

30 January 2023

INVESTOR WEBINAR

Wide Open Agriculture Limited (ASX: WOA), Australia's leading regenerative food and agriculture company, will host a live web presentation to review financial results for its second fiscal quarter after the markets close today.

During the presentation, the Company will review financial results, provide a detailed update on Dirty Clean Food and Buntine Protein®, and discuss its outlook for the second half of fiscal 2023.

The Company has released its Appendix 4C and Quarterly Update this morning, which participants are encouraged to view in conjunction with the web presentation.

Results Web Presentation Details

The webinar will commence at 4:45PM AEST (1:45PM AWST) and will be hosted by CEO Jay Albany, Executive Director Dr. Ben Cole, and CFO Matthew Skinner. At the conclusion of prepared comments, there will be an opportunity for questions from research analysts covering the company. Investor questions which have been submitted to the Company will also be addressed during the call.

Investors interested in listening to the live webcast can access by the following details:

About Wide Open Agriculture Ltd

Wide Open Agriculture (WOA) is Australia's leading ASX-listed regenerative food and agriculture company. The Company's innovative Dirty Clean Food brand markets and distributes food & drink products with a focus on conscious consumers in Australia and South-East Asia. Products are chosen based on their market potential and the positive impact they deliver to farmers, their farmland and regional communities. The company is based in the Wheatbelt of Western Australia. WOA operates under a '4 Returns' framework and seeks to deliver measurable outcomes on financial, natural, social and inspirational returns.

WOA is listed on the Australian Securities Exchange (ASX: WOA) and the Frankfurt Stock Exchange (2WO) and is the world's first '4 Returns' publicly listed company.
