### Pilbara Iron Ore Project (PIOP)

During the quarter ended 30 September 2022 and prior to the termination of the FIA, BBIH Pty Limited (**BBIH**), a wholly owned subsidiary of BBIG, continued to progress the development of the PIOP integrated project focusing on required rehabilitation projects.

### Corporate

On 5 September 2022, the Company advised shareholders that the Company's FIA with BBIG had been terminated. The termination of the FIA by BBIG enables Flinders to pursue a more flexible and staged development of its PIOP as sole owner.

Preliminary discussions with third parties on a staged development of PIOP, which were initially enabled by the grant of a waiver by BBIG of various restrictions/agreements and were subsequently aided by the FIA termination, were progressed in the quarter, and continue to do so.

As previously stated, Flinders considers that a staged development of PIOP, encompassing a Stage One lower volume and near-term trucking operation, is the optimum strategy to commence operations on site and provide a near term cashflow.

BBIG remains important to Flinders as it continues to investigate the development of Stage Two of PIOP, a higher volume operation involving rail, road and/or port facilities. Discussions continue between Flinders and BBIG under the Non-Binding Indicative Offer (NBIO) on how Flinders might access BBIG's infrastructure solutions.

There is no guarantee that the Proposed Transaction or any transaction will eventuate from these discussions and negotiations.

Mr Daniel Harris was appointed as an independent Non-Executive Director on 8 August 2022, replacing Mr Neil Warburton who resigned effective 30 June 2022. Post the end of the quarter, Mr Rob Foster was appointed as a nominee Non-Executive Director of the Company's major shareholder, TIO (NZ) Limited, effective 6 October 2022. Mr Foster replaced Mr Evan Davies, who resigned from the Board on 11 April 2022. Biographies of Messrs Harris and Foster can be found in the announcements on 8 August 2022 and 6 October 2022, respectively.

### Financial

As at 30 September 2022, the Company possessed \$2,232,000 in cash. Subsequent to the end of the September 2022 quarter, Flinders advised that in accordance with the provisions of the FIA between the Company and BBIG, the termination amount is \$11.668 million, of which \$9.045 million was received in October 2022, with the remaining \$2.624 million to be contributed to the rehabilitation program currently being progressed by BBIG under a Services Agreement dated 2 September 2022.

Further, the varied Loan Facility, as announced on 1 July 2022, with PIO Mines Pty Ltd, a subsidiary of the Company's major shareholder TIO (NZ) Limited, was repaid in October with the outstanding loan amount comprising \$1,261,291.71 principal and \$16,970.39 interest totalling \$1,278,262.10.

The Company's expenditure during the quarter was focused on negotiations on a Potential Transaction with BBIG and commercial negotiations with potential Phase One partners, and no substantive direct exploration activities were undertaken by the Company on Canegrass.

The Company notes that during the quarter, a total of \$97,000 was paid to related parties, including Directors and their associates. Non-executive Director fees paid to TIO (NZ) Limited for the quarter, the major shareholder of the Flinders Mines Limited, were \$13,000 for Director services provided by Mr Michael Wolley. Mr Wolley is no longer an employee of TIO (NZ) Limited, however remains as a nominee director of TIO (NZ) Limited. He was therefore paid \$4,000 directly for his services. The Company's independent Directors, Messrs Harris, Gurry and Ms Edwardes received a combined \$62,000, and \$18,000 was paid to Ms Jiang, a nominee of the Company's second largest shareholder, OCJ Investment (Australia) Pty Ltd.
