## 3. Resolution 1: Adoption of Remuneration Report

---

### 3.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the Company's remuneration arrangements for the directors and senior management of the Company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

### 3.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the Company who were in office when the directors' report (as included in the Company's annual financial report for the most recent financial year) was approved, other than the

# Notice of Annual General Meeting

managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

### 8.1 Background

The Company announced on 29 November 2021 that it had entered into a six month option agreement (**Option Agreement**) with Carolina Lithium Pty Ltd (**Carolina Lithium**) to acquire all the shares in Carolina Lithium (**Sale Shares**). On 7 March 2022, the Company exercised its option to acquire the Sale Shares pursuant to the Option Agreement (**Carolina Lithium Acquisition**).

Carolina Lithium is entitled to become the beneficial owner of Arlupo SA (**Arlupo**), a company registered in Argentina. Arlupo holds, amongst other rights, the rights to the acquisition of the Luz Maria tenement

# Notice of Annual General Meeting

(**Option**), being a tenement prospective for lithium brine deposits in Catamarca, Argentina known as the Carachi Pampa Lithium Project (**Luz Maria**) pursuant to a letter of offer (**Offer Agreement**) with Crydon SA (**Owner**). The Company announced that the Option to acquire Luz Maria had been secured on 25 February 2022.

As further announced on 24 May 2022, the Company has exercised its Option to acquire Luz Maria on the terms as set out in the announcement dated 24 May 2022.

Following the exercise of the Option the Company entered into the Definitive Agreement dated 10 June 2022 (**Definitive Agreement**). Pursuant to the Definitive Agreement, the Company has agreed to issue to the Owner, subject to shareholder approval, 1,000,000,000 fully paid ordinary shares in the Company in part consideration for the acquisition of Luz Maria (**Consideration Shares**).

## 8.2 Previous Approval at EGM on 10 August 2022

The Company sought and obtained approval under Listing Rule 7.1 at the general meeting held on 10 August 2022 for the issue of the Consideration Shares to the Owner (or its nominees). However, the Company did not receive settlement instructions from the Owner until 19 September 2022. The settlement instructions provided that one of the three nominees would be Mr Juan Santos, who had become by that time a related party through his appointment as a director of the Company on 2 August 2022.

Mr Santos and his associates have been nominated by the Owner to receive 500,000,000 of the Consideration Shares, and will therefore need to receive approval under Listing Rule 10.11. The two other nominees are not related parties, and will not require this approval for their combined 500,000,000 fully paid ordinary shares.

## 8.3 Listing Rule 10.11

Listing Rule 10.11 provides that, unless a specified exception applies, a company must not issue or agree to issue Equity Securities to a related party or an associate of a related party (among others) without the approval of its shareholders. A “related party”, for the purposes of the Listing Rules includes the directors of a company.

As such, Shareholder approval is sought under Listing Rule 10.11 as Resolution 6 proposes the issue 500,000,000 Consideration Shares to Mr Santos and his associates. Mr Santos is a related party of the Company by virtue of his directorship.

As Shareholder approval is being sought under Listing Rule 10.11, approval is not also required under Listing Rule 7.1 and these Consideration Shares will not count towards the Company's placement capacity. If Resolution 6 is passed, Mr Santos and his associates will be issued with 500,000,000 Consideration Shares in aggregate. If Resolution 6 is not passed, then Mr Santos and his associates will not be issued with 500,000,000 Consideration Shares.

## 8.4 Listing Rule 10.13

In compliance with the information requirements of Listing Rule 10.13, Shareholders are advised of the following information:

### (a) Names of person(s) to receive securities

Mr Juan Santos and his siblings, Daniel and Luz Maria.

### (b) Maximum number of securities to be issued

The maximum number of securities to be jointly acquired by Mr Santos and his siblings under Resolution 6 is 500,000,000 Consideration Shares.

### (c) Date of issue

The Shares will be issued no later than 1 month after the date of the Annual General Meeting (or such later date as permitted by ASX waiver or modification of the Listing Rules).

### (d) Relationship with the Company

The Shares are proposed to be issued jointly to:

- Mr Juan Santos, who is a related party of the Company by virtue of being a Director of the Company and falls into the category stipulated by Listing Rule 10.11.1; and

# Notice of Annual General Meeting

- his siblings, Daniel and Luz Maria who fall into the category stipulated by Listing Rule 10.11.4 as they are associates of Mr Santos.

**(e) Issue price**

The Consideration Shares will be issued at a deemed issue price of \$0.01 per Share, however no funds will be raised as they are being issued as consideration for the acquisition of Luz Maria.

**(f) Terms of issue**

The Consideration Shares will be issued in consideration for the exercise of the Option to acquire the Luz Maria tenements, pursuant to the terms of the Definitive Agreement. A summary of the material terms of the Definitive Agreement is set out in Section 8.1.

**(g) Intended use of the funds raised**

No funds will be raised by from the issue of the Consideration Shares.

