

Appointment of Chief Executive Officer

Singapore, 3 January 2023

8VI Holdings Limited (“8VI” or the “Group”) is pleased to announce the appointment of Ms Low Ming Li as Chief Executive Officer with immediate effect.

Ms Low is taking over the role from Mr Ken Chee, who continues to be involved in the operations and activities in VI College while remaining on the Board as Executive Director to provide entrepreneurial leadership and strategic objectives for the Group.

Most recently, Ms Low has been the Chief Operating Officer of 8I Holdings Ltd (“8IH”), holding company of 8VI, where she steered several strategic and business transformation initiatives. Her strong leadership performance in the last 7 years confirmed that she is the ideal candidate to lead 8VI’s shift in its future strategy and business model.

About Ms Low Ming Li

Ms Low has over 20 years of corporate and executive experience across various industries, including her most recent appointment as the Chief Operating Officer of 8IH, the holding company of 8VI, where she spearheaded strategic development activities, and advised on several corporate functions including investor relations, strategic partnerships and investments, growth initiatives, development of corporate policies and Human Capital management.

Before joining 8IH, Ms Low was previously with PricewaterhouseCoopers Singapore for over 13 years, where she held the position of Associate Director (Assurance) and was in charge of strategising and rolling out new business development initiatives, coordinating audit assignments as well as training and development. Her past clients include Singapore Exchange Limited, the Government Investment Corporation of Singapore and Singapore Press Holdings.

Ming Li graduated with a Bachelor in Accountancy and a minor in Banking and Finance (Second Class Upper) from Nanyang Technological University. She is also a Chartered Financial Analyst (CFA) Charterholder, and a member of the Institute of Singapore Chartered Accountants (ISCA).

Ms Low said, “It is an honour to be appointed Chief Executive Officer of 8VI. I am passionate about the company and its core mission of empowering everyone towards sustainable

wealth, in all its forms. While this period marks a particularly difficult time in the Group's evolution, I am looking forward to work with the Board and management team as we move towards the future. In the next few months, we will be focusing on bringing back operational efficiency, including the implementation of various cost management measures, and paving the way for a shift in 8VI's business model moving forward."

Executive Director, Mr Ken Chee commented, "Ms Low's appointment comes not only as part of a shift in our leadership structure, it is also intended to lead 8VI into the next chapter of development. She has demonstrated leadership capabilities in her professional experience and her credentials are ideally suited to support the Group's future growth plans as we enter a new phase in the transformation of our technology-driven consumer business."

Ms Low, together with Mr Ken Chee and 3 other top management personnel in the Group, have agreed on a 30% reduction in their total remuneration effective January 2023, in reflection of their aligned interests with shareholders as the Group works to overcome the various macroeconomic headwinds and business challenges. In addition, Mr Clive Tan and Mr Ken Chee have decided to waive all their rights to the performance rights issued to them.
