Your right to elect to receive documents electronically or physically

The *Corporations Amendment (Meetings and Documents) Act 2022* includes a requirement for public companies and listed companies to give shareholders notice of their right to elect to be sent documents electronically or physically by the company in section 110K of the Corporations Act (2001) (Cth) (Act).

Recent legislative changes to the Corporations Act 2001 (Cth) mean there are new options for how Terra Uranium Limited ("T92" or the "Company") shareholders receive communications. The Company will no longer send physical meeting documents unless a shareholder requests a copy to be mailed.

Providing your email address to receive shareholder communications electronically

The Company encourages all shareholders to provide an email address so we can provide investor communications electronically when they become available online, which includes items such as meeting documents and annual reports.

By providing your email address, you will:

- Support the company by reducing the cost of mailing/postage
- Receive your investor communications faster and in a more secure way
- Help the environment through the need for less paper

How do I update my communications preferences?

Shareholders can still elect to receive some or all of their communications in physical or electronic form or elect not to receive certain documents such as annual reports. To review your communications preferences, or sign up to receive your shareholder communications via email, please update your communication preferences at <https://investor.automic.com.au/>
