1.1 Background

The Company was incorporated on 5 May 1980 and was admitted to the Official List of the ASX on 16 January 1987. The Company currently holds exploration interests prospective for iron ore in the Republic of Nigeria and in the Pilbara and Mid-West regions of Western Australia.

As announced on 30 November 2022, the Company has entered into a binding terms sheet ("**Terms Sheet**") with the interest holders in the Tenements, being John MacArthur Rapkoch, Jonathan Paul Owen, Katrina Teresa Owen, Scott Everett Curry, Duncan Craig as trustee for Erracht Trust Account and Manuel Eduardo Bravo Martinez, as set out in further detail in Schedule 1, ("**Sellers**") to acquire approximately one hundred (100) mining concessions prospective for lithium in the Salar de Llamara, in northern Chile's Tarapacá Region (further details of the Tenements are set out in Schedule 3) ("**Tenements**") owned by the Sellers ("**Proposed Acquisition**").

The Terms Sheet is conditional on a number of conditions precedent being satisfied (or waived) by the parties that are considered standard for transactions of that nature, including written confirmation from the ASX that the Company will not be required to re-comply with the requirements of Chapters 1 and 2 of the ASX Listing Rules in connection with the Proposed Acquisition, which was received by ASX on 18 November 2022.

- 25,000,000 fully paid ordinary shares ("**Shares**") at a deemed issue price of \$0.004 per Share ("**Option Shares**") to the Sellers, or nominee(s) thereof, in consideration of the Company being granted the exclusive option to acquire the Tenements free from any material encumbrances ("**Option**") during the exclusive period of three (3) months from the execution date of the Terms Sheet ("**Option Period**"). As part of the Proposed Acquisition, the Company has raised, and will raise, an aggregate total of \$1,500,000 (before costs) under the Placement of the Placement Shares. The Tranche 1 Placement completed on or about 8 December 2022 and the Tranche 2 Placement is subject to Shareholder approval. The Placement was not underwritten.

The Company has agreed to pay a fee of six percent (6%) on a portion of the gross proceeds raised under the Placement (i.e. a \$100,000 portion) to a licensed Australian Financial Services Licence holder for their services in relation the Placement. This fee totalled at \$6,000 (plus GST).

The Consultant Shares were therefore issued on or about 8 December 2022 for nil consideration.

1.10 Pro Forma Statement of Financial Position

The unaudited pro forma statement of financial position of the Company (based on the 30 June 2022 audited accounts of the Company), assuming the Transaction Resolutions are passed and implemented, is set out in Schedule 2.

1.11 Overview of the Sellers

The Sellers are a group of persons who hold the Tenements for the primary purpose of exploration. The Tenements lie within the 'lithium triangle' of Chile, Argentina and Bolivia and further details of the Tenements are set out in Schedule 3. If the Proposed Acquisition completes, the Tenements will be held entirely by the Company. The corporate structure at completion of the Proposed Acquisition is set out below.

1.12 Tenements

The Sellers have acquired a one hundred percent (100%) interest in approximately one hundred (100) Tenements prospective for lithium in the Salar de Llamara, in northern Chile's Tarapacá Region. Schedule 3 provides the details of the Tenements pursuant to the Terms Sheet.

Refer to the Company's ASX announcement dated 30 November 2022 on the Company's ASX platform for a summary of the Tenements.

2. REGULATORY INFORMATION

2.1 Resolution 1 – Ratification of prior issue of Option Shares to Sellers

The Company is seeking Shareholder approval under Listing Rule 7.4 to ratify the prior issue of the Option Shares to the Sellers, or nominee(s) thereof, in connection with the Proposed Acquisition pursuant to the Terms Sheet. The Option Shares were issued on or about 1 December 2022 in accordance with Listing Rule 7.4. The Company did not breach Listing Rule 7.1 by issuing the Option Shares to the Sellers.

Listing Rule 7.4

Listing Rule 7.1 provides that, subject to certain exceptions, prior approval of shareholders is required for an issue of securities by a company if those securities, when aggregated with the securities issued by the company during the previous twelve (12) months (without approval and which were not subject to an exception), exceed fifteen percent (15%) of the number of shares on issue at the commencement of that twelve (12) month period.

The issue of the Option Shares does not fall within any of the exceptions in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the fifteen percent (15%) limit in Listing Rule 7.1, reducing the Company's capacity to issue further Shares without Shareholder approval under Listing Rule 7.1 for the twelve (12) month period following the date of issue of the Option Shares.

Listing Rule 7.4 sets out the procedure and effect of Shareholder approval of a prior issue of securities and provides that where shareholders in general meeting ratify a previous issue of securities made without approval under Listing Rule 7.1, provided that the previous issue of securities did not breach ASX Listing Rule 7.1, those securities shall be deemed to have been made with shareholder approval for the purposes of Listing Rule 7.1.

By ratifying the Option Shares, the Company will retain the flexibility to issue shares in the future up to the fifteen percent (15%) placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

Listing Rule 7.5 requires that the following information be provided to the Shareholders in relation to obtaining approval of Resolution 1 for the purposes of Listing Rule 7.4:

(a) **Name of the persons to whom the entity will issue the securities or the basis on which those persons were determined**

The Option Shares were issued to the Sellers, or nominee(s) thereof, pursuant to the terms of the Proposed Acquisition in the proportions set out in Schedule 1.

