EXPLANATORY MEMORANDUM

1. Introduction

This Explanatory Memorandum has been prepared for the information of Shareholders of the Company in connection with the business to be conducted at the Meeting to be held in person at 22 Townshend Road, Subiaco WA 6008 on 28 November 2022 commencing at 10:00am WST.

This Explanatory Memorandum should be read in conjunction with and forms part of the accompanying Notice. The purpose of this Explanatory Memorandum is to provide information to Shareholders in deciding whether or not to pass the Resolutions in the Notice.

A Proxy Form is located at the end of the Explanatory Memorandum.

2. Action to be taken by Shareholders

Shareholders should read the Notice and this Explanatory Memorandum carefully before deciding how to vote on the Resolutions.

2.1 Proxies

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a proxy) to vote in their place. All Shareholders are invited and encouraged to participate in the Meeting by attending in person, and are encouraged to lodge a directed Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

- (a) a member of the Company entitled to attend in person and vote at the Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a member of the Company; and
- (c) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

Shareholders and their proxies should be aware that:

- (a) If proxy holders vote, they must cast all directed proxies as they are directed to; and
- (b) Any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB(1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, if it does:

- (a) the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and

- (b) if the proxy has 2 or more appointments that specify different ways to vote on the resolution – the proxy must not vote on a show of hands; and
- (c) if the proxy is the Chair of the meeting at which the resolution is voted on – the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- (d) if the proxy is not the Chair – the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to Chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- (a) an appointment of a proxy specifies the way the proxy is to vote on a particular resolution at a meeting of the Company's members; and
- (b) the appointed proxy is not the Chair of the meeting; and
- (c) at the meeting, a poll is duly demanded, or is otherwise required under section 250JA, on the question that the resolution be passed; and
- (d) either of the following applies:
 - (i) if a record of attendance is made for the meeting - the proxy is not recorded as attending;
 - (ii) the proxy does not vote on the resolution,

the Chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

2.2 Voting Prohibition by Proxy Holders

In accordance with section 250R of the Corporations Act, a vote on Resolution 1 must not be cast (in any capacity) by, or on behalf of:

- (a) a member of the Key Management Personnel whose remuneration details are included in the Remuneration Report; or
- (b) a Closely Related Party of such member.

However, a person described above may cast a vote on Resolution 1 as proxy if the vote is not cast behalf of a person described in subparagraphs (a) or (b) above and either:

- (a) the person does so as a proxy appointed by writing that specifies how the proxy is to vote on Resolution; or
- (b) the person is the Chair and the appointment of the Chair as proxy:
 - (i) does not specify the way the proxy is to vote on Resolution 1; and
 - (ii) expressly authorises the Chair to exercise the proxy even if Resolution 1 is connected directly or indirectly with the remuneration of Key Management Personnel.

3. Annual Report

There is no requirement for Shareholders to approve the Annual Report.

Shareholders will be offered the following opportunities:

- (a) discuss the Annual Report which is available online at <https://pureresources.com.au/>;
- (b) ask questions or make comment on the management of the Company;
- (c) ask the auditor questions about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chair about the management of the Company, or to the Company's auditor about:

- (a) the preparation and the content of the Auditor's Report;
- (b) the conduct of the audit;
- (c) accounting policies by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than 5 Business Days before the Meeting to the Company Secretary at the Company's registered office.

4. Resolution 1 – Adoption of Remuneration Report

Section 250R(2) of the Corporations Act provides that the Company is required to put the Remuneration Report to the vote of Shareholders. The Directors' Report contains the Remuneration Report which sets out the remuneration policy for the Company and reports the remuneration arrangements in place for the executive Directors, specified executives and non-executive Directors.

Section 250R(3) of Corporations Act provides that Resolution 1 is advisory only and does not bind the Directors of the Company of itself, a failure of Shareholders to pass Resolution 1 will not require the Directors to alter any of the arrangements in the Remuneration Report.

However, the Corporations Act also gives Shareholders the opportunity to remove the Board if the Remuneration Report receives a 'no' vote of 25% or more at two consecutive annual general meetings (**Two Strikes Rule**).

Under the Two Strikes Rule, where a resolution on the Remuneration Report receives a 'no' vote of 25% or more at two consecutive annual general meetings, the Company will be required to put to Shareholders at the second annual general meeting a resolution on whether another meeting should be held (within 90 days) at which all Directors (other than the managing director) who were in office at the date of approval of the applicable Directors' Report will cease to hold office immediately before that further meeting but may stand for re-election.

