archTIS Launches New Interactive Investor Hub

Company to provide shareholders with more proactive means of communication and inquiry support

archTIS Limited (ASX:AR9, OTCQB:ARHLF), a global provider of innovative software solutions for the secure collaboration of sensitive information, today announced the launch of the Company's new interactive Investor Hub.

For both existing and prospective shareholders, the new archTIS Investor Hub hosts the latest company announcements, reports, and presentations. It also provides an interactive online experience allowing the archTIS investor community to comment on and ask the archTIS team questions regarding company news and information via the portal.

Daniel Lai, Managing Director and CEO of archTIS, said: "As a public company listed on the ASX and now the US-OTCQB, we want to ensure all our shareholders, big and small, are able to easily communicate with us. The archTIS Investor Hub enables our shareholders to not only access our latest announcements and news, but it is also a place to interact with us directly."