(b) **Number and class of securities issued**

25,000,000 Shares.

(c) **Terms of the securities**

The Option Shares issued rank equally in all respects with existing Shares on issue.

(d) **The date the securities were issued**

The Option Shares were issued on or about 1 December 2022.

(e) **Price at which the securities were issued**

The Option Shares were issued at a deemed issue price of \$0.004 per Share.

(f) **Purpose and intended use of the funds raised**

The purpose of the issue of the Option Shares was to provide the Sellers with consideration for the Company being granted the Option for the Option Period. No funds were raised from the issue of the Option Shares, as they were issued in connection with the Proposed Acquisition.

(g) **If the securities were issued under an agreement, a summary of the material terms of the agreement**

The Option Shares were issued pursuant to the Terms Sheet. Refer to section 1.3 above for a summary of the material terms and conditions of the Terms Sheet.

(h) **Voting Exclusion Statement**

Refer to the Voting Exclusion Statement beneath the applicable Resolution in the Notice of Meeting.

Listing Rule 14.1A

Listing Rule 14.1A provides that a notice of meeting which contains a resolution approval of security holders under the Listing Rules must summarise the relevant Listing Rule (see summary of Listing Rule 7.4 above) and what will happen if security holders give, or do not give, that approval.

If Resolution 1 is approved by Shareholders, then the Option Shares will be excluded in calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1 and the Company will retain the flexibility to issue Shares in the future up to the fifteen percent (15%) placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 1 is not approved by Shareholders, the Option Shares will be included in calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1, effectively decreasing the number of Shares that the Company can issue without Shareholder approval over the twelve (12) month period following the date of issue of the Option Shares.

Directors' recommendations

The Directors unanimously recommend that Shareholders vote in favour of Resolution 1.

2.2 Resolutions 2(a) & (b) – Ratification of prior issue of Tranche 1 Placement Shares to Exempt Investors

The Company is seeking Shareholder approval under Listing Rule 7.4 to ratify the prior issue of the Tranche 1 Placement Shares by way of the Tranche 1 Placement to Exempt Investors (and/or their nominee(s)) to raise up to \$1,350,000 (before costs). The Tranche 1 Placement Shares were issued on or about 8 December 2022 in accordance with Listing Rule 7.4, with 106,792,225 Tranche 1 Placement Shares issued under the Company's placement capacity under Listing Rule 7.1 and the remaining 163,207,775 Tranche 1 Placement Shares issued under the Company's additional placement capacity under Listing Rule 7.1A. The Company did not breach Listing Rule 7.1 by issuing the Tranche 1 Placement Shares to Exempt Investors.

Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over a twelve (12) month period to fifteen percent (15%) of the fully paid ordinary shares it had on issue at the start of that period. Listing Rule 7.1A provides that an eligible entity may seek shareholder approval at its annual general meeting to allow it to issue equity securities comprising up to ten percent (10%) of issued capital. The Company obtained this approval at its annual general meeting on 29 November 2022.

The issue of the Tranche 1 Placement Shares does not fall within any of those exceptions and, as it has not been approved by the Company's shareholders, it effectively uses up part of the fifteen percent (15%) limit in Listing Rule 7.1 and the Company's ten percent (10%) placement capacity under Listing Rule 7.1A. This reduces the Company's capacity to issue further equity securities without shareholder approval under Listing Rule 7.1 and under Listing Rule 7.1A for the twelve (12) months following the date of issue of the Tranche 1 Placement Shares.

Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue has been taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1 and Listing Rule 7.1A.

If Resolutions 2(a) & (b) are passed, the issue of the Tranche 1 Placement Shares will be excluded in calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1 and the Company's ten percent (10%) limit in Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without shareholder approval over the twelve (12) month period following the date of issue of the Tranche 1 Placement Shares.

If Resolutions 2(a) & (b) are not passed, the issue of the Tranche 1 Placement Shares will be included in calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1 and the Company's ten percent (10%) limit in Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without shareholder approval over the twelve (12) month period following the date of issue of the Tranche 1 Placement Shares.

Listing Rule 7.5 requires that the following information be provided to the Shareholders in relation to obtaining approval of Resolutions 2(a) & (b) for the purposes of Listing Rule 7.4:

(a) **Name of the persons to whom the entity will issue the securities or the basis on which those persons were determined**

The Tranche 1 Placement Shares were issued to Exempt Investors to raise up to \$1,350,000 (before costs).

None of the Exempt Investors that participated in the Tranche 1 Placement are Related Parties of the Company or persons to whom Listing Rule 10.11 applied. The recipients were identified through a bookbuild process, where expressions of interest to participate in the capital raising from non-Related Parties of the Company were sought.

A licensed Australian Financial Services Licence holder for the Placement will receive a placement fee equal to six percent (6%) on a portion of the gross proceeds raised under the Placement (i.e. a \$100,000 portion). This fee totalled at \$6,000 (plus GST).

(b) **Number and class of securities issued**

A total of 270,000,000 Shares were issued, with 106,792,225 Tranche 1 Placement Shares issued under the Company's placement capacity under Listing Rule 7.1 and the remaining 163,207,775 Tranche 1 Placement Shares issued under the Company's additional placement capacity under Listing Rule 7.1A.

