**About DigitalX**

DigitalX Limited (ASX: DCC, OTCQB: DGGXF) is a technology and investment company focused on blockchain consulting, digital asset funds management, and RegTech. DigitalX's consulting division designs and develops blockchain technology applications for business and enterprise organizations. Through its asset management division, DigitalX provides low-cost traditional asset management products for qualified investors looking to gain exposure to the growing alternative asset class of digital assets, including Bitcoin. DigitalX is currently commercialising Drawbridge, the Company's first RegTech solution that supports listed companies in better managing their compliance and corporate governance policies. With Drawbridge, companies can manage employee and director share trading approvals in order to safeguard their reputations.