**(h) Voting exclusion statement**

A voting exclusion statement for Resolution 6 is included in the Notice of General Meeting preceding this Explanatory Statement.

## **8.5 Chapter 2E of the Corporations Act – Related Party Transactions**

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

- (a) obtain Shareholder approval in the manner set out in section 217 to 227 of the Corporations Act; and

- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

A “**financial benefit**” is defined broadly, and relevantly includes issuing shares to a related party (section 229 of the Corporations Act).

Section 210 of the Corporations Act provides an exception to the requirement to obtain shareholder approval for giving a financial benefit to a related party, where the financial benefit is on terms which would be reasonable in the circumstances if the public company and the related party were dealing at “**arm’s length**”.

Mr Santos is a related party of the Company by virtue of being a Director and Daniel and Luz Maria are each related parties of the Company by virtue of being associates of Mr Santos, and accordingly, the issue of Shares to each of them constitutes giving a financial benefit.

The Company considers that the financial benefits to be provided by way of issue of 500 million Consideration Shares to Mr Santos and Daniel and Luz Maria would fall within the “**arm’s length**” exception as set out in section 210 of the Corporations Act for the following reasons:

- (a) as set out in Section 8.1, the transaction pursuant to which the Consideration Shares are to be issued was negotiated with a non-related party of the Company, being Crydon SA;
- (b) the Definitive Agreement under which it was agreed that the Consideration Shares would be issued to Crydon SA was signed on 10 June 2022, and Mr Santos was subsequently appointed as a Director of the Company on 2 August 2022;
- (c) the Company was not aware that Crydon SA intended to nominate Mr Santos and his associates to receive 500 million of the Consideration Shares until 19 September 2022; and
- (d) the 500 million Consideration Shares proposed to be issued to Mr Santos and his associates are on the same terms as the other 500 million Consideration Shares which are proposed to be issued to the other two nominees who are not related parties of the Company.

Accordingly, the exception set out in section 210 of the Corporations Act applies and approval under Chapter 2E of the Corporations Act is not being sought.

# Notice of Annual General Meeting

## 8.6 Board recommendation

The Board (other than Mr Santos who has a material personal interest in the outcome of Resolution 6) recommends that Shareholders vote in favour of Resolution 6.

The Chair intends to vote all available proxies in favour of Resolution 6.

## 9. Resolution 7: Approval of 10% Placement Capacity

---

### 9.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**10% Placement Capacity**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

Resolution 7 seeks Shareholder approval by way of special resolution for the Company to have the 10% Placement Capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 7 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 7 is not passed, the Company will not be able to access the 10% Placement Capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

### 9.2 Information on 10% Placement Capacity

#### (a) Quoted securities

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of Equity Securities of the Company that are quoted on ASX.

As at the date of this Notice, the Company currently has three classes of Equity Securities quoted on the ASX, being Ordinary Shares (ASX Code: XTC), Options Expiring 10 June 2024 (ASX Code: XTCOA) and Options Expiring 30 September 2024 (ASX Code: XTCO).

#### (b) Formula for 10% Placement Capacity

If this Resolution 7 is passed, the Company may issue or agree to issue, during the 12 month period after this Meeting, the number of Equity Securities calculated in accordance with the following formula:

$$\text{Additional Placement Capacity} = (A \times D) - E$$

A = the number of fully-paid ordinary securities on issue at the commencement of the Relevant Period:

- plus the number of fully-paid ordinary securities issued in the Relevant Period under an exception in ASX Listing Rule 7.2 other than exception 9, 16, or 17;
- plus the number of fully-paid ordinary securities issued in the Relevant Period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
- the convertible securities were issued or agreed to be issued before the commencement of the Relevant Period; or
  - the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully-paid ordinary securities issued in the Relevant Period under an agreement to issue securities within rule 7.2 exception 16 where:

# Notice of Annual General Meeting

- the agreement was entered into before the commencement of the Relevant Period; or
- the agreement or issue was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the Relevant Period with approval under Listing Rule 7.1 or ASX Listing Rule 7.4;
- plus the number of partly-paid ordinary securities that became fully-paid in the Relevant Period;
- less the number of fully-paid ordinary securities cancelled in the Relevant Period;

D = 10%; and

E = the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the Relevant Period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

### (b) Minimum Price at which equity securities may be issued

Any Equity Securities issued under the 10% Placement Capacity will be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

### (c) Use of funds raised under 10% Placement Capacity

The Company intends to use funds raised from issues of Equity Securities under the 10% Placement Capacity for:

- (i) the acquisition of new resources, assets and investments (including expenses associated with such an acquisition);
- (ii) continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration);
- (iii) the development of the Company's current business; and
- (iv) general working capital.

# Notice of Annual General Meeting

## (d) Risk of voting dilution

If Resolution 7 is passed and the Company issues securities under the 10% Placement Capacity, then there is a risk to existing Shareholders of economic and voting dilution, including the risk that:

- (i) the market price for Equity Securities in the same class may be significantly lower on the issue date of the new Equity Securities than on the date Shareholder approval is obtained for this Resolution; and
- (ii) the new Equity Securities may be issued at a price that is at a discount to the market price for Equity Securities in the same class on the issue date.