(c) **Terms of the securities**

The Tranche 1 Placement Shares issued rank equally in all respects with existing Shares on issue.

(d) **The date the securities were issued**

The Tranche 1 Placement Shares were issued on or about 8 December 2022.

(e) **Price at which the securities were issued**

The Tranche 1 Placement Shares were issued at a deemed issue price of \$0.005 per Share.

(f) **Purpose and intended use of the funds raised**

The purpose of the issue of the Tranche 1 Placement Shares was to raise up to \$1,350,000 (before costs). Funds raised from the Tranche 1 Placement have been, or are to be used, towards costs associated with the Proposed Acquisition, ASIC/ASX regulatory fees, exploration expenditure on the Tenements and general working capital purposes.

(g) **If the securities were issued under an agreement, a summary of the material terms of the agreement**

The Tranche 1 Placement Shares were not issued under an agreement.

(h) **Voting Exclusion Statement**

Refer to the Voting Exclusion Statement beneath the applicable Resolution in the Notice of Meeting.

Listing Rule 14.1A

Listing Rule 14.1A provides that a notice of meeting which contains a resolution approval of security holders under the Listing Rules must summarise the relevant Listing Rule (see summary of Listing Rule 7.4 above) and what will happen if security holders give, or do not give, that approval.

If Resolution 2(a) is passed, the issue of 106,792,225 Shares under the Tranche 1 Placement will be excluded in calculating the Company's fifteen percent (15%) limit for the purposes of Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the twelve (12) month period following the date of issue of the Shares.

If Resolution 2(b) is passed the issue of 163,207,775 Shares under the Tranche 2 Placement will be excluded in calculating the Company's ten percent (10%) limit for the purposes of Listing Rule 7.1A, effectively increasing the number of equity securities it can issue without shareholder approval over the twelve (12) month period following the date of issue of the Shares.

If Resolution 2(a) is not passed, the issue of 106,792,225 Shares under the Tranche 1 Placement will be included in calculating the Company's fifteen percent (15%) limit for the purposes of Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the twelve (12) month period following the date of issue of the Shares.

If Resolution 2(b) is not passed, the issue of 163,207,775 Shares under the Tranche 2 Placement will be included in calculating the Company's ten percent (10%) limit for the purposes of Listing Rule 7.1A, effectively decreasing the number of equity securities it can issue without shareholder approval over the twelve (12) month period following the date of issue of the Shares.

Directors' recommendations

The Directors unanimously recommend that Shareholders vote in favour of Resolutions 2(a) & (b).

2.3 Resolution 3 – Ratification of prior issue of Consultant Shares to Consultant

The Company is seeking Shareholder approval under Listing Rule 7.4 to ratify the prior issue of the Consultant Shares to the Consultant (and/or their nominee(s)). The Consultant Shares were issued on or about 8 December 2022 in accordance with Listing Rule 7.4. The Company did not breach Listing Rule 7.1 by issuing the Consultant Shares to the Consultant.

Listing Rule 7.4

Listing Rule 7.1 provides that, subject to certain exceptions, prior approval of shareholders is required for an issue of securities by a company if those securities, when aggregated with the securities issued by the company during the previous twelve (12) months (without approval and which were not subject to an exception), exceed fifteen percent (15%) of the number of shares on issue at the commencement of that twelve (12) month period.

The issue of the Consultant Shares does not fall within any of the exceptions in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the fifteen percent (15%) limit in Listing Rule 7.1, reducing the Company's capacity to issue further Shares without Shareholder approval under Listing Rule 7.1 for the twelve (12) month period following the date of issue of the Consultant Shares.

Listing Rule 7.4 sets out the procedure and effect of Shareholder approval of a prior issue of securities and provides that where shareholders in general meeting ratify a previous issue of securities made without approval under Listing Rule 7.1, provided that the previous issue of securities did not breach ASX Listing Rule 7.1, those securities shall be deemed to have been made with shareholder approval for the purposes of Listing Rule 7.1.

By ratifying the Consultant Shares, the Company will retain the flexibility to issue shares in the future up to the fifteen percent (15%) placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

Listing Rule 7.5 requires that the following information be provided to the Shareholders in relation to obtaining approval of Resolution 3 for the purposes of Listing Rule 7.4:

(a) **Name of the persons to whom the entity will issue the securities or the basis on which those persons were determined**

The Consultant Shares were issued to the Consultant (and/or their nominee(s)) as consideration for the Consultant's ongoing geological services to the Company for the period of six (6) months, commencing on 29 November 2022, as established under a consulting mandate.

(b) **Number and class of securities issued**

20,000,000 Shares.

(c) **Terms of the securities**

The Consultant Shares issued rank equally in all respects with existing Shares on issue.

(d) **The date the securities were issued**

The Consultant Shares were issued on or about 8 December 2022.

(e) **Price at which the securities were issued**

The Consultant Shares were issued at an issue price of \$0.005 per Share.

(f) **Purpose and intended use of the funds raised**

The purpose of the issue of the Consultant Shares was to remunerate the Consultant for the Consultant's ongoing geological services to the Company for the period of six (6) months, commencing on 29 November 2022, as established under a consulting mandate. The Consultant Shares were therefore issued for nil consideration.

