EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2022 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.resourcebase.com.au.

1. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

1.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

1.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

1.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR PAUL HISSEY

2.1 General

Pursuant to clause 14.2 of the Company's Constitution, at the Company's annual general meeting in every year, one-third of the Directors for the time being, or, if their number is not a multiple of 3, then the number nearest one-third, shall retire from office provided always that no Director except a Managing Director shall hold office for a period in excess of 3 years, or until the third annual general meeting following his or her appointment, whichever is the longer, without submitting himself for re-election. The Directors to retire at an annual general meeting are those who have been longest in office since their last election. A retiring Director is eligible for re-election. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of Maurice Feilich.

Mr Feilich has confirmed that he considers he will have sufficient time to fulfil his responsibilities as a Director of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Director of the Company

4.5 Board Recommendation

The Board considers that Mr Feilich's skills and experience will enhance the Board's ability to perform its role. Accordingly, the Board (other than Mr Feilich) supports the election of Mr Feilich and recommends that Shareholders vote in favour of Resolution 4.

5. RESOLUTION 5 – ELECTION OF BRENT PALMER AS DIRECTOR

5.1 General

Pursuant to clause 14.4 of the Company's Constitution, the Directors may at any time appoint a person to be a Director, either to fill a casual vacancy or as an addition to the existing Directors, but so that the total number of Directors does not at any time exceed the maximum number specified by the Constitution. Any Director so appointed holds office only until the next following annual general meeting and is then eligible for re-election but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Brent Palmer, having been appointed by the Directors on 29 September 2022, retires in accordance with the clause 14.4 of the Company's Constitution and ASX Listing Rule 14.4 and, being eligible, seeks election from Shareholders.

5.2 Qualifications and other material directorships

Mr Palmer holds a Bachelor of Commerce degree with a major in Property from Curtin University, together with a Post Graduate degree in Mineral and Energy Economics from the WA School of Mines. Mr Palmer has around 10 years' experience in capital markets, specialising in trading and analysis of small caps.

He is a founding director of Bluebird Capital, a project generation, investment and corporate advisory business, and was the original founder of the Mitre Hill Project, pegging the initial claim and divesting the asset to Resource Base Limited. He has built a comprehensive network and strong stockbroker relationships across Australia.

Mr Palmer is a member of the Australian Institute of Company Directors (GAICD).

5.3 Independence

If elected, the Board considers Mr Feilich to be an Independent Director.

5.4 Other Material Information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of Brent Palmer.

Mr Palmer has confirmed that he considers he will have sufficient time to fulfil his responsibilities as a Director of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Director of the Company

5.5 Board Recommendation

The Board considers that Mr Palmer's skills and experience will enhance the Board's ability to perform its role. Accordingly, the Board (other than Mr Palmer) supports the election of Mr Palmer and recommends that Shareholders vote in favour of Resolution 5.

6. RESOLUTIONS 6 AND 7 – APPROVAL OF ISSUE OF OPTIONS TO DIRECTORS

6.1 General

Messrs Feilich and Palmer have both accepted a reduced cash component of remuneration on their appointment to the Board to enable the Company to spend a greater proportion of its cash reserves on operations. As such, the Company has agreed to issue 3,000,000 Options in aggregate to Messrs Feilich and Palmer (or their respective nominees) (**Director Options**) in order to provide a performance linked incentive, align the interests of the Directors with the those of shareholders, and to motivate and reward performance.

The Director Options will be issued for nil cash consideration, exercisable at \$0.20 each and expire on or before the date that is 5 years after the date of issue. The full terms and conditions of the Director Options are detailed in Schedule 1.

Resolutions 6 to 7 seek Shareholder approval to issue the Director Options to Messrs Feilich and Palmer (or their respective nominees). Resolutions 6 to 7 are ordinary resolutions.

