EXPLANATORY MEMORANDUM

Introduction

This Explanatory Memorandum has been prepared for the information of members of Lachlan Star Limited (“Lachlan”) in connection with the business to be conducted at the Annual General Meeting to be held on Thursday, 24 November 2022 commencing at 11:00am at the offices of Ascent Capital, Level 1 33 Ord Street, West Perth WA 6005.

This Explanatory Memorandum forms part of and should be read in conjunction with the accompanying Notice of Annual General Meeting.

Shareholders should note that all the Directors approved the proposal to put the resolutions to Shareholders as outlined in the Notice of Annual General Meeting and to prepare this Explanatory Memorandum.

The purpose of this Explanatory Memorandum is to provide information for Shareholders in deciding whether or not to pass the Resolutions in the Notice of Annual General Meeting.

Action to be taken by Shareholders

Shareholders should read the Notice and this Explanatory Memorandum carefully before deciding how to vote on the Resolutions.

Voting in person

To vote in person, attend the Meeting at the time, date and place set out above.

Voting by proxies

A Proxy Form is attached to the Notice. This is to be used by Shareholders if they wish to appoint a representative (a **proxy**) to vote in their place. All Shareholders are invited and encouraged to attend the Meeting or, if they are unable to attend in person, sign and return the Proxy Form to the Company in accordance with the instructions thereon. Lodgement of a Proxy Form will not preclude a Shareholder from attending and voting at the Meeting in person.

Please note that:

- (a) a member of the Company entitled to attend and vote at the Meeting is entitled to appoint a proxy;
- (b) a proxy need not be a member of the Company; and
- (c) a member of the Company entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise, but where the proportion or number is not specified, each proxy may exercise half of the votes.

The enclosed Proxy Form provides further details on appointing proxies and lodging Proxy Forms.

Corporate representatives

Shareholders who are body corporates may appoint a person to act as their corporate representative at the Meeting by providing that person with a certificate or letter executed in accordance with the Corporations Act authorising him or her to act as the body corporate's representative. The authority may be sent to the Company and/or registry in advance of the Meeting or handed in at the Meeting when registering as a corporate representative.

An appointment of corporate representative form is available from the website of the Company's share registry (www.computershare.com.au).

Eligibility to vote

The Directors have determined pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth) that the persons eligible to vote at the Meeting are those who are registered Shareholders at 4:00pm (WST) on 22 November 2022.

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

Voting via poll

All Resolutions under this Notice will be determined by poll.

Submitting questions

Shareholders may submit questions in advance of the Meeting to the Company. Questions must be submitted by emailing the Company Secretary at dan.smith@minervacorporate.com.au by 5:00 pm (WST) on Tuesday, 22 November 2022.

Shareholders will also have the opportunity to submit questions during the Meeting in respect to the formal items of business. In order to ask a question during the Meeting, please follow the instructions from the Chair.

The Chair will attempt to respond to the questions during the Meeting. Shareholders are limited to a maximum of two questions each (including any submitted in advance of the Meeting). The Chair will request prior to a Shareholder asking a question that they identify themselves (including the entity name of their shareholding and the number of Shares they hold).

1. Annual Report

In accordance with the requirements of the Company's Constitution and the Corporations Act, the 2022 Annual Report will be tabled at the Annual General Meeting. There is no requirement for Shareholders to approve the Annual Report, however Shareholders will have the opportunity of discussing the Annual Report and making comments and raising queries in relation to the Report.

The Annual Report is available online at www.lachlanstar.com

Representatives from the Company's auditors, Hall Chadwick, will be present to take Shareholders' questions and comments about the conduct of the audit and the preparation and content of the Auditor's Report.

In addition to taking questions at the Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about:

- (a) the preparation and the content of the Auditor's Report; and
- (b) the conduct of the audit;
- (c) accounting policies by the Company in relation to the preparation of the financial statements; and
- (d) the independence of the auditor in relation to the conduct of the audit,

may be submitted no later than 5 Business Days before the Meeting to the Company Secretary at the Company's registered office.

