Secures \$150,000 line of credit facility to support NFT contract development

- **\$150,000 debt facility to expand working capital**
- **Continued financial support from directors**
- **Additional funding to support NFT and 3D-printing sales initiatives**

The Board of Directors of 333D Limited (ASX:**T3D** or “**Company**”) is pleased to announce that it has secured line of credit facilities from two lenders for a total of \$150,000 for working capital purposes (the “**debt facility**”).

The debt facility is for 12 months with interest only monthly payments in arrears, and early payment options. The interest rate on drawn funds is 12% p.a. and a penalty interest rate of 20% on drawn funds applies in circumstances where the Company is in default. The debt facility is unsecured.

Each lender is entitled to an establishment fee of 10% of total debt facility plus GST. The lenders are entities owned and controlled by directors of the Company and individually comprise:

Lender	Associated Person	Amount of Debt Facility
Conidico Superannuation Pty Ltd	Mr John Conidi	\$100,000
Saki Partners (Services) Pty Ltd	Dr Nigel Finch	\$50,000
		\$150,000 debt facility

The debt facility agreements contain terms including events of default, warranties and representations, which are considered to be customary for agreements of this nature.

The Board, with Mr Condi and Dr Finch abstaining, considers the terms of the debt facility to be commercially reasonable and at arm’s length.

The Company was advised by ALT Partners, a licensed advisory firm associated with directors Mr John Conidi and Dr Nigel Finch. ALT Partners will receive an advisory fee of 10% of total loan amount plus GST.

This announcement has been authorised for release by the **Board of 333D Limited**.
