ACCESS AUTHORITIES GRANTED FOR NOLANS PROJECT

21 November 2022

- **Access Authorities granted for site access road, mine access road and borefield access**
- **Secures access from the Stuart Highway to all areas of the Project**

Arafura Rare Earths Limited (ASX: ARU) (“Arafura” or the “Company”) is pleased to announce that the Access Authorities associated with the 100 percent owned Nolans Neodymium-Praseodymium (NdPr) Project in the Northern Territory have been granted by the Department of Industry, Tourism and Trade of the Northern Territory Government.

The access authorities, shown on the attached map, include corridors for the construction of the process plant site and village access roads (AA33279), mine access road (AA33280) and borefield access tracks and pipeline routes (AA33281) linking all of the granted Mineral Leases for the Project. These Access Authorities have been granted for the term of the associated Mineral Leases to Arafura’s wholly owned subsidiary Arafura Nolans Project Pty Ltd.

Arafura’s Managing Director Gavin Lockyer said: *“Granting of the Access Authorities is one of the many things that the team at Arafura have been working on over the past year, in parallel with front-end engineering and design, product offtake, and project funding. It represents another important step towards commencing construction on the Nolans Project.”*