This is the first time Shareholders are voting on the Remuneration Report. Accordingly, a further resolution relating to the Two Strikes Rules is not relevant for this Annual General Meeting.

The Chair will allow a reasonable opportunity for Shareholders as a whole to ask about or make comments on the Remuneration Report.

The Chair intends to exercise all undirected proxies in favour of Resolution 1. If the Chair of the Meeting is appointed as your proxy and you have not specified the way the Chair is to vote on Resolution 1, by signing and returning the Proxy Form, the Shareholder is considered to have provided the Chair with an express authorisation for the Chair to vote the proxy in accordance with the Chair's intention.

5. Resolution 2 – Re-election of Director – Patric Glovac

5.1 General

Clause 14.2 of the Constitution requires that at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third (rounded down to the nearest whole number), shall retire from office, provided always that no Director (except a managing director) shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself or herself for re-election.

The Directors to retire at an annual general meeting are those who have been longest in the office since their last election, but, as between persons who became Directors on the same day, those to retire shall (unless they otherwise agree among themselves) be determined by drawing lots.

A Director who retires by rotation under clause 14.2 of the Constitution is eligible for re-election. Patric Glovac (**Mr Glovac**) will retire in accordance with clause 14.2 of the Constitution and being eligible, seeks re-election.

5.2 Qualification and other material directorships

Mr Glovac co-founded GTT Ventures Pty Ltd in 2013, a boutique corporate advisory firm, specialising in the resources and technology sector. Mr Glovac has extensive corporate and commercial experience, financial and capital market knowledge.

Mr Glovac holds a Bachelor of Commerce from Murdoch University.

In the 3 years immediately before the end of the financial period, Mr Glovac served as Director of the following listed companies:

- (a) Global Oil and Gas (ASX GLV) (Present) (Appointed 10 August 2018;

- (b) Iperionx Ltd (ASX: IPX) (Appointed 5 May 2017, resigned 1 March 2021); and
- (c) Prominence Energy Ltd (ASX: PRM) (Appointed 23 August 2019, resigned 16 July 2021).

5.3 Listing Rule 14.1A

If Resolution 2 is passed, Mr Glovac will be re-elected as a Director of the Company.

If Resolution 2 is not passed, Mr Glovac will cease to be a Director of the Company.

5.4 Board Recommendation

The Board (excluding Mr Glovac) recommends that Shareholders vote in favour of Resolution 2. The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 2.

6. Resolution 3 – Approval of 10% Placement Facility

6.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements commencing from the date of the Meeting where the Company obtains the approval until the earlier of the following:

- (a) the date that is 12 months after the date of the Meeting at which the approval is obtained;
- (b) the time and date of the Company's next annual general meeting; or
- (c) the time and date of the approval of Shareholders of a transaction under Listing Rule 11.1.2 or 11.2 in respect of the Company,

(10% Placement Facility). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company currently has a market capitalisation of \$9,375,003 and is an eligible entity.

The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer Section 6.2(c) below).

6.2 Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 3 for it to be passed.

(b) **Equity Securities**

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue two classes of quoted Equity Securities, being Shares (ASX: PR1) and Listed Options (ASX: PR1OA).

(c) **Formula for calculating 10% Placement Facility**

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

Where:

A is the number of fully paid ordinary securities on issue at the commencement of the relevant period:

- (A) plus the number of fully paid ordinary securities issued in the relevant period under an exception in Listing Rule 7.2 other than Exception 9, 16 or 17;
- (B) plus the number of fully paid ordinary securities issued in relevant period on the conversion of convertible securities within Listing Rule 7.2 Exception 9 where:
 - (1) the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - (2) the issue of, or agreement to issue, the convertible securities approved, or taken to have been approved, under Listing Rule 7.1 or 7.4;
- (C) plus the number of fully paid ordinary securities issued in relevant period under an agreement to issue securities within Listing Rule 7.2 Exception 16 where:
 - (1) the agreement was entered into before the commencement of the relevant period; or
 - (2) the agreement or issue was approved, or taken under these rules to have been approved, under rule 7.1 or rule 7.4;
- (D) plus the number of any other fully paid ordinary securities issued in the relevant period with approval under rule 7.1 or rule 7.4;
- (E) plus the number of partly paid ordinary securities that became fully paid in the relevant period;
- (F) less the number of fully paid shares cancelled in the relevant period.

Note that A has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%.

- E** the number of equity securities issued or agreed to be issued in the relevant period that are not issued:
- (A) with the approval of the holders of its ordinary securities under rule 7.1 or rule 7.4;
 - (B) under rule 7.1A.2; or
 - (C) under an exception in rule 7.2.