6.2 ASX Listing Rule 10.11

ASX Listing Rule 10.11 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, a listed entity must not issue or agree to issue securities to any of the following, unless it obtains shareholder approval by ordinary resolution:

- (a) a related party;
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the entity;
- (c) person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the entity and who has nominated a director to the board of the entity pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) an associate of a person referred to in items (a) - (c) above; or
- (e) a person whose relationship with the entity, or a person referred to items (a) - (d) above is such that in ASX's opinion, the issue or agreement should be approved its Shareholders.

As each of Maurice Feilich and Brent Palmer are Directors of the Company, they are considered related parties under item (a) above and accordingly, shareholder approval is required under ASX Listing Rule 10.11.

Resolutions 6 and 7 seek the requisite shareholder approval to the issue of Director Options under and for the purposes of ASX Listing Rule 10.11.

If shareholders approve Resolutions 6 and 7, the Company will be able to proceed with the issue of Director Options to Maurice Feilich and Brent Palmer and/or their nominees on the terms and conditions as set out in this Notice of Meeting.

If shareholders do not approve Resolutions 6 and 7, the Company will not be able to issue the Director Options to Maurice Feilich and Brent Palmer and/or their nominees and the Board would need to consider alternative remuneration arrangements.

To ensure the Company can attract and retain the right talent and align the interests of directors with those of shareholders, the Board considers it is important for the Company to offer incentives to its Directors that are in line with market practice.

6.3 Section 208 of the Corporations Act

Section 208(1) of the Corporations Act provides that a public company must not, without the approval of the Company's members, give a financial benefit to a related party unless an exception to the prohibition as set out in sections 210 to 216 of the Corporations Act applies to that issue.

As Directors of the Company, Maurice Feilich and Brent Palmer are related parties of the Company for the purposes of section 228(2) Corporations Act. The issue of the Director Options proposed under Resolutions 6 and 7 will constitute the giving of a financial benefit to a related party for the purposes of section 229(3)(e) of the Corporations Act.

The Board has resolved that the grant of Director Options to each of Maurice Feilich and Brent Palmer (with each abstaining from the approval of the issue of their own Director Options) constitutes reasonable remuneration within the meaning of section 211(1) of the Corporations Act as the Company wishes to maximise the use of its cash resources towards the Company's

development and equity based incentives, such as options, are used to supplement cash based remuneration.

For the reasons set out above, shareholder approval is not required under section 208(1) of the Corporations Act, however approval is still required for the purposes of ASX Listing Rule 10.11.

(j) **Voting exclusion statement**

A voting exclusion statement is included in the Notice of Meeting preceding this Explanatory Statement.

6.5 Board Recommendation

Maurice Feilich declines to make a recommendation to Shareholders in relation to Resolution 6 due to his material personal interest in the outcome of the Resolution on the basis that he is to be issued the Director Options should Resolution 6 be passed.

Mr Paul Hissey recommends that Shareholders vote in favour of Resolution 6.

Ms Ailsa Osborne does not recommend that Shareholders vote in favour of Resolution 6 for the following reasons:

- the issue of options was not contemplated by the Board on the appointment of the Director on 29 September 2022; and
- there has been no opportunity to determine if additional remuneration is appropriate, and if so the extent of that additional remuneration.

Brent Palmer declines to make a recommendation to Shareholders in relation to Resolution 7 due to his material personal interest in the outcome of the Resolution on the basis that he is to be issued the Director Options should Resolution 7 be passed.

Mr Paul Hissey recommends that Shareholders vote in favour of Resolution 7.

Ms Ailsa Osborne does not recommend that Shareholders vote in favour of Resolution 7 for the following reasons:

- the issue of options was not contemplated by the Board on the appointment of Mr Palmer on 29 September 2022; and
- there has been no opportunity to determine if additional remuneration is appropriate, and if so the extent of that additional remuneration.

