QUARTERLY REPORT ON ACTIVITIES October to December 2022

Overview

Copper Strike Limited ("**Copper Strike**" or the "**Company**") is pleased to provide an update on its activities for the quarter ending 31 December 2022.

Copper Strike is currently actively seeking project acquisition opportunities.

Corporate Activities

As at 31 December 2022 Copper Strike owns approximately 6 million shares in Syrah Resources Limited (ASX:SYR) and some minor investments in two unlisted companies.

Suspension from Quotation – Listing Rule 12.1

On 1 December 2022, the Company announced that further to the announcement on 14 November 2022, titled "Company Update – Listing Rule 12.1" and the announcement on 25 November 2022, titled "Chairman's Address at 2022 Annual General Meeting", that following a submission to the ASX requesting a 6-month extension to the 12 December 2022 deadline afforded by the ASX to demonstrate compliance with Listing Rule 12.1, ASX notified the Company that it will suspend the Company's securities from official quotation prior to the commencement of trading on Tuesday, 13 December 2022.

The Company's securities are currently in suspension.

Copper Strike will continue to review potential opportunities and keep shareholders informed of progress and will make an appropriate announcement when able to do so.

Partial Sale of Investment in Syrah Resources Limited

On 25 October 2022, the Company announced that it had sold 498,503 shares in Syrah Resources Limited (Syrah), being a sale of approximately 7.67% of the Company's total shareholding in Syrah at that time, resulting in proceeds of approximately \$1.2 million. The average sale price per share was approximately \$2.40.

The Company considered it appropriate to reduce some of the Company's exposure in Syrah given current global market volatility, macro-economic conditions, recent interest rate policy changes in Australia, and the future outlook on global markets by various commentators.

At the same time, Copper Strike is continuing its current strategy in actively seeking project acquisition opportunities, and the Board noted that the partial sale of the Syrah investment is a form of non-dilutive funding that will assist the Company in having the required capital to progress any potential project acquisition opportunities, and also provide funding for general working capital purposes.

During the quarter, a number of changes to the Board of Directors were announced, as follows:

- On 21 October 2022, Mr Anthony McIntosh tendered his resignation as a Non-Executive Director, and Mr Adam Kiley was appointed as a Non-Executive Director.