(d) **Listing Rule 7.1A and Listing Rule 7.3A**

The Company was admitted to the official list of the ASX on 19 April 2022. Accordingly, the Company has not issued any Equity Securities under Listing Rule 7.1 since listing, and therefore none of its 15% capacity has been used.

The Company (being an eligible entity), under Listing Rule 7.1A, may also seek shareholder approval, by way of a special resolution passed at its annual general meeting, to increase its capacity to issue securities by an extra 10% to 25%.

The Company currently has 37,500,010 Shares on issue, and should Resolution 3 be approved by Shareholders, the Company would have the capacity to issue:

- (i) 5,625,001 Equity Securities under Listing Rule 7.1; and
- (ii) 3,750,001 Equity Securities under Listing Rule 7.1A.

However, the actual number of Equity Securities that the Company would have the capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 6.2(c) above).

(e) **Minimum Issue Price**

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) **10% Placement Period**

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

or such longer period if allowed by ASX (**10% Placement Period**).

6.3 Listing Rule 7.1A

The effect of Resolution 3 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) on the Resolution.

6.4 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days on which trades in that class were recorded immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Listed Options, only if the Listed Options are exercised). There is a risk that:
 - (i) the market price for the Company's Equity Securities in that class may be significantly lower on the date of the issue of the Equity Securities than of the date of the Meeting; and
 - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

The table shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.

Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.1250 (50% decrease in current issue price)	\$0.250 (Current issue price)	\$0.5000 (100% increase in current issue price)
37,500,010 (Current)	Shares issued	3,750,001	3,750,001	3,750,001
	Funds raised	\$468,750	\$937,500	\$1,875,001
56,250,015 (50% increase)*	Shares issued	5,625,001	5,625,001	5,625,001
	Funds raised	\$703,125	\$1,406,250	\$2,812,501
75,000,020 (100% increase)*	Shares issued	7,500,002	7,500,002	7,500,002
	Funds raised	\$937,500	\$1,875,001	\$3,750,001

The table has been prepared on the following assumptions:

1. The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 2. No Options (including any Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities;
 3. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example at 10%.
 4. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on the Shareholder's holding at the date of the Meeting.
 5. The table shows only the effect of issue of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 6. The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes Listed Options, it is assumed that those Listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 7. The issue price is \$0.25, being the closing price of the Shares on ASX on 17 October 2022.
- (c) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 3 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (d) The Company can only issue Equity Securities for cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expenses associated with such acquisition), continued exploration and general working capital.
- (e) The Company will comply with the disclosure obligations under the Listing Rule 7.1A(4) upon issue of any Equity Securities.
- (f) The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of the Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:
- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
 - (ii) the effect of the issue of the Equity Securities on the control of the Company;

- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new Shareholders who are not Related Parties or associates of a Related Party of the Company.

- (g) The Company has not previously obtained Shareholder approval under Listing Rule 7.1A.
- (h) For the purpose of ASX Listing Rule 14.1A (and in addition to the disclosure in clause 6.4(b) above):
 - (i) if Resolution 3 is passed, the Directors will be able to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1; and
 - (ii) if Resolution 3 is not passed, the Directors will not be able to issue the Equity Securities under Listing Rule 7.1A, and will have to either rely on the Company's existing 15% placement capacity under Listing Rule 7.1 (from time to time), or (in the event that the Company's 15% placement capacity is exhausted) the Company will be required to obtain prior shareholder approval under Listing Rules 7.1 before being able to issue such Equity Securities (which may result in the Company incurring further time and expense).

At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. As such, no voting exclusion statement has been included in the Notice.

The Directors of the Company believe Resolution 3 is in the best interest of the Company and its Shareholders and unanimously recommend that the Shareholders vote in favour of this Resolution.

7. Resolution 4 – Approval of Employee Securities Incentive Plan

7.1 General

The Company considers that it is desirable to adopt an employee incentive scheme to be called the "Pure Resources Employee Securities Incentive Plan" (**Plan**).

The Plan is intended to provide an opportunity to eligible participants to participate in the Company's future. Further, the Plan acts as mechanism to ensure the interests of Shareholders and the management and employees of the Company are aligned.

Resolution 4 seeks Shareholder approval for the adoption of the Plan in accordance with Listing Rule 7.2 exception 13(b).

A summary of the Plan is set out in Schedule 2.

The Plan incorporates recent amendments to the Corporations Act for employee share schemes (**New Legislation**).