(g) **If the securities were issued under an agreement, a summary of the material terms of the agreement**

The Consultant Shares were issued under a consulting mandate, with the material terms of the consulting mandate being:

- the Consultant is to provide geological consulting services to the Company with these services including the following tasks and activities:
 - collating historical exploration information, reports and data pertaining to the Tenements;
 - conducting peer analysis and comparing the Company with other companies located within the 'lithium triangle' of Chile, Argentina and Bolivia;
 - preparation of ASX releases and marketing plans associated with the Tenements; and
 - oversight on exploration and targeting with respect to the Tenements;
- the consideration for the Consultant's services is the issue of the Consultant Shares; and
- the Company will also reimburse the Consultant's out-of-pocket expenses, with any individual expense in excess of \$250.00 requiring the Company's prior written consent.

(h) **Voting Exclusion Statement**

Refer to the Voting Exclusion Statement beneath the applicable Resolution in the Notice of Meeting.

Listing Rule 14.1A

Listing Rule 14.1A provides that a notice of meeting which contains a resolution approval of security holders under the Listing Rules must summarise the relevant Listing Rule (see summary of Listing Rule 7.4 above) and what will happen if security holders give, or do not give, that approval.

If Resolution 3 is approved by Shareholders, then the Consultant Shares will be excluded in calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1 and the Company will retain the flexibility to issue Shares in the future up to the fifteen percent (15%) placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 3 is not approved by Shareholders, the Consultant Shares will be included in calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1, effectively decreasing the number of Shares that the Company can issue without Shareholder approval over the twelve (12) month period following the date of issue of the Consultant Shares.

Directors' recommendations

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3.

2.4 Resolution 4 – Issue of Option Extension Shares to Sellers

Resolution 4 is an ordinary resolution which seeks Shareholder approval under Listing Rule 7.1 for the issue of the Option Extension Shares to the Sellers, or nominee(s) thereof, in connection with the Proposed Acquisition pursuant to the Terms Sheet. The Option Extension Shares will only be issued by the Company if they elect to extend the Option for the Option Extension Period.

Listing Rule 7.1

Listing Rule 7.1 provides that, subject to certain exceptions, prior Shareholder approval is required for an issue of securities by a company if those securities, when aggregated with the securities

issued by the company without approval and which were not subject to an exception during the previous twelve (12) months, exceed fifteen percent (15%) of the number of Shares on issue at the commencement of that twelve (12) month period.

The proposed issue of the Option Extension Shares does not fall within any of the exceptions to Listing Rule 7.1 and the Company does not have sufficient placement capacity remaining under Listing Rule 7.1 or 7.1A to accommodate the issue. The Company therefore requires the approval of Shareholders under Listing Rule 7.1 for the issue of the Option Extension Shares.

The effect of Resolution 4 will be to allow the Company to issue the Option Extension Shares during the period of three (3) months after the Meeting or a longer period, if allowed by ASX, without using the Company's fifteen percent (15%) annual placement capacity under Listing Rule 7.1.

Resolution 4 seeks approval for the issue of the Option Extension Shares for the purpose of satisfying the requirements of Listing Rule 7.1. If Resolution 4 is approved, the Option Extension Shares issued will not affect the capacity of the Company to issue securities in the next twelve (12) months under Listing Rule 7.1 as those securities, once issued, will be excluded from the calculations under Listing Rule 7.1.

For the purposes of Listing Rule 7.3, the following information is provided to Shareholders in relation to Resolution 4:

(a) **Names of the persons to whom the entity will issue the securities or basis upon which those persons will be identified or selected**

The Option Extension Shares will be issued to the Sellers, or nominee(s) thereof, pursuant to the terms of the Proposed Acquisition in the proportions set out in Schedule 1.

(b) **Maximum number and class of securities the entity is to issue**

10,000,000 Shares.

(c) **Terms of the securities**

If issued, the Option Extension Shares will rank equally in all respects with existing Shares on issue.

(d) **Date by which the entity will issue the securities**

The Option Extension Shares will be issued to the Sellers, or nominee(s) thereof, shortly after the Meeting. In any event, however, no Option Extension Shares will be issued later than three (3) months after the Meeting (or any such longer period permitted by ASX).

(e) **Issue price of the securities**

If issued, the deemed issue price for the Option Extension Shares is \$0.004 per Share.

(f) **Purpose of the issue and intended use of the funds raised**

If issued, the Option Extension Shares would be issued to provide the Sellers with consideration for the Company electing to extend the Option for the Extended Option Period. No funds will be raised from the issue of the Option Extension Shares if they are issued, as they are to be issued in connection with the Proposed Acquisition.

(g) **If the securities are to be issued under an agreement, a summary of the material terms of the agreement**

The Option Extension Shares are being issued pursuant to the Terms Sheet. Refer to section 1.3 above for a summary of the material terms and conditions of the Terms Sheet.

(h) **If the securities are to be issued under, or to fund, a reverse takeover, information about the reverse takeover**

The Option Extension Shares are not being issued under, or to fund, a reverse takeover.

(i) **Voting Exclusion Statement**

Refer to the Voting Exclusion Statement beneath the applicable Resolution in the Notice of Meeting.

Listing Rule 14.1A

Listing Rule 14.1A provides that a notice of meeting which contains a resolution seeking approval of security holders under the Listing Rules must summarise the relevant Listing Rule (see summary of Listing Rule 7.1 above) and what will happen if security holders give, or do not give, that approval.

