Engineering and Environmental Consultants Engaged for Environmental Impact Assessment on Sri Lankan Asset

Titanium Sands Limited ("TSL" or "The Company") confirms engagement of EPCS (Pvt) Ltd, Colombo based engineering and environmental consultants. EPCS will manage and coordinate a team of leading specialist consultants in undertaking the Environmental Impact Assessment ("EIA") on its Sri Lankan heavy mineral project.

The appointment follows the Company's announcement (ASX:TSL 23/01/23) confirming completion of its regulatory presentations to the Geological Survey and Mines Bureau (GSMB) outlining the final resource reports for the Mannar Island Project in Sri Lanka.

The updated resource statement is being completed and is expected to be available from the laboratory in South Africa in the coming weeks, as also outlined in the recent announcement.

Ends-

The Board of Directors of Titanium Sands Ltd authorised this announcement to be given to the ASX.