7. BACKGROUND TO RESOLUTIONS 8, 9 AND 10 - PLACEMENT

On 24 October 2022, the Company announced a placement of 8,050,000 Shares at an issue price of \$0.075 per Share (**Placement Shares**) to raise up to approximately \$603,750 (before costs) (**October 2022 Placement**). The Company also announced that Directors Mr Maurice Feilich and Mr Brent Palmer would also participate in the October 2022 Placement for an additional \$150,000 (in aggregate) on the same terms and conditions (**Director Placement Shares**), for a combined capital raise of approximately \$750,000 (before costs). For further information, please refer to the ASX announcement dated 24 October 2022.

The Director Placement Shares comprise 1,333,333 Shares (valued at \$100,000) and 666,667 Shares (valued at \$50,000) to be issued to Directors Mr Maurice Feilich and Mr Brent Palmer respectively, subject to Shareholder approval under Resolutions 9 and 10.

The total number of Placement Shares to be issued under the October 2022 Placement are within the Company's existing placement capacity under ASX Listing Rule 7.1.

Funds raised under the October 2022 Placement will be used to progress the Mitre Hill REE project to a targeted JORC resource by Q1 CY2023, for new project evaluation and for general working capital purposes.

Resolution 8 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

Resolutions 9 and 10 seek Shareholder approval to issue the Director Placement Shares to Directors Mr Maurice Feilich and Mr Brent Palmer respectively.

8. RESOLUTION 8 – RATIFICATION OF ISSUE OF OCTOBER 2022 PLACEMENT SHARES

8.1 Background

As stated in section 7 of the Explanatory Statement, the purpose of Resolution 8 is for Shareholders to ratify the issue of the Placement Shares, pursuant to Listing Rule 7.1. The Placement Shares were issued by way of a placement without Shareholder approval, as announced to the ASX on 24 October 2022.

8.2 Regulatory requirements

Listing Rule 7.1 provides that a company must not, subject to specified exceptions, issue or agree to issue more Equity Securities during any 12-month period than that amount which represents 15% of the number of fully paid ordinary securities on issue at the commencement of that 12-month period.

The issue of the Placement Shares does not fit within any of these exceptions and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without shareholder approval under Listing Rule 7.1 for the 12-month period following the date of issue of the Placement Shares.

Listing Rule 7.4 sets out an exception to Listing Rule 7.1. It provides that where a company in general meeting ratifies the previous issue of securities made without shareholder approval under Listing Rule 7.1 (and provided that the previous issue did not breach Listing Rule 7.1) those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1 and so it does not reduce the Company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

If Resolution 8 is passed, the issue of the Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities the Company can issue without shareholder approval over the 12-month period following the date of issue of the Placement Shares.

If Resolution 8 is not passed, the issue of the Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without shareholder approval over the 12-month period following the date of issue of the Placement Shares.

In compliance with the information requirements of Listing Rule 7.5, Shareholders are advised of the following information:

(a) The names of the persons to whom the entity issued or agreed to issue the securities or the basis on which those persons were identified and selected

The Placement Shares were issued to sophisticated, professional or other exempt investors, all of whom were not related parties of the Company.

The subscribers were introduced by the Company's management. None of the investors were material investors in the company.¹

(b) Number of securities and class of securities issued

8,050,000 Shares were issued pursuant to Listing Rule 7.1.

(c) Terms of the securities

The Placement Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.

(d) Date of issue

The Placement Shares are proposed to be issued on 8 November 2022.

(e) Issue price or other consideration

The Placement Shares are to be issued at \$0.075 per Share.

(f) Purpose of the issue, including the intended use of the funds raised

The proceeds from the issue of the Placement Shares will primarily be used to progress the Mitre Hill REE project to a targeted JORC resource by Q1 CY2023, for new project evaluation and for general working capital purposes.

(g) Relevant agreement

The Placement Shares were issued pursuant to a placement agreement with each individual investor that included terms usual for agreements of this nature.

(h) Voting exclusion statement

A Voting Exclusion Statement has been provided for Resolution 8 in the Voting Prohibition Statement section of this Notice of Meeting.

8.3 Board Recommendation

The Directors, recommend that Shareholders vote in favour of Resolution 8.