If Resolution 4 is approved by Shareholders, then the Option Extension Shares will be excluded in calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1 and the Company will retain the flexibility to issue shares in the future up to the fifteen percent (15%) placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 4 is not approved by Shareholders, the Company will not be able to proceed with the issue of the Option Extension Shares, and the Company will not be able to complete the Proposed Acquisition.

Directors' Recommendation

The Directors unanimously recommend that Shareholders approve Resolution 4.

2.5 Resolution 5 – Issue of Consideration Shares to Sellers

Resolution 5 is an ordinary resolution which seeks Shareholder approval under Listing Rule 7.1 for the issue of the Consideration Shares to the Sellers, or nominee(s) thereof, in connection with the Proposed Acquisition pursuant to the Terms Sheet. The Consideration Shares will only be issued by the Company if the Proposed Acquisition is to complete.

Listing Rule 7.1

Listing Rule 7.1 provides that, subject to certain exceptions, prior Shareholder approval is required for an issue of securities by a company if those securities, when aggregated with the securities issued by the company without approval and which were not subject to an exception during the previous twelve (12) months, exceed fifteen percent (15%) of the number of Shares on issue at the commencement of that twelve (12) month period.

The proposed issue of the Consideration Shares does not fall within any of the exceptions to Listing Rule 7.1 and the Company does not have sufficient placement capacity remaining under Listing Rule 7.1 or 7.1A to accommodate the issue. The Company therefore requires the approval of Shareholders under Listing Rule 7.1 for the issue of the Consideration Shares.

The effect of Resolution 5 will be to allow the Company to issue the Consideration Shares during the period of three (3) months after the Meeting or a longer period, if allowed by ASX, without using the Company's fifteen percent (15%) annual placement capacity under Listing Rule 7.1.

Resolution 5 seeks approval for the issue of the Consideration Shares for the purpose of satisfying the requirements of Listing Rule 7.1. If Resolution 5 is approved, the Consideration Shares issued will not affect the capacity of the Company to issue securities in the next twelve (12) months under Listing Rule 7.1 as those securities, once issued, will be excluded from the calculations under Listing Rule 7.1.

For the purposes of Listing Rule 7.3, the following information is provided to Shareholders in relation to Resolution 5:

(a) **Names of the persons to whom the entity will issue the securities or basis upon which those persons will be identified or selected**

The Consideration Shares will be issued to the Sellers, or nominee(s) thereof, pursuant to the terms of the Proposed Acquisition in the proportions set out in Schedule 1.

(b) **Maximum number and class of securities the entity is to issue**

500,000,000 Shares.

(c) **Terms of the securities**

The Consideration Shares will rank equally in all respects with existing Shares on issue.

(d) **Date by which the entity will issue the securities**

The Consideration Shares will be issued to the Sellers, or nominee(s) thereof, shortly after the Meeting. In any event, however, no Consideration Shares will be issued later than three (3) months after the Meeting (or any such longer period permitted by ASX).

(e) **Issue price of the securities**

The deemed issue price for the Consideration Shares is \$0.004 per Share.

(f) **Purpose of the issue and intended use of the funds raised**

The Consideration Shares are to be issued to provide the Sellers with consideration for the Proposed Acquisition. No funds will be raised from the issue of the Consideration Shares if they are issued, as they are to be issued in connection with the Proposed Acquisition.

(g) **If the securities are to be issued under an agreement, a summary of the material terms of the agreement**

The Consideration Shares are being issued pursuant to the Terms Sheet. Refer to section 1.3 above for a summary of the material terms and conditions of the Terms Sheet.

Listing Rule 14.1A

Listing Rule 14.1A provides that a notice of meeting which contains a resolution seeking approval of security holders under the Listing Rules must summarise the relevant Listing Rule (see summary of Listing Rule 7.1 above) and what will happen if security holders give, or do not give, that approval.

If Resolution 5 is approved by Shareholders, then the Consideration Shares will be excluded in calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1 and the Company will retain the flexibility to issue shares in the future up to the fifteen percent (15%) placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 5 is not approved by Shareholders, the Company will not be able to proceed with the issue of the Consideration Shares, and the Company will not be able to complete the Proposed Acquisition.

Directors' Recommendation

The Directors unanimously recommend that Shareholders approve Resolution 5.

2.6 Resolution 6 – Issue of Performance Rights to Sellers

Resolution 6 is an ordinary resolution which seeks Shareholder approval under Listing Rule 7.1 for the issue of the Performance Rights to the Sellers, or nominee(s) thereof, in connection with the Proposed Acquisition pursuant to the Terms Sheet. The Performance Rights will only be issued by the Company if the Proposed Acquisition is to complete.

Listing Rule 7.1

Listing Rule 7.1 provides that, subject to certain exceptions, prior Shareholder approval is required for an issue of securities by a company if those securities, when aggregated with the securities issued by the company without approval and which were not subject to an exception during the previous twelve (12) months, exceed fifteen percent (15%) of the number of Shares on issue at the commencement of that twelve (12) month period.

The proposed issue of the Performance Rights does not fall within any of the exceptions to Listing Rule 7.1 and the Company does not have sufficient placement capacity remaining under Listing Rule 7.1 or 7.1A to accommodate the issue. The Company therefore requires the approval of Shareholders under Listing Rule 7.1 for the issue of the Performance Rights.