7.2 Summary of New Legislation

The *Treasury Laws Amendment (Cost of Living Support and Other Measures) Act 2022* (Cth) introduced a new Division 1A into Part 7.12 of the Corporations Act in relation to employee share schemes (**New Rules**). The legislation comes into effect on 1 October 2022.

The New Rules will eventually replace the existing ASIC Class Order [CO 14/1000] and ASIC Class Order [CO 14/1001] (together, the **Class Orders**).

A summary of the key changes applicable to the Company under the New Rules are set out below.

(a) **Expanded eligibility**

Class Order relief is only available for issues to directors, full time and part time employees and casual employees or contractors that are 40% or more full time equivalent.

Under the New Rules, an offer may only be made to specified “primary participants” (being directors, employees and service providers, with no minimum requirements of hours of service provided) or certain related persons of a primary participant (including a spouse, parent, child or sibling of the primary participant; controlled bodies corporate of the primary participant or bodies corporate that are trustees of the primary participant’s self-managed superannuation fund).

(b) **Issue cap**

The Class Orders provide for an issue cap of 5% of a listed entity’s fully paid shares over a rolling period of 3 years (irrespective of whether monetary consideration is required).

Under the New Rules, there is no cap on issues made for no monetary consideration. Caps only apply to issues made for monetary consideration (being the cap set out in the company’s constitution or if there is no such cap in the constitution, then 5% for listed entities unless a higher cap is specified in the relevant regulations (if any)).

Further, offers of eligible interests to participants under an employee securities incentive plan which would not ordinarily require disclosure, such as offers to senior managers or small-scale offerings are not required to comply with the issue cap.

(c) **Disclosure requirements**

The Class Order does not distinguish between offers for monetary consideration and those without, with the same disclosure requirements for both offers.

Under the New Rules, offers made for no monetary consideration do not have any specific disclosure requirements. In the case of offers made for monetary consideration, an offer document is required (with specific disclosure requirements) and participants cannot acquire their interests until 14 days after receiving the necessary offer disclosure from the entity.

(d) **Quotation and suspension requirements**

Class Order relief is only available where an entity meets the minimum quotation period of 3 months prior to making an offer of eligible interests. In addition, relief is

prohibited if an entity is suspended from quotation for over 5 days in the preceding 12-month period.

Under the New Rules, listed entities can offer eligible interests without first meeting any minimum quotation period, and regardless of any suspensions to the trading of securities.

(e) **On-sale relief**

The Class Order provides relief from the on-sale provisions for securities issued under the Class Order.

Pursuant to the New Rules, listed entities must issue a cleansing notice to ensure that any Shares issued (including following the exercise of any options and performance rights) may be on-sold within 12 months of issue.

(f) **Criminal offences**

A number of new offences created under the New Rules, including misleading and deceptive statement offences and offences relating to holding participants' money. In addition, regulatory relief can be revoked if any of the below are breached:

- (i) compliance with the monetary cap;
- (ii) compliance with the issue cap; and
- (iii) providing disclosure documents at the required time.

7.3 Regulatory requirements and Listing Rules 7.1 and 7.2, exception 13(b)

Shareholder approval is not required under the Corporations Act or the Listing Rules for the operation of the Plan. However, Shareholder approval is being sought to allow the Company to rely on an exception to the calculation of the Listing Rules 7.1 and 7.1A on the number of securities that may be issued without Shareholder Approval. Listing Rule 7.2 exception 13(b) provides that Listing Rules 7.1 and 7.1A do not apply to an issue of securities under an employee incentive scheme that has been approved by Shareholders, where the issue of securities is within 3 years from that date of Shareholder approval of the issue of securities under the employee incentive scheme.

The Plan participation is limited to Directors, employees and service providers of the Company. If an issue is to be made to Directors, then separate Shareholder approval will need to be obtained.

A summary of the key terms of the Plan is set out in Schedule 2.

As this is a new plan being put to Shareholders, no securities have been issued under it to date.

A maximum of 1,875,001 securities would be available to be issued under the plan if approved by Shareholders, determined as 5% of the ordinary shares on issue at 3 October 2022.

The passing of Resolution 4 will allow the Company to issue securities for the benefit of participants of the Plan whilst preserving the Company's placement limits for issuing securities and provide flexibility in the manner in which the Plan is managed.

If Resolution 4 is not passed, the Company may still issue securities to key personnel other than Directors on the terms as set out in Schedule 2, however those securities will count towards the Company's 15% placement capacity under Listing Rule 7.1.

7.4 Voting Exclusion Statement

A Voting Exclusion applies to this Resolution.