The table below shows the potential dilution of existing Shareholders following the issue of Equity Securities under the 10% Placement Capacity (based on the formula set out above) using difference variables for the number of issued Ordinary Shares and the market price of Ordinary Shares. The table overleaf is calculated using the closing market price of Shares and the number of Equity Securities on issue as at 21 October 2022.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A2)	Dilution			
	Issue Price (per Share)	\$0.0400 (50% decrease in current issue price)	\$0.0080 (Current issue price)	\$0.0120 (50% increase in current issue price)
8,145,229,850 (Current Variable A)	Shares issued – 10% voting dilution	814,522,985	814,522,985	814,522,985
	Funds raised	\$3,258,092	\$6,516,184	\$9,774,276
12,217,844,775 (50% increase in Variable A)	Shares issued – 10% voting dilution	1,221,784,478	1,221,784,478	1,221,784,478
	Funds raised	\$4,887,138	\$9,774,276	\$14,661,414
16,290,459,700 (100% increase in Variable A)	Shares issued – 10% voting dilution	1,629,045,970	1,629,045,970	1,629,045,970
	Funds raised	\$6,516,184	\$13,032,368	\$19,548,552

\*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

- (i) There are 8,145,229,850 Shares on issue as at the date of this Notice (ASX Code: XTC).
- (ii) The issue price set out above is the closing price of the Shares on the ASX on 21 October 2022.
- (iii) The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- (iv) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
- (v) The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.

# Notice of Annual General Meeting

- (vi) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (vii) This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 unless otherwise disclosed.
- (viii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (ix) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (1) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (2) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

## **(e) Allocation under the 10% Placement Capacity**

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- (1) the purpose of the issue;
- (2) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- (3) the effect of the issue of the Equity Securities on the control of the Company;
- (4) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (5) prevailing market conditions; and
- (6) advice from corporate, financial and broking advisers (if applicable).

## **(f) Previous approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 18 November 2021 (**Previous Approval**).

The Company has issued 506,300,400 equity securities under Listing Rule 7.1A since the 2021 AGM, representing 8.13% of the total number of equity securities on issue at the commencement of the 12-month period.

All of these equity securities were issued in a placement on 4 March 2022 as follows:

- (i) 506,300,400 fully paid ordinary shares (ASX:XTC);
- (ii) the shares were issued to sophisticated, professional or other exempt investors, identified by Evolution Capital Pty Ltd. None of the subscribers were related parties of the Company. No applicant was a member of the Company's key management personnel, a substantial holder in the Company, an advisor to the entity or an associate of any of these persons and were not issued more than 1% of the entity's current issued capital; and
- (iii) the shares were issued at 0.8 cents each, which was above the closing price of 0.7 cents on 4 March 2022.

# Notice of Annual General Meeting

The total cash received was \$4,050,403. All of the cash was spent on the acquisition of the Carachi Pampa Lithium Project, exploration and working capital requirements.

## 9.4 Voting Exclusion

A voting exclusion statement is included in this Notice of Meeting. As at the date of this Notice of Meeting, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on this Resolution.

## 9.5 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 7.

The Chair intends to vote all available proxies in favour of Resolution 7.

## 10. Resolution 8: Amendment of Company Constitution

---

### 10.1 General

Shareholder approval is sought for the amendment of the existing Constitution of the Company (**Amended Constitution**).

The Directors consider that the Constitution should be brought up to date with recent changes to the Corporations Act with the holding of wholly virtual general meetings.

If the special resolution seeking this approval is passed, then the Amended Constitution will be effective immediately following the Annual General Meeting.

A copy of the Amended Constitution is available for review by Shareholders at the Company's website **[www.xantippe.com.au](http://www.xantippe.com.au)** and at the office of the Company. A copy of the Amended Constitution can also be sent to Shareholders upon request to the Company Secretary.

Shareholders are invited to contact the Company if they have any queries or concerns.

### 10.2 Summary of Proposed Change

The Directors consider that the amendment will not have any significant impact on Shareholders. A summary of the amendment is set out below:

#### ***Virtual Meetings (amended clause 5.2)***

The proposed amendment is in line with the permanent changes to the Corporations Act which took effect on 1 April 2022 allowing the use of technology at meetings and the distribution of meeting-related documents electronically (whether by a physical or electronic link or the entire document).

While hybrid and virtual meetings can be held, wholly virtual meetings will only be allowed if expressly permitted under the Company's Constitution. Whichever format is used, members as a whole must be given a reasonable opportunity to participate, and any technology used must allow members to exercise, orally and in writing, any rights those members have to ask questions and make comments.

Clause 5.2 of the Constitution currently allows the Company to hold general meetings in person or in combination with technology (a hybrid meeting). It does not currently permit the holding of a wholly virtual meeting.

### 10.3 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 8.

The Chair intends to vote all available proxies in favour of Resolution 8.

## 11. General Business