¹ ASX consider the following to be material investors:

(i). a related party of the entity;
(ii). a member of the entity's Key Management Personnel;
(iii). a substantial holder in the entity;
(iv). an adviser to the entity; or
(v). an associate of any of the above,
where such person or entity is being issued more than 1% of the entity's current issued capital.

9. RESOLUTIONS 9 AND 10 APPROVAL TO ISSUE DIRECTOR PLACEMENT SHARES

9.1 General

As stated in section 7, the Company announced on 24 October 2022 that Directors Mr Maurice Feilich and Mr Brent Palmer had committed to invest \$150,000 (in aggregate) by participating in the October 2022 Placement, subject to the Company receiving shareholder approval.

Accordingly, Resolutions 9 and 10 seek Shareholder approval for the issue of the Director Placement Shares.

9.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act regulates the provision of “financial benefits” to “related parties” by a public company. Chapter 2E prohibits a public company from giving a financial benefit to a related party of the public company unless either:

- (a) the giving of the financial benefit falls within one of the nominated exceptions to the provisions; or
- (b) prior shareholder approval is obtained to the giving of the financial benefit.

A “related party” is widely defined under the Corporations Act and includes the directors of a company. As such, the Directors of the Company are related parties of the Company for the purposes of section 208 of the Corporations Act.

A “financial benefit” is construed widely and in determining whether a financial benefit is being given, section 229 of the Corporations Act requires that any consideration that is given is disregarded, even if the consideration is adequate. It is necessary to look at the economic and commercial substance and the effect of the transaction in determining the financial benefit. Section 229 of the Corporations Act includes as an example of a financial benefit, the issuing of securities or the granting of an option to a related party.

Each issue of the Director Placement Shares under Resolutions 9 and 10 constitutes the provision of a financial benefit to related parties of the Company under section 228 of the Corporations Act by virtue of each issue being to Directors of the Company. However, it is the view of the Directors that the proposed issue of the Director Placement Shares fall within the “arm’s length” exception under section 210 of the Corporations Act because the Director Placement Shares will be issued on the same terms as the Placement Shares are proposed to be issued to non-related parties on 8 November 2022. Accordingly, the Directors have determined not to seek Shareholder approval for the purposes of section 208 Corporations Act for the issue of the Director Placement Shares to the Directors.

9.3 ASX Listing Rule 10.11

ASX Listing Rule 10.11 provides that unless one of the exceptions in ASX Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities to:

- (a) a related party;
- (b) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- (c) a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the

board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;

- (d) an associate of a person referred to in ASX Listing Rules 10.11.1 to 10.11.3; or
- (e) a person whose relationship with the company or a person referred to in ASX Listing Rule 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless the issue has been approved by holders of ordinary securities.

The issue of the Director Placement Shares falls within ASX Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. Accordingly, the Director Placement requires Shareholder approval under ASX Listing Rule 10.11.

Resolutions 9 and 10 seek the required Shareholder approval for the issue of the Director Placement Shares under and for the purposes of ASX Listing Rule 10.11.

If Shareholders approve Resolutions 9 and 10, the Company will be able to proceed with the issue of the Director Placement Shares on the terms and conditions as set out in this Notice of Meeting.

If Shareholders do not approve Resolutions 9 and 10, the Company will not be able to proceed with the issue of the Director Placement Shares.

Accordingly, under Resolutions 9 and 10, the Company seeks approval from Shareholders for the issue of Director Placement Shares to the Directors, who by virtue of their position as Directors of the Company are related parties of the Company.

