

Appointment of Chief Financial Officer

Talon Energy Ltd (Talon or the Company) is pleased to announce the appointment of Mr Christopher Kohne as the Company's Chief Financial Officer with immediate effect.

Mr Kohne is a Chartered Accountant with approximately 15 years of experience in a diverse range of roles providing finance, commercial, business development and strategy advice to businesses operating in Australia and the United States (US). Mr Kohne started his career at accounting and advisory firm, KPMG, before joining Hess Corporation, a large US independent company operating in the Energy Sector, where he spent 10 years in various corporate roles, including five years in New York working closely with the CEO and CFO on strategy and planning. Mr Kohne joins Talon from Wesfarmers Chemicals, Energy and Fertilisers, and brings critical experience that will be invaluable to Talon as it expands its operations and seeks out new growth opportunities.

Mr Kohne is a Chartered Accountant and holds a Bachelor of Commerce from the University of Western Australia, and a Master of Science in Energy Economics from Curtin University.

Talon Energy Ltd Managing Director & CEO, Colby Hauser, said:

"Having Chris join our team is an important stage in the Company's evolution and I look forward to his assistance as we transition from an oil and gas explorer to producer. With the Walyering Project rapidly approaching first production, and the Gurvantes XXXV Project in Mongolia starting its development phase, Talon continues to build its executive team as the Company's needs evolve. The additional of Chris will inject a valuable and experienced financial lens to our decision making."

This Announcement has been authorised for lodgment by the Managing Director.
