**Short explanation for Resolutions 3 – 5:** The directors agreed not to receive cash for their 2022 directors’ fees and superannuation entitlements, but instead to receive Class O Performance Rights, subject to shareholder approval. The purpose is to increase the incentive of the directors to work towards increasing shareholder value and to enable more cash for working capital and for the Company’s research and exploration programs. If Resolutions 3 to 5 do not get shareholder approval, the Directors’ remuneration for the year ended 30 June

2022 will revert to being paid in cash. If this occurs the directors have agreed to defer payment until the Company has the cash resources to be able to pay.

For total remuneration payable to each director, please refer to pages 17 to 21 in the Explanatory Memorandum accompanying this Notice of Meeting.

The Explanatory Memorandum accompanying this Notice of Meeting also includes details of Listing Rule 10.11 that should be read in conjunction with this short explanation.

However, this does not apply to a vote cast in favour of the resolution by:

- a person as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with the directions given to the proxy or attorney to vote on the resolution in that way; or
- the chairman of the meeting as proxy or attorney for a person who is entitled to vote on the resolution, in accordance with a direction given to the chair to vote on the resolution as the chairman decides; or

  - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

**Resolution 7 – Issue of Class P Performance Rights to director – Mr Michael J Povey**

To consider and, if thought fit, to pass, with or without amendment, the following resolution as an ordinary resolution.

*“That, pursuant to Listing Rule 10.11 and Section 208 of the Corporations Act and for all other purposes, the Directors be authorised to issue 500,000 Class P Performance Rights to Michael J Povey, or nominee.   - the holder votes on the resolution in accordance with directions given by the beneficiary to the holder to vote in that way.

**Short explanation for Resolutions 6 & 7:** The Executive Directors have not received a director fee increase, nor a consulting rate increase for over 11 years. In addition, the Executive Directors, Peter N Smith and Michael J Povey have agreed to assist the Company by deferring payment, without interest, to them of consulting fees owing as at 30 June 2022 for services rendered (net of GST) of \$824,524 and \$149,340 respectively. In recognition of these sacrifices the Shareholders are being asked to approve this issue of Class P Performance Rights to these Directors. For total remuneration payable to each director, please refer to pages 17 to 21 in the Explanatory Memorandum accompanying this Notice of Meeting.

The Explanatory Memorandum accompanying this Notice of Meeting also includes details of Listing Rule 10.11 that should be read in conjunction with this short explanation.

*"That having been appointed by Directors to fill a vacancy in the office of auditor on 7<sup>th</sup> September 2022, SW Audit, for the purposes of section 327B of the Corporations Act and for all other purposes, having been nominated and having consented in writing to act as auditor of the Company, be appointed as auditor of the Company."*

**EXPLANATORY MEMORANDUM**

This Explanatory Memorandum has been prepared for the Shareholders of Truscott Mining Corporation Limited in connection with the business to be conducted at the forthcoming Annual General Meeting of the Company, or any adjournment thereof and should be read in conjunction with the accompanying notice of meeting.

The Directors recommend that Shareholders read this Explanatory Memorandum before determining whether or not to support the Resolutions.

**Annual Financial Report**

The financial report of the Company for the financial year ended 30 June 2022 (including the financial statements, directors' report and auditors' report) was included in the 2022 Annual Report of the Company. The Annual Report is available on the ASX website at [www.asx.com.au/asx/statistics/announcements.do](http://www.asx.com.au/asx/statistics/announcements.do)

**Resolution 1 – Remuneration Report**

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the Remuneration Report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

Voting consequences

Under the Corporations Act, a company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (Spill Resolution) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to the vote. If required, the Spill Resolution must be put to the vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (Spill Meeting) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

#### Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

#### Proxy voting restrictions

Members of key management personnel, including the directors, of the Company will be excluded from voting on Resolution 1. In accordance with section 250R of the Corporations Act 2001 if a member directs their proxy vote on Resolution 1 to be at the discretion of the Chairman that vote will not be counted. If a member wants to cast a valid proxy vote on Resolution 1 then the member must indicate their voting intention by marking the appropriate box. If you abstain, your votes will not be counted in calculating the required majority if a poll is called on the resolution.