ASX Listing Rule 10.13

In compliance with the information requirements of ASX Listing Rule 10.13, Shareholders are advised of the following information:

- (a) the Director Placement Shares will be issued to Maurice Feilich and Brent Palmer (or their nominees), who fall within the category set out in Listing Rule 10.1.1, as each is a related party of the Company by virtue of being a Director;
- (b) the maximum number of Director Placement Shares to be issued to each of Messrs Feilich and Palmer (or their nominees) is as follows:

Director	Number of Director Placement Shares	Total Consideration
Maurice Feilich	1,333,333	\$100,000
Brent Palmer	666,667	\$50,000

- (c) the Director Placement Shares will be fully paid ordinary shares in the capital of the Company issued on the same terms as the Company's existing Shares;
- (d) the Director Placement Shares will be issued no later than 1 month after the date of the Meeting and it is anticipated that the Director Placement Shares will be issued on the day after the Meeting;
- (e) the issue price will be \$0.075 per Share, being the same issue price as Shares issued to participants in the October 2022 Placement. The Company will not receive any other consideration for the issue of the Director Placement Shares;

- (f) the purpose of the issue of the Director Placement Shares is to to progress the Mitre Hill REE project to a targeted JORC resource by Q1 CY2023, for new project evaluation and for general working capital purposes;
- (g) the Director Placement Shares are not intended to remunerate or incentivise Messrs Feilich or Palmer;
- (h) the Director Placement Shares are not being issued pursuant to an agreement; and
- (i) a Voting Exclusion Statement has been provided for Resolutions 9 and 10 in the Voting Prohibition Statement section of this Notice of Meeting.

9.4 Directors' recommendation

The Directors (with Mr Feilich abstaining) recommend that you vote in favour of Resolution 9.

Ms Ailsa Osborne does not recommend that Shareholders vote in favour of Resolution 9, it is Ms Osbornes position that it is pre-emptive to raise capital prior to the release of the JORC resource. The Company has sufficient cash reserves to fund the completion of the JORC resource by Q1 CY2023. The release of the resource is a significant milestone and provides the catalyst for the Company to consider new project evaluations and / or raise funds.

The Directors (with Mr Palmer abstaining) recommend that you vote in favour of Resolution 10.

Ms Ailsa Osborne does not recommend that Shareholders vote in favour of Resolution 10, it is Ms Osbornes position that it is pre-emptive to raise capital prior to the release of the JORC resource. The Company has sufficient cash reserves to fund the completion of the JORC resource by Q1 CY2023. The release of the resource is a significant milestone and provides the catalyst for the Company to consider new project evaluations and / or raise funds.

10. RESOLUTION 11 – APPOINTMENT OF BDO AUDIT PTY LTD AS AUDITOR

10.1 General

As announced on the ASX on 20 May 2022, BDO Audit Pty Ltd (BDO) was appointed auditor of the Company following the resignation of Elderton Audit Pty Ltd (Elderton). ASIC consented to the resignation in accordance with section 329(5) of the Corporations Act. The change of auditor arose following a review and consultation process with the Board citing BDO's direct experience and reputation in the resources sector as key to the appointment.

As a result of the timing of the change, BDO filled a casual vacancy in accordance with section 327C(1) of the Corporations Act. Under section 327C(2) of the Corporations Act, an auditor who has been appointed under section 327C(1) only holds office until the Company's next annual general meeting. The Company is required to appoint an auditor to fill any vacancy at each annual general meeting (after its first annual general meeting) pursuant to section 327B(1)(b) of the Corporations Act.

Pursuant to section 328B(1) of the Act, the Company received a valid notice of nomination from a Shareholder for BDO Audit to be appointed as the Company's auditor. A copy of the nomination is attached as Annexure A to this Notice.

BDO has provided the Company with its written consent to act as auditor of the Company in accordance with s328A(1) of the Act, subject to Shareholder approval being obtained at this Meeting.

If Resolution 11 is passed, the appointment of BDO as the Company's auditor will take effect from the close of this meeting.

10.2 Board recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 11.

11. RESOLUTION 12 – APPROVAL OF 7.1A MANDATE

11.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period, to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (7.1A Mandate).

An 'eligible entity' means an entity that is not included in the S&P/ASX300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$4,615,874 (based on the number of Shares on issue and the closing price of Shares on the ASX on 25 October 2022).