The effect of Resolution 6 will be to allow the Company to issue the Performance Rights during the period of three (3) months after the Meeting or a longer period, if allowed by ASX, without using the Company's fifteen percent (15%) annual placement capacity under Listing Rule 7.1.

Resolution 6 seeks approval for the issue of the Performance Rights for the purpose of satisfying the requirements of Listing Rule 7.1. If Resolution 6 is approved, the Performance Rights issued will not affect the capacity of the Company to issue securities in the next twelve (12) months under Listing Rule 7.1 as those securities, once issued, will be excluded from the calculations under Listing Rule 7.1.

For the purposes of Listing Rule 7.3, the following information is provided to Shareholders in relation to Resolution 6:

(a) **Names of the persons to whom the entity will issue the securities or basis upon which those persons will be identified or selected**

The Performance Rights will be issued to the Sellers, or nominee(s) thereof, pursuant to the terms of the Proposed Acquisition in the proportions set out in Schedule 1.

(b) **Maximum number and class of securities the entity is to issue**

250,000,000 Performance Rights.

(c) **Terms of the securities**

The material terms of the Performance Rights are set out in Schedule 4.

(d) **Date by which the entity will issue the securities**

The Performance Rights will be issued to the Sellers, or nominee(s) thereof, shortly after the Meeting. In any event, however, no Performance Rights will be issued later than three (3) months after the Meeting (or any such longer period permitted by ASX).

(e) **Issue price of the securities**

The Performance Rights will be issued for nil consideration (either at their issue or upon their conversion in accordance with the terms of the Performance Rights as set out in Schedule 4). The Company has not, and will not, receive any other consideration for the issue or conversion of the Performance Rights.

(f) **Purpose of the issue and intended use of the funds raised**

The Performance Rights are to be issued to provide the Sellers with consideration for the Proposed Acquisition. No funds will be raised from the issue of the Performance Rights if they are issued, as they are to be issued in connection with the Proposed Acquisition.

(g) **If the securities are to be issued under an agreement, a summary of the material terms of the agreement**

The Performance Rights are being issued pursuant to the Terms Sheet. Refer to section 1.3 above for a summary of the material terms and conditions of the Terms Sheet.

(h) **If the securities are to be issued under, or to fund, a reverse takeover, information about the reverse takeover**

The Performance Rights are not being issued under, or to fund, a reverse takeover.

(i) **Voting Exclusion Statement**

Refer to the Voting Exclusion Statement beneath the applicable Resolution in the Notice of Meeting.

Listing Rule 14.1A

Listing Rule 14.1A provides that a notice of meeting which contains a resolution seeking approval of security holders under the Listing Rules must summarise the relevant Listing Rule (see summary of Listing Rule 7.1 above) and what will happen if security holders give, or do not give, that approval.

If Resolution 6 is approved by Shareholders, then the Performance Rights will be excluded in calculating the Company's fifteen percent (15%) limit in Listing Rule 7.1 and the Company will retain the flexibility to issue shares in the future up to the fifteen percent (15%) placement capacity set out in ASX Listing Rule 7.1 without the requirement to obtain prior Shareholder approval.

If Resolution 6 is not approved by Shareholders, the Company will not be able to proceed with the issue of the Performance Rights, and the Company will not be able to complete the Proposed Acquisition.

Directors' Recommendation

The Directors unanimously recommend that Shareholders approve Resolution 6.

2.7 Resolutions 7(a), (b) & (c) – Issue of Tranche 2 Placement Shares to Directors

Resolutions 7(a), (b) & (c) are ordinary resolutions which seek Shareholder approval under Listing Rule 10.11 for the issue of Tranche 2 Placement Shares to the Directors, or nominee(s) thereof, within one (1) month of the date of the Meeting at a deemed issue price of \$0.005 per Share.

Corporations Act Section 208

Section 208(1)(a) of the Corporations Act prohibits a company from giving a financial benefit (including an issue of securities) to a related party of a company without the approval of shareholders by a resolution passed at a general meeting at which no votes are cast in relation to the resolution in respect of any shares held by the related party or by an associate.

The Directors are Related Parties of the Company under section 228 of the Corporations Act. However, the Company considers that the proposed issues of Shares under Resolutions 7(a), (b) & (c) fall within the 'arm's length' exception in section 210 of the Corporations Act for the following reasons and, therefore, Shareholder approval is not required:

- the Directors who wish to participate in the Tranche 2 Placement will only be entitled to apply for Tranche 2 Placement Shares under the Tranche 2 Placement on the same terms

(including the offer price of \$0.005 per Share) as those that apply to other Exempt Investors who are not Related Parties of the Company;

- the ability of the Directors to participate in the Tranche 2 Placement may facilitate the Company's ability to complete the Proposed Transaction;
- the dilutionary impact on existing Shareholders would be the same irrespective of whether the Shares are issued to Directors or any other person under the Placement;
- the issue of Shares to the Directors under the Tranche 2 Placement would be reasonable in the circumstances if the Company were dealing at arm's length; and
- there are benefits to the Directors holding or otherwise having an interest in Shares in the Company as this will help to incentivise their performance as Directors and, in doing so, further align their interests with those of Shareholders.

Resolutions 7(a), (b) & (c) therefore does not require Shareholder approval under section 208 of the Corporations Act to allow the Directors to issue the Tranche 2 Placement Shares to the Directors, or nominee(s) thereof.

Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- (a) a related party;
- (b) a person who is, or was at any time in the six (6) months before the issue or agreement, a substantial (30%+) holder in the company;
- (c) a person who is, or was at any time in the six (6) months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- (d) an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- (e) a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue of the Tranche 2 Placement Shares to the Directors falls within Listing Rule 10.11.1 (a related party) and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of the Company's Shareholders under Listing Rule 10.11.

Resolutions 7(a), (b) and (c) seek the required Shareholder approval to the issue of the Tranche 2 Placement Shares to the Directors, being Mr Peter Huljich, Mr John Campbell Smyth and Mr Ashley Pattison, or nominee(s) thereof, under, and for, the purposes of Listing Rule 10.11.

If Resolutions 7(a), (b) and (c) are passed, the Company will be able to proceed with the issue of the Tranche 2 Placement Shares to Mr Peter Huljich, Mr John Campbell Smyth and Mr Ashley Pattison, or nominee(s) thereof, respectively.

If Resolutions 7(a), (b) and (c) are not passed, the Company will not be able to proceed with the issue of the Tranche 2 Placement Shares to Mr Peter Huljich, Mr John Campbell Smyth and Mr Ashley Pattison, or nominee(s) thereof, respectively.

Further, exception 14 of Listing Rule 7.2 states that approval pursuant to Listing Rule 7.1 is not required if shareholder approval is obtained under Listing Rule 10.11.

Listing Rule 10.13

ASX Listing Rule 10.13 requires that the following information be provided to the Shareholders in relation to obtaining approval of Resolutions 7(a), (b) and (c) as an exception to ASX Listing Rule 10.11:

(a) **The name of the allottee of the securities**

The names of the allottees of the securities are, for Resolution 7(a) Mr Peter Huljich, for Resolution 7(b) Mr John Campbell Smyth and for Resolution 7(c) Mr Ashley Pattison, or nominee(s) thereof.

(b) **The maximum number of securities to be allotted and issued**

Total	30,000,000 Tranche 2 Placement Shares

(c) **The date of allotment and issue of the securities**

The Tranche 2 Placement Shares will be issued to the Directors, or nominee(s) thereof, shortly after the Meeting. In any event, however, no Tranche 2 Placement Shares will be issued later than one (1) month after the Meeting (or any such longer period permitted by ASX).

(d) **The relationship that requires Shareholder approval**

Mr Peter Huljich, Mr John Campbell Smyth and Mr Ashley Pattison are all Related Parties of the Company under section 228 of the Corporations Act, and related parties for the purposes of Listing Rule 10.11.1, by virtue of being Directors of the Company.

(e) **The issue price of the securities**

The issue price for the Tranche 2 Placement Shares is \$0.005 per Share.

(f) **The terms of the securities**

The Tranche 2 Placement Shares will rank equally in all respects with existing Shares on issue.

(g) **The intended use of the funds**

The Tranche 2 Placement Shares are to be issued to raise up to \$150,000 (before costs). Funds raised from the Tranche 2 Placement are to be used towards costs associated with

the Proposed Acquisition, ASIC/ASX regulatory fees, exploration expenditure on the Tenements and general working capital purposes.

(h) **Director's total remuneration package for the current financial year**

The table below sets out the total remuneration package for the current financial year for each Director (including all cash, securities (including the Directors Options) and superannuation payments).

2.8 Resolutions 8(a), (b) & (c) – Issue of Directors Options to Directors

Resolutions 8(a), (b) & (c) are ordinary resolutions which seek Shareholder approval under Listing Rule 10.11 and Section 208 of the Corporations Act for the issue of Directors Options to the Directors, or nominee(s) thereof, within one (1) month of the date of the Meeting at an exercise price of \$0.008 and expiry date of two (2) years from the date of issue to the Directors, or nominee(s) thereof.

Corporations Act Section 208

Section 208(1)(a) of the Corporations Act prohibits a company from giving a financial benefit (including an issue of securities) to a related party of a company without the approval of shareholders by a resolution passed at a general meeting at which no votes are cast in relation to the resolution in respect of any shares held by the related party or by an associate.

Resolutions 8(a), (b) & (c) therefore requires Shareholder approval under section 208 of the Corporations Act to allow the Directors to issue the Directors Options to the Directors, or nominee(s) thereof, on the terms set out in this Explanatory Statement.

Corporations Act Section 219

Section 219 of the Corporations Act requires the following information be provided to Shareholders for approval to be granted under section 208 of the Corporations Act for Resolutions 8(a), (b) & (c):

SCHEDULE 4 – TERMS OF PERFORMANCE RIGHTS

The Performance Rights entitle the holder to subscribe for Shares on the terms and conditions set out below.

1. Entitlement

Each Performance Right entitles the holder of the Performance Right to be issued one (1) fully paid ordinary share in the Company, for no cash consideration, on these terms of issue including satisfaction of the Vesting Condition (defined below).

2. No cash consideration

The Performance Rights will be granted for no cash consideration.

3. Vesting

The Performance Rights will vest upon the delineation of an independently verified JORC 2012 compliant resource of 1 million tonnes of lithium carbonate equivalent (Li_2CO_3) (convertible from lithium (Li), lithium oxide (Li_2O) and lithium hydroxide (LiOH) in accordance with the conversion table below) (“LCE”) at 620mg/l Li within the area concerning the Tenements (“Vesting Condition”).

