The Institutional Entitlement Offer will raise approximately A\$147 million (subject to reconciliations) at an offer price of A\$4.30 per share (“**Offer Price**”), representing a:

New Shares not taken up by both eligible and ineligible institutional shareholders have been fully allocated to eligible institutional investors with priority given to existing shareholders.

Sandfire Chair John Richards commented,

“We are very pleased with the level of support shown by our shareholders for the Institutional Entitlement Offer. This raising increases our financial flexibility, putting the Company in a strong financial position to continue to execute our strategy to deliver growing and sustainable copper production from our portfolio of leading international projects.

I encourage our eligible retail shareholders in Australia and New Zealand to consider the terms of the retail entitlement offer with their professional advisers when the retail entitlement offer opens on Friday 25 November 2022.”