7.5 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 4. The Chair intends to vote all undirected Proxies in favour of Resolution 4.

8. Resolution 5 – Appointment of Auditor at First AGM

The Directors of a public company must appoint an auditor within one month of registration. The directors have appointed HLB Mann Judd (**HLB**) as the Company's auditor.

The auditor of a public company so appointed within one month of registration holds office until the first annual general meeting of the Company. The auditor must be re-appointed at the first annual general meeting so that they may continue to act as auditor of the Company.

In accordance with section 328B(1) of the Corporations Act, the company has sought and obtained a nomination from a shareholder for HLB to be appointed as the Company's auditor. A copy of this nomination is attached to this Explanatory Statement as Schedule 3.

HLB has given its written consent to act as the Company's auditor subject to shareholder approval of this resolution.

If this resolution is passed, the appointment of HLB as the Company's auditor will take effect at the close of this Meeting.

The Directors of the Company believe Resolution 5 is in the best interest of the Company and its Shareholders and unanimously recommend that the Shareholders vote in favour of this Resolution.

Schedule 2 – Summary Terms of Employee Securities Incentive Plan

A summary of the terms of the Plan is set out below:

- (a) **(Eligible Participant):** Eligible Participant means a person that:
- (i) is an 'ESS participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company for an invitation made on or after 1 October 2022; and
 - (ii) has been determined by the Board to be eligible to participate in the Plan from time to time.
- (b) **(Purpose):** The purpose of the Plan is to:
- (i) assist in the reward, retention and motivation of Eligible Participants;
 - (ii) link the reward of Eligible Participants to Shareholder value creation; and
 - (iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.
- (c) **(Plan administration):** The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion except to the extent that it prevents the Company relying on the deferred tax concessions under Subdivision B3A-C of the *Income Tax Assessment Act 1997* (Cth). The Board may delegate its powers and discretion.
- (d) **(Eligibility, invitation and application):** The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

- (e) **(Grant of Securities):** The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
- (f) **(Terms of Convertible Securities):** Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. Unless in 'Special Circumstances' (as defined in the Plan) with the consent of the Board, a Participant may not sell, assign, transfer, grant a security interest over, collateralise a margin loan against, utilise for the purposes of short selling, enter into a Derivative with reference to, or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

- (g) **(Vesting of Convertible Securities):** Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.
- (h) **(Exercise of Convertible Securities and cashless exercise):** To exercise an Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

- (i) **(Cashless exercise of Convertible Securities):** At the time of exercise of the Convertible Securities, subject to Board approval at that time, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

If the difference between the total exercise price otherwise payable for the Convertible Securities being exercised and the then Market Value of the Share at the time of exercise and the exercise price is zero or negative, then the Eligible Participant will not be entitled to use the cashless exercise facility.

- (j) **(Delivery of Shares on exercise of Convertible Securities):** As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
- (k) **(Forfeiture of Convertible Securities):** Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, acted negligently, acted in contravention of a Group policy or wilfully breached his or her duties to the Group, the Board will deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

- (i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and
- (ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

- (l) **(Change of control)**: If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.
- (m) **(Rights attaching to Plan Shares)**: All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, **(Plan Shares)** will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.
- (n) **(Disposal restrictions on Plan Shares)**: If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:

- (i) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or
 - (ii) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.
- (o) **(Adjustment of Convertible Securities)**: If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

- (p) **(Participation in new issues)**: There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.
- (q) **(Compliance with Applicable Laws)**: Notwithstanding the Plan rules or any terms of a Security, no Security may be offered, granted, vested or exercised, and no Share may be issued or transferred, if to do so would contravene any applicable laws.

Where monetary consideration is payable by the Eligible Participant, and in respect to Convertible Securities where the Exercise Price on exercise of those Convertible Securities is greater than zero, the Company must reasonably believe when making an invitation:

- (i) the total number of Plan Shares that are, or are covered by the Securities that may be issued under an invitation; and

- (ii) the total number of Plan Shares that are, or are covered by the Securities that have been issued, or could have been issued in connection with the Plan in reliance on Division 1A of Part 7.12 of the Corporations Act at any time during the previous 3 year period prior to the date the invitation is made,

does not exceed:

- (iii) if the Constitution specifies an issue cap percentage, that percentage; or
- (iv) if the Constitution does not specify an issue cap percentage, 5% (or such other maximum permitted under any Applicable Law),

of the total number of Shares on issue at the date of the invitation.

- (r) **(Amendment of Plan):** Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

- (s) **(Plan duration):** The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
