- **Schrole Connect to provide six-month membership for 24 of Inspired Group's European-based international schools**
- **Engagement contract valued at USD85,000**
- **Provides access to more international and UK based educators**
- **Shows Schrole's ability to support the complex recruitment and application management needs of international schools**

2 November 2022: Schrole Group Ltd (**ASX: SCL**) ("**Schrole**" or the "**Company**"), provider of accredited training and global Human Resources (HR) Software-as-a-Service (SaaS), will stage three bespoke online events and provide six-months' access to Schrole Connect to leading education provider, Inspired Education Group (Inspired Finco Holdings Limited) (Inspired).

Part of Schrole Connect, Schrole Events will provide bespoke events to Inspired to be held between November 2022 and January 2023. This will allow educators to use Schrole software to track and manage the recruitment and application process of international attendees from the events.

The contract, valued at USD85,000, also includes a six-month membership to Schrole Connect for 24 of their European-based international schools. This will allow the schools to seamlessly link from Schrole Events and access Schrole's recruitment and applicant tracking system where users can sort, rank, message, and interview international candidates, proactively look for candidates or match applicants that suit educators' requirements. The agreement will provide Schrole with ongoing access to a range of IB teachers and UK-based educators.

Inspired is a leading global premium schools' group with operations in Europe, Asia-Pacific, Africa, the Middle East and Latin America. Inspired schools offer a holistic, co-educational, non-denominational approach to schooling and currently educates around 70,000 students in over 80 international schools across 23 countries.

The contract is material to Schrole in that it combines Schrole Events and Schrole Connect and demonstrates Schrole's platform capacity to support the complex recruitment needs of international school groups from initial events through recruitment procedures and into pre-work administration.

Commenting on Schrole's engagement with Inspired, Managing Director, Rob Graham, said:

*"This contract shows the modular parts of the Schrole technology platform working together. This is the third time we have been contracted to deliver Schrole Events and Schrole Connect services to a large school group. Schrole is very excited to be working with Inspired, one of the world's leading education groups for the specialist provision of international school services."*

*"We are getting great traction with our Schrole Events platform and can now show how well it integrates into*

our Schrole Connect services. Only released 12 months ago, we have already run several successful Schrole Events with more than 5,500 registrants and attracted the attention of very high-quality international schools.

*“The first online recruitment event was held in October 2021, aimed at SE Asian Schools. Since then, we’ve proven the ability to work across international jurisdictions with online events for the Middle East and North Africa, Europe, and the Americas. The recent success of our hybrid online and in-person event in Bangkok will become an important part of the international school calendar.*

*“his new contract with Inspired also expands our footprint into 24 high quality European schools and will give us access to more IB and UK based educators.”*