### **Resolution 2 – Re-Election of Director**

#### **Mr Michael J Povey**

Pursuant to rule 11.3 of the Company's Constitution, at each Annual General Meeting, one third of the Directors, other than the Managing Director, (or, if their number is not a multiple of 3, then the number nearest to one third) must retire from office. The Directors retire by rotation, with the Directors who have been the longest in office since being appointed or re-appointed being the Directors who must resign in any year. If 2 or more persons became directors (or were re-elected) on the same day, those to retire must be determined by lot unless they otherwise agree among themselves. All Directors are entitled to offer themselves for re-election as a Director at the Annual General Meeting which coincides with their retirement.

Mr Michael J Povey will retire in accordance with the requirements of the Company's Constitution at the Annual General Meeting. As he is entitled and is eligible for re-election, he seeks re-election as a director of the Company at the meeting.

Mr MJ Povey is an accountant with public accounting experience with major accounting firms including Deloitte and KPMG. He has also lectured in both undergraduate and postgraduate business courses at Curtin University. Mr Povey subsequently established an accounting practice concentrating on taxation and company reporting. He has been the Company Secretary and an executive Director of the company since it was incorporated in September 2005.

#### Directors' recommendation:

Your Directors have reviewed the necessary competencies of the Board members and each candidate's contribution to the Board and, with Mr MJ Povey abstaining, unanimously recommend Mr Povey's re-election.

### Resolutions 3 to 5 – Issue of Performance Rights to the Directors

Under Resolutions 3 to 5, the Company proposes to issue 6,150,000 Class O Performance Rights (**Class O Right**) to related parties of the Company, being its the Directors as follows:

<b>Name</b>	<b>Position</b>	<b>Number</b>	
Peter N Smith	Executive Chairman / Managing Director	2,450,000	Class O Rights
Michael J Povey	Executive Director / Company Secretary	1,850,000	Class O Rights
Ewan E Smith	Non-Executive Director	1,850,000	Class O Rights

On meeting the conditions of issue as disclosed in Annexure A, each Class O Right will, when declared by the Board, convert to 1 fully paid ordinary share that will rank equally with all other ordinary shares then on issue.

The issue of the Class O Rights is to replace Directors' fees and superannuation payable as cash for the year ended 30 June 2022. The issue of Class O Rights encourages the Directors to have a greater involvement in the achievement of the Company's objectives and to provide an incentive to strive to that end by participating in the future growth and prosperity of the Company through the prospect of increased share ownership. The issue of Class O Rights in lieu of cash also greatly assists the company in retaining cash for working capital as well as for use in research and exploration activities without the need to go to the market to raise additional capital and with no capital raising costs, other than ASX listing fees. As outlined in Annexure A, these Class O Rights will only convert to ordinary shares if the performance milestone is met before they expire. If the shareholders agree to the issue of these Class O Rights and the performance milestone is not met before the expiry date, the Class O Rights will expire, and the Directors would not have received any Directors' remuneration for the year ended 30 June 2022. The amounts of directors' fees and superannuation that the Class O Performance Rights replace are:

	Directors' fees & superannuation foregone \$	Class O Rights to be issued	Deemed value of the rights at 3.78 cents
Mr PN Smith	57,600	2,450,000	92,610
Mr MJ Povey	43,200	1,850,000	69,930
Dr EE Smith	43,200	1,850,000	69,930
	144,000	3,200,000	232,470

**Table 1 – Class O Rights**

The number of Class O Rights to be issued to the Directors is considered reasonable given the deemed value of 3.78 cents being the average closing price of the Company's shares traded on the ASX in the year ended 30 June 2022, that they do not vest until 1 July 2023, and before they can be issued the share price of the Company's listed shares must satisfy the Milestone as specified in Annexure A. Do also note that if the Class O Rights are approved and issued and the Milestone is not reached in the 4 years to expiry, the Class O Rights lapse and the Directors would not have received any amount for their 2021/22 Directors' fees.

The full terms of the Class O Performance Rights can be found in Annexure A.

### **Listing Rule 10.11**

Unless one of the exceptions in rule 10.12 applies, Listing Rule 10.11 provides that an entity must not issue or agree to issue equity securities to any of the following persons without the approval of its ordinary shareholders:

10.11.1 A Director of the Company who is a related party.

10.11.2 A person who is or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the entity.

10.11.3 A person who is or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the equity and who has nominated a director to the board of the entity pursuant to a relevant agreement which gives them a right or expectation to do so.