2. Resolution 1 – Adoption of Remuneration Report

2.1 General

The Annual Report for the financial year ended 30 June 2022 contains a Remuneration Report, which forms part of the Directors' Report and sets out the remuneration policy for the Company and its controlled entities, and reports the remuneration arrangements in place for executive directors, senior management and non-executive directors.

The Corporations Act requires listed companies to put an annual non-binding resolution to shareholders to adopt the Remuneration Report. In line with the legislation, this vote will be advisory only, and does not bind the Directors or the Company. However, the Board will take the outcome of the vote into consideration when considering the Company's remuneration policy.

2.2 Voting consequences

Under the Corporations Act, if at least 25% of the votes cast on Resolution 1 are voted against adoption of the Remuneration Report at the Annual General Meeting, and then again at the Company's 2023 annual general meeting, the Company will be required to put to Shareholders a resolution proposing the calling of a general meeting to consider the appointment of Directors of the Company (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the general meeting (**Spill Meeting**) within 90 days of the Company's 2023 annual

general meeting. All the Directors who were in office when the Company's 2022 Director's report was approved, other than the managing director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as Directors is approved will be the Directors of the Company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report were less than 25%. Accordingly, the resolution for the re-election of the Board is not relevant for this Meeting.

The Chairman will allow a reasonable opportunity for Shareholders as a whole to ask about, or make comments on the Remuneration Report.

The Chairman intends to exercise all undirected proxies in favour of Resolution 1. If the Chairman of the Meeting is appointed as your proxy and you have not specified the way the Chairman is to vote on Resolution 1, by signing and returning the Proxy Form, the Shareholder is considered to have provided the Chairman with an express authorisation for the Chairman to vote the proxy in accordance with the Chairman's intention.

3. Resolution 2 – Re-election of Director – Bernard Aylward

In accordance with the requirements of the Company's Constitution and the Corporations Act, one-third of the Directors of the Company retire from office at this Annual General Meeting, and, being eligible, may offer themselves for re-election. Bernard Aylward retires by rotation and offers himself for re-election.

Details of Mr Aylward's background and experience is set out in the Annual Report.

Board Recommendation

The Directors (excluding Mr Aylward) recommend that Shareholders vote in favour of Resolution 2.

Voting Intention

The Chairman of the meeting intends to vote undirected proxies in favour of Resolution 2.

4. Resolution 3 – Approval of 10% Placement Facility

4.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements in the 12-month period after an annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking Shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 4.2(c) below).

The Company may use the 10% Placement Facility to fund ongoing development.

The Directors of the Company believe Resolution 3 is in the best interest of the Company and its Shareholders and unanimously recommend that the Shareholders vote in favour of this Resolution.

4.2 Description of Listing Rule 7.1A

(a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue one class of quoted Equity Securities, being fully paid ordinary shares (ASX: LSA).

(c) Formula for calculating 10% Placement Facility

In addition to issues under Listing Rule 7.1, an eligible entity which has obtained shareholder approval of this Listing Rule 7.1A may, during the period of the approval, issue or agree to issue a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

where:

A = has the same meaning as in Listing Rule 7.1;

D = 10%;

E = the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by the Company's Shareholders under Listing Rule 7.4.

(d) Listing Rule 7.1 and Listing Rule 7.4

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 1,271,512,709 Shares and therefore has a capacity to issue:

- (i) 190,726,906 Equity Securities under Listing Rule 7.1; and
- (ii) subject to Shareholder approval being sought under Resolution 3, 127,151,270 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2.

(e) **Minimum Issue Price**

Any Equity Securities issued under Listing Rule 7.1A.2 must be in an existing quoted class of the Company's Equity Securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average price (VWAP) of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(f) **10% Placement Period**

If approved, approval under this Listing Rule 7.1A commences on the date of the Company's Annual General Meeting and expires on the first to occur of the following:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the time and date of the Company's next Annual General Meeting; or
- (iii) the time and date of the approval by the Company's Shareholders of a transaction under Listing Rules 11.1.2 or 11.2 (disposal of main undertaking).

(10% Placement Period).

