**4. RIGHTS AND LIABILITIES ATTACHING TO SHARES ISSUED ON CONVERSION OF THE TRANCHE 6 NOTES**

The Shares issued to the Noteholder on the conversion of the Tranche 6 Notes under the Convertible Securities Agreement will rank equally in all respects with all of the Company's existing Shares.

Under the Convertible Securities Agreement, the Company is required to apply to ASX for quotation of the Shares issued on conversion of any Tranche 6 Notes.

Full details of the rights and liabilities attaching to Shares are set out in the Company's Constitution, a copy of which can be inspected free of charge, at the Company's registered office during normal business hours.

The following is a broad summary of the rights, privileges and restrictions attaching to all Shares. This summary is not exhaustive and does not constitute a definitive statement of the rights and liabilities of Shareholders.

(a) **General meetings**

Each shareholder of the Company (**Shareholder**) is entitled to receive notice of, and to attend and vote at, general meetings of the Company and to receive all notices, accounts and other documents required to be sent to Shareholders under the Company's constitution (**Constitution**), the Corporations Act or the ASX Listing Rules.

(b) **Voting rights**

Subject to any rights or restrictions for the time being attached to any class or classes of Shares, at a general meeting of the Company every holder of fully paid ordinary Shares present in person or by an attorney; representative or proxy has one vote on a show of hands (unless a member has appointed 2 proxies) and one vote per share on a poll.

A person who holds a share which is not fully paid is entitled, on a poll, to a fraction of a vote equal to the proportion which the amount paid bears to the total issue price of the share.

Where there are 2 or more joint holders of a Share and more than one of them is present at a meeting and tenders a vote in respect of the Share, the Company will count only the vote cast by the Shareholder whose name appears first in the Company's Share register.

(c) **Variation of Rights**

Unless otherwise provided by the terms of issue of a class of shares and subject to the Corporations Act, the rights attached to the shares in any class may be varied or cancelled only with the written consent of the holders of at least three-quarters of the issued shares of the affected class, or by special resolution passed at a separate meeting of the holders of the issued shares of the affected class.

(d) **Transfer of Shares**

Subject to the Constitution, the Corporations Act and ASX Listing Rules, Shares are freely transferable.

The Shares may be transferred by a proper transfer effected in accordance with the ASX Settlement Operating Rules, by any other method of transferring or dealing with Shares introduced by ASX and as otherwise permitted by the Corporations Act or by a written instrument of transfer in any usual form or in any other form approved by either the Directors or ASX that is permitted by the Corporations Act.

The Directors may decline to register a transfer of Shares (other than a proper transfer in accordance with the ASX Settlement Operating Rules) where permitted to do so under the ASX Listing Rules. If the Directors decline to register a transfer, the Company must, within 5 business days after the transfer is delivered to the Company, give the party lodging the transfer

written notice of the refusal and the reason for the refusal. The Directors must decline to register a transfer of Shares when required by law, by the ASX Listing Rules or by the ASX Settlement Operating Rules.

(e) **Dividends**

The Directors may from time to time determine dividends to be distributed to Shareholders according to their rights and interests. The Directors may fix the time for distribution and the methods of distribution. Subject to the terms of issue of shares, the Company may pay a dividend on one class of shares to the exclusion of another class.

Each Share carries the right to participate in the dividend in the same proportion that the amount for the time being paid on the Share (not credited) bears to the total amounts paid and payable (excluding amounts credited) in respect of such Shares.

(f) **Winding-up**

Subject to the rights of holders of shares with special rights in a winding-up and the Corporations Act, if the Company is wound up all monies and property that are to be distributed among Shareholders on a winding-up,

The liquidator may, with the authority of a special resolution of the Company, vest the whole or any part of any such property in trustees upon such trusts for the benefit of the contributories as the liquidator thinks fit, but so that no Shareholder is compelled to accept any Shares or other securities in respect of which there is any liability.

(g) **Shareholder liability**

As the Shares to be issued on the conversion of the Tranche 6 Notes will be fully paid shares, they will not be subject to any calls for money by the Directors and will therefore not become liable for forfeiture.

(h) **Alteration of constitution**

In accordance with the Corporations Act, the Company's constitution can only be amended by a special resolution passed by at least three quarters of Shareholders present and voting at the general meeting. In addition, at least 28 days written notice specifying the intention to propose the resolution as a special resolution must be given.