10.11.4 An associate of a person referred to in Rules 10.11.1 to 10.11.3.

10.11.5 A person whose relationship with the entity or a person referred to in rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by the ordinary shareholders.

That the issue of Class O Performance Rights is approved under and for the purposes of Listing Rule 10.11.

In accordance with listing rule 10.13, the following information is provided to shareholders:

- (1) The Class O Rights will be issued to Mr PN Smith, Dr EE Smith and Mr MJ Povey who under Listing Rule 10.11.1 are related parties as they are directors of the Company.
- (2) The total number of Class O Rights to be issued is 6,150,000. The break-down is as per the above Table 1.
- (3) The Class O Rights will be issued in accordance with the agreement of the directors to receive Class O Rights in lieu of cash for directors' fees and superannuation.
- (4) Each Class O Right, once converted to one fully paid ordinary share, will rank pari passu with the Company's then issued shares.
- (5) No funds will be raised by the issue of the Class O Rights, but as stated above, there has been a saving of \$144,000 in the company's cash outflow resulting from the sacrifice of directors' fees and superannuation.
- (6) The Class O Rights will be issued no later than one business day after the AGM.

Please see pages 17 to 21 of this explanatory memorandum which sets out the Directors' remuneration for the year ended 30 June 2022.

Further, the Company considers that it is in the interests of Shareholders to align the interest of the Directors and Shareholders by encouraging the Directors, subject to appropriate conditions, to have an equity holding in the Company. However, the Company considers that like other Shareholders, this interest should arise through direct investment by the Directors.

In the event the issue of Class O Rights to the Directors is not approved at the AGM by the shareholders, the above amounts will be payable in cash as part of the normal remuneration of the Directors. If this occurs the directors have agreed to defer payment until the Company has the cash resources to be able to pay.

## Resolutions 6 and 7 – Issue of Class P Performance Rights to the Executive Directors

Under Resolutions 6 and 7, the Company proposes to issue 2,300,000 Class P Performance Rights (**Class P Right**) to related parties of the Company, being its Executive Directors, Peter N Smith and Michael J Povey as follows:

<b>Name</b>	<b>Position</b>	<b>Number</b>
Peter N Smith	Executive Chairman / Managing Director	1,800,000
Michael J Povey	Executive Director / Company Secretary	500,000

### Listing Rule 10.11

Unless one of the exceptions in rule 10.12 applies, Listing Rule 10.11 provides that an entity must not issue or agree to issue equity securities to any of the following persons without the approval of its ordinary shareholders:

10.11.1 A Director of the Company who is a related party.

10.11.2 A person who is or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the entity.

10.11.3 A person who is or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the equity and who has nominated a director to the board of the entity pursuant to a relevant agreement which gives them a right or expectation to do so.

10.11.4 An associate of a person referred to in Rules 10.11.1 to 10.11.3.

10.15.5 A person whose relationship with the entity or a person referred to in rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by the ordinary shareholders.

On meeting the conditions of issue as disclosed in Annexure B, each Class P Right will convert to 1 fully paid ordinary share that will rank equally with all other ordinary shares then on issue.

The full terms of the Class P Performance Rights can be found in Annexure B.

The number of Class P Rights to be issued to the Directors is considered reasonable. Based the average closing price of the Company's shares traded on the ASX in the year ended 30 June 2022 being 3.78 cents, these rights would have a deemed value of:

<u>Director</u>	<u>Number of rights</u>	<u>Deemed value of rights at 3.78 cents</u>
PN Smith	1,800,000	\$68,040
MJ Povey	500,000	\$18,900
<u>Totals</u>	<u>2,300,000</u>	<u>\$86,940</u>

The actual value of these rights will be independently determined on the date of issue.

### Table 2 Class P Rights

In accordance with listing rule 10.13, the following information is provided to shareholders:

- (1) The Class P Rights will be issued to Mr PN Smith and Mr MJ Povey

- (2) The total number of Class P Rights to be issued is 2,300,000. The break-down is as per the above Table 2.
- (3) The Class P Rights will be issued in consideration of the sacrifices the directors have made as stated below.