4.3 Listing Rule 7.1A

The effect of Resolution 3 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

4.4 Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (a) The Equity Securities will be issued not less than 75% of the volume weighted average price (VWAP) of Equity Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before :
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or

- (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If Resolution 3 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting power in the Company will be potentially diluted as shown in the below table (in the case of listed Options, only if the listed Options are exercised). There is a risk that:
- (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than of the date of the approval under Listing Rule 7.1A; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The below table shows the potential dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 as at the date of this Notice.

The table shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% (rounded up) and increased by 100% as against the current market price.

Dilution example:

Number of Shares on Issue	Dilution			
	Issue Price (per Share)	\$0.009 50% decrease in Issue Price	\$0.017 Current Issue Price	\$0.034 100% increase in Issue Price
1,319,012,709 (Current)	10% voting dilution	131,901,270 Shares	131,901,270 Shares	131,901,270 Shares
	Funds raised	\$1,121,161	\$2,242,322	\$4,484,643
1,978,519,064 (50% increase)	10% voting dilution	197,851,906 Shares	197,851,906 Shares	197,851,906 Shares
	Funds raised	\$1,681,741	\$3,363,482	\$6,726,965
2,638,025,418 (100% increase)	10% voting dilution	263,802,541 Shares	263,802,541 Shares	263,802,541 Shares
	Funds raised	\$2,242,322	\$4,484,643	\$8,969,286

The table has been prepared on the following assumptions:

- (i) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.
 - (ii) No listing Options (including any listed Options issued under the 10% Placement Facility) are exercised into Shares before the date of the issue of the Equity Securities;
 - (iii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example at 10%.
 - (iv) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on the Shareholder's holding at the date of the Meeting.
 - (v) The table shows only the effect of issue of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.
 - (vi) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes listed Options, it is assumed that those listed Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
 - (vii) The issue price is \$0.017, being the closing price of the Shares on ASX on 30 September 2022.
- (c) The Company will only issue the Equity Securities during the 10% Placement Period. The approval under Resolution 3 for the issue of the Equity Securities will cease to be valid in the event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).
- (d) The Company may seek to issue the Equity Securities for the following purposes:
- (i) acquisition of new assets or investments (including expense associated with such acquisition);
 - (ii) continued exploration expenditure on the Company's current assets; and
 - (iii) general working capital.

The Company will comply with the disclosure obligations under Listing Rule 7.1A.4 upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of the Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of Notice but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

4.5 Previous approval under Listing Rule 7.1A

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 29 November 2021 (**Previous Approval**).

During the 12-month period preceding the date of the Meeting, being on and from 29 November 2021, the Company has not issued any Shares pursuant to the Previous Approval.

At the date of the Notice, the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing Shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

If Resolution 3 is not passed, the Company will be limited to the 15% placement capacity under the ASX Listing Rules.

5. Resolution 4 – Replacement of Constitution

5.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of shareholders.

Resolution 4 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and Listing Rules.

This will incorporate amendments to the Corporations Act and Listing Rules since the current Constitution was adopted on 19 March 2018.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution.

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website tarugaminerals.com.au and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 417 978 955). Shareholders are invited to contact the Company if they have any queries or concerns.

Summary of material proposed changes

5.2 Restricted Securities (clause 2.12)

The Proposed Constitution complies with the changes to Listing Rule 15.12 which took effect from 1 December 2019. As a result of these changes, ASX will require certain more significant holders of restricted securities and their controllers (such as related parties, promoters, substantial holders, service providers and their associates) to execute a formal escrow agreement in the form Appendix 9A, as is currently the case. However, for less significant holdings (such as non-related parties and non-promoters), ASX will permit the Company to issue restriction notices to holders of restricted securities in the form of the new Appendix 9C advising them of the restriction rather than requiring signed restriction agreements.

5.3 Minimum Securityholding (clause 3)

Clause 3 of the Constitution outlines how the Company can manage securityholdings which represent an “unmarketable parcel” of securities, being a securityholding that is less than \$500 based on the closing price of the Company’s securities on ASX as at the relevant time.

The Proposed Constitution is in line with the requirements for dealing with “unmarketable parcels” outlined in the Corporations Act such that where the Company elects to undertake a sale of unmarketable parcels, the Company is only required to give one notice to holders of an unmarketable parcel to elect to retain their securityholding before the unmarketable parcel can be dealt with by the Company, saving time and administrative costs incurred by otherwise having to send out additional notices.