Resolution 9 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Shareholders approve Resolution 12, the Company will be able to issue Equity Securities up to the combined 25% limited in Listing Rule 7.1 and 7.1A without any further Shareholder approval.

If Resolution 12 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Resolution 12 is a special resolution. Accordingly, at least 75% of votes cast by Shareholders entitled to vote on the Resolution must be in favour of Resolution 9 for it to be passed.

11.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 12:

(a) Period for which the 7.1A Mandate is valid

Equity Securities under the 7.1A Mandate may be issued until the earlier of:

- (i) the date that is 12 months after the date of this Meeting; or
- (ii) the time and date of the Company's next annual general meeting; or
- (iii) the time and date of the approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change to the Company's nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum Price**

Pursuant to Listing Rule 7.1A, Equity Securities must be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date above, the date on which the Equity Securities are issued.

Equity Securities that may be issued under Listing Rule 7.1A will only be in an existing quoted class of securities and be issued for cash consideration only.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the exploration and development of the Company's existing assets, the acquisition of new assets or investments (including expenses associated with such an acquisition), to repay debt or to fund working capital.

(d) **Risk of Economic and Voting Dilution**

The issue of Equity Securities under the 7.1A Mandate will result in dilution of the interests of existing Shareholders who do not receive any Shares under the issue. There is also the risk that:

- (i) the market price for Equity Securities in that class may be significantly lower on the issue date than on the date of this Meeting; and
- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for those Equity Securities on the issue date.

If Resolution 9 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2 on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 25 October 2022.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Issue Price		
			\$0.041	\$0.082	\$0.123
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	56,291,152	5,629,115	\$ 230,794	\$ 461,587	\$ 692,381
50% increase	84,436,728	8,443,673	\$ 346,191	\$ 692,381	\$ 1,038,572
100% Increase	112,582,304	11,258,230	\$ 461,587	\$ 923,175	\$ 1,384,762

*The number of Shares on issue (Variable A in the formula) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future placements under Listing Rule 7.1 that are issued with Shareholder approval.

The above table is based on the following assumptions:

1. The number of Shares on issue (Variable A) is calculated as 56,291,152 being all the Shares on issue as at the date of this Notice.
2. The issue price of \$0.0820 was the closing price of Shares on ASX on 25 October 2022.
3. The Company issues the maximum number of Equity Securities available under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate includes only Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The table shows only the issue of Equity Securities under the 7.1A Mandate and not under Listing Rule 7.1.
7. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

(e) Allocation policy under the 7.1A Mandate

The Company's allocation policy for issues under the 7.1A Mandate is dependent on prevailing market conditions at the time of any proposed issue. The identity of the allottees of the Equity Securities will be determined on a case-by-case basis having regard to factors including, but not limited to, the following:

- (i) the purpose of the issue;
- (ii) the methods of raising funds that are available to the Company at that time, including but not limited to, rights issues or other issues in which existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial situation and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from the Company's corporate, financial and broking advisors (if applicable).

The Company has no current plans to undertake a new capital raising using its 7.1A Mandate. As such, the allottees under the 7.1A Mandate have not yet been determined. In the event that such an exercise was to be undertaken, allottees may include existing substantial Shareholders and/or new Shareholders who are not related parties, or associates of a related party, of the Company.

(f) **Previous approval under Listing Rule 7.1A**

The Company did not obtain approval under Listing Rule 7.1A at its annual general meeting held on 16 December 2022. Accordingly, the Company has not issued any Equity Securities under Listing Rule 7.1A.2 in the 12 months preceding the date of this Meeting.

11.3 Board recommendation

The Board believes this Resolution is in the best interests of the company and unanimously recommend that Shareholders vote in favour of this Resolution.

11.4 Voting exclusion statement

A voting exclusion statement has been included in this Notice. However, as at the date of this Notice, the Company has not approached any persons to participate in the issue of equity securities under the 7.1A Mandate. No existing Shareholders' votes will therefore be excluded under the voting exclusion in the Notice.

If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.