The Executive Directors have not received a director fee increase, nor a consulting rate increase for over 11 years. In addition, the Executive Directors, Peter N Smith and Michael J Povey have agreed to assist the Company by deferring payment, without interest, to them of consulting fees owing as at 30 June 2022 for services rendered (net of GST) of \$824,524 and \$149,340 respectively. In recognition of these sacrifices the Shareholders are being asked to approve this issue of Class P Performance Rights to these Directors. Do note that if the Milestone is not reached the Rights will expire and the directors would not have received anything for the sacrifices that they made.
- (4) Each Class P Right, once converted to one fully paid ordinary share, will rank pari passu with the Company's then issued shares.
- (5) No funds will be raised by the issue of the Class P Rights.
- (6) The Class P Rights be issued no later than one business day after the AGM.

Please see pages 17 to 21 of this explanatory memorandum which sets out the Directors' remuneration for the year ended 30 June 2022.

Further, the Company considers that it is in the interests of Shareholders to align the interest of the Directors and Shareholders by encouraging the Directors, subject to appropriate conditions, to have an increased equity holding in the Company. However, the Company considers that like other Shareholders, this interest should arise through direct investment by the Directors.

If Resolutions 6 and 7 are not passed the executive directors will not be issued with any Class P performance rights and will therefore not have received any benefit for the above sacrifices made.

### **Resolution 8 – Appointment of Auditor**

This appointment follows the resignation of SW WA Audit Pty Ltd (formerly Walker Wayland WA Audit Pty Ltd) with prior written consent received from the Australian Securities & Investments Commission (ASIC) in accordance with s329(5) of the Corporation Act 2001.

The change of auditor arose due to the merger of Walker Wayland WA Audit Pty Ltd into SW Accountants & Advisors.

### **Corporations Act Requirements**

Chapter 2E of the Corporations Act prohibits, subject to certain exceptions, a company from giving a financial benefit to a related party of the company without prior shareholder approval.

The Directors, Peter N Smith, Michael J Povey and Ewan E Smith (the parties to which Resolutions 3 to 7 relate), are considered "related parties" for this purpose, and the issue of Class O Rights and Class P Rights to PN Smith and MJ Povey and the issue Class O Rights to EE Smith constitutes a "financial benefit" for this purpose.

The purpose of the Class O Rights issue is to remunerate the Directors for past services, i.e., for the year ended 30 June 2022 for Directors' fees and superannuation. The Directors believe that the future success of the Company will depend in large measure on the skills and motivation of the people engaged in and overseeing the management of the Company's operations. It is therefore important that the Company can attract and retain people of the highest calibre.

The Directors considered that receiving the Class O Rights in lieu of directors' fees and superannuation conserved cash resources and allowed additional funds to be spent on research and exploration.

The Executive Directors have not received a director fee increase, nor have their related entities received a consulting rate increase for over 11 years. In addition, the Executive Directors, Peter N Smith and Michael J Povey have agreed to assist the Company by deferring payment of consulting fees earned over the year ended 30 June 2022 for services rendered totalling \$121,440 (net of GST) and continuing to defer consulting fees earned over the previous seven years totalling \$852,424, for a total of \$973,864 (net of GST) over the eight years. These directors have not asked for any interest to be paid on these deferred amounts. This deferral is to last until the Company can make payment. These directors have further agreed to continue deferring part payment of the consulting fees under the same terms. In recognition of these sacrifices and the continuing support to the Company, the Shareholders are being asked to approve this issue of Class P Rights to these Directors. The issue of Class P Rights encourages the Directors to have a greater involvement in the achievement of the Company's objectives and to provide an incentive to strive to that end by participating in the future growth and prosperity of the Company through the prospect of increased share ownership. As outlined in Annexure B, these Class P Rights will only convert to ordinary shares if the performance milestone is met before they expire. If the shareholders agree to the issue of these Class P Rights and the performance milestone is not met before the expiry date, the Class P Rights will expire.

The Class O and Class P Rights referred to in Resolutions 3 to 7 will be issued within one month of approval by the Shareholders. The full terms of the Class O and Class P Performance Rights can be found in Annexures A and B respectively.