Clause 3 of the Proposed Constitution continues to outline in detail the process that the Company must follow for dealing with unmarketable parcels.

5.4 Joint Holders (clause 9.8)

CHESS is currently being replaced by ASX with a projected go-live date of April 2023. As part of the CHESS replacement, the registration system will be modernised to record holder registration details in a structured format that will allow up to four joint holders of a security. Clause 9.8 of the Proposed Constitution provides that the number of registered joint holders of securities shall be as permitted under the Listing Rules and the ASX Settlement Operating Rules.

5.5 Capital Reductions (clause 10.2)

The Proposed Constitution now permits sales of unmarketable parcels to a sale nominee as part of a capital reduction.

5.6 Direct Voting (clause 13, specifically clauses 13.35 – 13.40)

The Proposed Constitution includes a new provision which allows Shareholders to exercise their voting rights through direct voting (in addition to exercising their existing rights to appoint a proxy). Direct voting is a mechanism by which Shareholders can vote directly on resolutions which are to be determined by poll. Votes cast by direct vote by a Shareholder are taken to have been cast on the poll as if the Shareholder had cast the votes on the poll at the meeting. In order for direct voting to be available, Directors must elect that votes can be cast via direct vote for all or any Resolutions and determine the manner appropriate for the casting of direct votes. If such a determination is made by the Directors, the notice of meeting will include information on the application of direct voting.

5.7 Use of technology (clause 14)

The Proposed Constitution includes a new provision to permit the use of technology at general meetings (including wholly virtual meetings) to the extent permitted under the Corporations Act, Listing Rules and applicable law.

5.8 Meeting at more than one place (clause 14.1)

The Proposed Constitution includes a provision at clause 14.1 to expressly permit the Company to hold ‘hybrid meetings’ – that being meetings which are held partly in person and partly by virtual technology. The Proposed Constitution allows Shareholders to elect how they wish to attend hybrid meetings.

5.9 Virtual Meetings (clause 14.1)

The recent updates to the Corporations Act, (by way of the *Corporations Amendment (Meetings and Documents) Act 2022* (Cth)), provides that a company may use technology to allow Shareholders to attend general meetings virtually if a wholly virtual meeting is expressly permitted in the company’s constitution.

The Proposed Constitution includes a provision which allows a meeting of Shareholders to be held by virtual means only, which provides greater flexibility for the Company and Shareholders. Any technology used at a general meeting must give Shareholders as a whole a reasonable opportunity to participate in the meeting.

5.10 Notice (clause 14.2)

The *Corporations Amendment (Meetings and Documents) Act 2022* (Cth) permits a notice of meeting and any other information provided with that notice to be communicated using technology. For example, an entity may send its shareholders an email setting out or attaching a notice of meeting and other material relating to that notice of meeting (for example, a proxy form). Alternatively, an entity may send an email to its shareholders with a link to whether the notice and other materials can be viewed or downloaded. In circumstances where the entity does not have the email address for certain shareholders, the entity may send a letter or postcard setting out a URL for viewing or downloading the notice and other materials.

Shareholders may elect to receive documents in a physical form or electronically and the Company must provide that member with the documents in the form based on the shareholder’s election (unless it falls under ASIC’s emergency power to grant relief).

The Proposed Constitution makes it clear at clause 14.2, that unless the applicable law otherwise provides, a notice of meeting and proxy form do not need to be provided physically in writing, and that the Company may provide a notice of meeting and proxy form to Shareholders electronically.

Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 4.

For your proxy appointment to be effective it must be received by **11:00am (AWST) on Tuesday, 22 November 2022.**

Proxy Form

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.

Power of Attorney: If you have not already lodged the Power of Attorney with the registry, please attach a certified photocopy of the Power of Attorney to this form when you return it.

Companies: Where the company has a Sole Director who is also the Sole Company Secretary, this form must be signed by that person. If the company (pursuant to section 204A of the Corporations Act 2001) does not have a Company Secretary, a Sole Director can also sign alone. Otherwise this form must be signed by a Director jointly with either another Director or a Company Secretary. Please sign in the appropriate place to indicate the office held.
