Julimar Project – flowsheet development and scoping update Investor Webinar

Live webinar to be held at 10am AWST, Wednesday 14 December 2022

Chalice Mining Limited ("Chalice" or "the Company", ASX: CHN | OTCQB: CGMLF) will host a live investor webinar tomorrow at **10am (AWST) / 1pm (AEDT), Wednesday 14 December 2022**, following the release of today's announcement regarding progress at the Julimar Nickel-Copper-Platinum Group Element (PGE) Project in Western Australia.

Presented by Managing Director and CEO, Alex Dorsch, the webinar will discuss new metallurgical testwork which has highlighted the potential to materially enhance overall metallurgical recoveries from the deposit. Alex will also discuss the upcoming Resource update and the rationale for continuation of the Scoping Study.

Participants must register to join the webinar via the following link:

<https://www.bigmarker.com/read-corporate/Chalice-Mining-ASX-CHN-Investor-Webinar>

Participants who would like to submit questions in the webcast can ask via the 'Q&A' tab. It is recommended that you log on at least 5 minutes prior to the commencement of the webinar.

Authorised for release by the Disclosure Committee.