In accordance with section 219 of the Act, the following information is provided to Shareholders to allow them to assess whether or not it is in the Company's interests to pass Resolutions 3 to 7:

- (a) The related parties to whom the proposed Resolutions would permit the financial benefits to be given are the Directors, Peter N Smith, Michael J Povey and Ewan E Smith, and are the related parties to whom the proposed Resolutions 3 to 7 would permit a financial benefit to be given. They are related parties of the Company by virtue of section 228 of the Corporations Act.
- (b) The nature of the financial benefit proposed to be given:

The nature of the financial benefit to be given to the related parties is the issue of Class O Rights in lieu of their directors' fees and superannuation for the year ended 30 June 2022, and the issue of Class P Rights in view of financial sacrifices made to the Company for the seven years to 30 June 2022 and are still ongoing.

- (c) The combined number of Class O and Class P Rights to be issued to the Directors represents approximately 5.35% of the Company's share capital on issue immediately prior to the issue of the Rights. This is made up of: Mr PN Smith 2.69%; Mr MJ Povey 1.49%; and Dr EE Smith 1.17%.

### Details of Directors' remuneration

The remuneration for each director of the company during the year ended 30 June 2022 was as follows:

**Table 3 Directors' Remuneration**

For the above deferred consulting fees payable to director related entities in Table 3, the directors have agreed to defer payment, free of interest, until the Company has the necessary funding to move onwards with exploration of the Company's projects:

The actual value of the Class O and Class P Performance Rights will be independently determined on the date of issue.

The consulting fees were payable to entities associated with the respective directors. The directors' fees are the subject of resolutions 3 to 5 and have not yet been paid. If resolutions 3 to 5 are approved the Company will issue 6,150,000 Class O Performance Rights in lieu of the directors' fees and superannuation entitlements.

2,000,000 Class N Performance Rights were issued to the Executive Directors at the 2021 AGM in recognition of sacrifices made to the Company for the year ended 30 June 2021. The value of these Rights had not been included in the remuneration of the Executive Directors for the year ended 30 June 2021. The value of \$40,612 for the Class N Performance Rights was independently determined on the date of issue.

### Class O Performance Rights

In order to conserve cash for research, exploration and working capital purposes the directors agreed to receive "payment" for director fees and superannuation in Class O Performance Rights (**Class O Rights**), subject to shareholder approval.

The number of performance rights that are proposed to be issued to the Directors and the amount of remuneration that they replace are:

<b>Director</b>	<b>Class O Rights in lieu of directors' fees &amp; superannuation</b>	<b>Remuneration to be replaced by Class O Rights</b>
PN Smith	2,450,000	\$57,600
MJ Povey	1,850,000	\$43,200
EE Smith	1,850,000	\$43,200
<b>Totals</b>	<b>6,150,000</b>	<b>\$144,000</b>

**Table 4 Performance Rights**

### **Class P Performance Rights**

<u>Director</u>	<u>Number of rights</u>	<u>Deemed value</u>
Mr PN Smith	1,800,000	\$ 68,040
Mr MJ Povey	<u>500,000</u>	<u>\$ 18,900</u>
<b>Totals</b>	<u><b>2,300,000</b></u>	<u><b>\$ 86,950</b></u>

The actual value of these rights will be independently determined on the date of issue.

**Table 5 Class P Performance Rights Deemed values**

The deemed value of the rights is based on the average closing price of the Company's shares traded on the ASX in the year ended 30 June 2022 of 3.78 cents.

Both the Class O and Class P Rights are subject to shareholder approval under resolutions 3 to 7 and will only be issued once the approval has been received at the AGM. If such approval is not received for the Class O Rights, the deferred Directors' fees totalling \$144,000 become payable in cash under the terms of their appointments. If there is no approval of the Class O Rights the directors have agreed to defer payment until the Company has the cash resources to be able to pay.

### **Consultancy agreements**

Remuneration and other terms of employment for Mr PN Smith and Mr MJ Povey are formalised in consultancy agreements. Dr EE Smith's director's fees are covered in his letter of appointment. Each of the above agreements provide for directors' fees, superannuation and the provision of professional services. A summary of the agreements is as follows:

The term of each agreement was for 2 years commencing from 30 June 2011. If not renewed the agreements continue on a monthly basis.

