to capture even just a small share will be significant for RemSense.

Further details of the Company's current activities including the Investor Update and SPP Presentation are set out in the announcements made by the Company to the ASX, and are available from the ASX platform (ASX:REM), or the Company's website at www.remsense.com.au.

Use of Funds

The proceeds from the SPP will increase working capital and be used to execute contracts and prospects resulting from the expanded opportunity as detailed in the Investor Update and SPP presentation lodged with the ASX on 13 October 2022

Please refer to the Terms and Conditions for more details.

Relationship of Issue Price with Market Price

On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on ASX was \$0.19 (on 12 October 2022). The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you as a result of your Application under this Offer. By making an Application under this Offer and applying for Shares under the Plan, each Eligible Shareholder will be acknowledging that although the Price is at a discount, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make an Offer and the date of issue of Shares under that Offer and that the value of the Shares received under the Plan may rise or fall accordingly.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an Application under this Offer.

Additional Information and Important Dates

The offer of Shares under the Plan is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 and therefore does not require a prospectus for the purposes of Chapter 6D of the *Corporations Act 2001* (Cth) (**Corporations Act**).

The Offer cannot be transferred, and the Directors of the Company reserve the right in their absolute discretion to reject, or scale back, on an equitable basis, any Application. Shares issued under the Plan will be issued no more than five business days after the Closing Date of the Offer. Application for quotation on ASX of the new Shares will be made immediately following the issue of those Shares.

The maximum amount proposed to be raised under the Offer is \$2.0 million. The Company, however, reserves absolute discretion regarding the final amount raised under the Offer, subject to the ASX Listing Rules.

In the event of oversubscription by the Closing Date the Directors may, in their absolute discretion, scale-back applications on an equitable basis. Scale-back for Shares held by Custodians will be applied at the level of the underlying Beneficiary. Directors may also, in their absolute discretion, decide to increase acceptances in the event of oversubscriptions.

If the Company rejects or scales-back an application or purported application, the Company will promptly return to the shareholder the relevant Application monies, without interest.