Amounts payable were fixed for the 2 years. There has been no change in the rates since 30 June 2011.

The agreements may be terminated by giving 3 months' notice or the company paying 3 months consultancy fee in lieu of notice.

Upon termination of the agreement the consultant is not entitled to claim any compensation or damages from the Company in respect of the termination.

Annual directors' fees payable, inclusive of compulsory superannuation are:

Mr PN Smith	\$57,600
Mr MJ Povey	\$43,200
Dr EE Smith	\$43,200

Minimum annual consultancy fees payable to related entities of the directors are:

Mr PN Smith	\$230,400
Mr MJ Povey	\$43,200
Dr EE Smith	\$nil

Each director is entitled to receive additional consultancy fees as specified below once the following number of equivalent days have been worked each year:

Mr PN Smith	120 days	\$2,400 per day
Mr MJ Povey	48 days	\$1,800 per day
Dr EE Smith	36 days	\$1,800 per day

In addition to deferring part payment of their consulting fees and to assist the Company, Mr Smith and Mr Povey waived their rights to receive their minimum annual consultancy fees for the year ended 2022.

Peter N Smith and Ewan E Smith (who do not have an interest in Resolutions 3 and 7) recommend to Shareholders that they vote in favour of Resolutions 3 and 7 for the reasons outlined in this Explanatory Memorandum.

Peter N Smith and Michael J Povey (who do not have an interest in Resolution 4) recommend to Shareholders that they vote in favour of Resolution 4 for the reasons outlined in this Explanatory Memorandum.

Michael J Povey, and Ewan E Smith (who do not have an interest in Resolutions 5 and 6) recommend to Shareholders that they vote in favour of Resolutions 5 and 6 for the reasons outlined in this Explanatory Memorandum.

Director	Class O Rights in lieu of directors’ fees & superannuation	Deemed remuneration represented by Class O Rights %
PN Smith	2,450,000	24.00
MJ Povey	1,850,000	58.06

## How to complete the Proxy Form

### 1. Your Name and Address

This is the name and address on the Share Register of the Company as shown on the front of the proxy form.

### 2. Appointment of a Proxy

If you wish to appoint the Chairman of the Meeting as your proxy, mark the box. If the individual or body corporate you wish to appoint as your proxy is someone other than the Chairman of the Meeting write the full name of that individual or body corporate in the space provided in Section A. If you leave this section blank, or your named proxy does not attend the meeting, the Chairman of the Meeting will be your proxy. A proxy need not be a securityholder of the company. Do not write the name of the issuer or the registered securityholder in the space.

### 3. Votes on Items of Business

You may direct your proxy how to vote by placing a mark in one of the three boxes opposite each item of business. All your securities will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of securities you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on a given item, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

### 4. Appointment of a Second Proxy

You are entitled to appoint up to two persons as proxies to attend and vote on a poll. If you wish to appoint a second proxy, an additional Proxy Form may be obtained by emailing the company at [admin@truscottmining.com.au](mailto:admin@truscottmining.com.au) or telephoning the company on 0419 956 232 or you may photocopy this form.

To appoint a second proxy you must:

- (a) On each of the first Proxy Form and the second Proxy Form state the percentage of your voting rights or number of securities applicable to that Form. If the appointments do not specify the percentage or number of votes that each proxy may exercise, each proxy may exercise half your votes. Fractions of votes will be disregarded.
- (b) Return both forms together in the same envelope.

### 5. Signing Instructions

You must sign this form as follows in the spaces provided:

<b>Individual:</b>	where the holding is in one name, the shareholder must sign.
<b>Joint Holding:</b>	where the holding is in more than one name, all of the shareholders must sign.
<b>Power of Attorney:</b>	to sign under Power of Attorney, you must have already lodged this document with the Company's share registry. If you have not previously lodged this document for notation, please attach a certified copy of the Power of Attorney to this form when you return it.

Otherwise this form must be signed by a Director jointly with either another Director or the Company Secretary. Please indicate the office held by signing in the appropriate place.

If a representative of a corporate Securityholder or proxy is to attend the meeting the appropriate "Certificate of Appointment of Corporate Representative" should be produced prior to admission.