Convert from	Convert to Li	Convert to Li_2O	Convert to Li_2CO_3	Convert to LiOH
Lithium (Li)	-	2.153	5.323	3.448
Lithium Oxide (Li_2O)	0.464	-	2.473	1.601
Lithium Carbonate (Li_2CO_3)	0.188	0.404	-	0.648
Lithium Hydroxide (LiOH)	0.290	0.625	1.544	-

Note: the LCE conversion approach assumes 100% recovery and that no process losses in the extraction of the LCE from the deposit has occurred.

4. Lapse

If the Vesting Condition is not satisfied by 5.00pm (AWST) on the date that is two (2) years from grant date of the Performance Rights, then the Performance Rights will automatically lapse. Any Performance Rights that have vested before the time described in this paragraph but have not been exercised will also expire at 5:00pm (AWST) on the date that is five (5) years from the grant date of the Performance Rights.

5. Exercise

Subject to paragraphs 3. and 4, Performance Rights may only be exercised by notice in writing to the Company (“Exercise Notice”). Any Exercise Notice for a Performance Right received by the Company will be deemed to be a notice of the exercise of that Performance Right as at the date of receipt. No exercise price, or share issue price, is payable by the holder and the Company must issue the number of Shares, update the share register and issue and send to the holder an updated holding statement within 5 business days after receiving the notice.

6. Shares issued on exercise

The Share issued upon vesting will rank equally in all respects with the Company's ordinary shares and the Company will apply to the ASX for official quotation of the Shares after they are issued.

7. Shareholder and regulatory approvals

Despite any other provision of these terms and conditions, exercise of Performance Rights into Shares will be subject to the Company obtaining all required (if any) Shareholder and regulatory approvals for the purpose of issuing the Shares to the holder. If exercise of the Performance Rights would result in any person being in contravention of section 606(1) of the Corporations Act then the exercise of each Performance Right that would cause the contravention will be deferred until such time or times that the exercise would not result in a contravention of section 606(1) of the Corporations Act.

Holders must give notification to the Company in writing if they consider that the exercise of the Performance Rights may result in the contravention of section 606(1) of the Corporations Act, failing which the Company will be entitled to assume that the exercise of the Performance Rights will not result in any person being in contravention of section 606(1) of the Corporations Act.

8. Restrictions on transfer of Shares

If the Company is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, the Company will issue a prospectus pursuant to section 708A(11) of the Corporations Act to allow those Shares to be traded within twelve (12) months after they are issued.

9. Participation in new issues

There are no participation rights or entitlements inherent in the Performance Rights and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Performance Rights.

10. Adjustment for bonus issues of Shares

If the Company makes a bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) the number of Shares which must be issued on the exercise of a Performance Right will be increased by the number of Shares which the holder would have received if the holder had exercised the Performance Right before the record date for the bonus issue.

11. Adjustment for rights issue

If the Company makes a rights issue of Shares pro rata to existing Shareholders there will be no adjustment to these terms and conditions.

12. Adjustments for reorganisation

If there is any reconstruction of the issued share capital of the Company, the rights of the holders may be varied to comply with the ASX Listing Rules which apply to the reconstruction at the time of the reconstruction.

13. Change of Control Event

On the occurrence of a change of control event, being, in general terms, an unconditional takeover bid under Chapter 6 of the Corporations Act, a Court sanctioned scheme of arrangement or any other merger involving the Company occurs which results in the holders of Shares holding 50% or less of the voting shares in the Company, subject to the ASX Listing Rules, the Board may in its sole discretion determine that all or a percentage of unvested Performance Rights will vest and become exercisable.

14. Quotation

The Company will not apply for quotation of the Performance Rights on ASX.

15. Transferability

Performance Rights are non-transferrable and consequently, will not be quoted on the ASX or any other recognised exchange.

16. Compliance with laws

If the Corporations Act, the ASX Listing Rules or the Constitution conflicts with these terms and conditions, or these terms and conditions do not comply with the Corporations Act, the ASX Listing Rules or the Constitution, the holder authorises the Company to do anything necessary to rectify such conflict or non-compliance, including but not limited to unilaterally amending these terms and conditions.

SCHEDULE 5 – TERMS OF DIRECTORS OPTIONS

Each Directors Option will have an exercise price equal to \$0.008 (“**Exercise Price**”).

4. Vesting, exercise period and lapsing

The Directors Options are exercisable at any time on or prior to the Expiry Date (“**Exercise Period**”).

5. Exercise Notice and payment

Directors Options may be exercised by notice in writing to the Company (“**Exercise Notice**”) together with payment of the Exercise Price for each Directors Option being exercised. Any Exercise Notice for a Directors Option received by the Company will be deemed to be a notice of the exercise of that Directors Option as at the date of receipt. Payment in connection with the exercise of Directors Options must be in Australian dollars and made payable to the Company in cleared funds.

6. Shares issued on exercise

Shares issued on exercise of Directors Options will rank equally in all respects with then existing Shares in the Company.

7. Quotation of Shares

8. Timing of issue of Shares

Subject to section 9 of this Schedule 5, within five (5) business days after the later of the following:

- (a) receipt of an Exercise Notice given in accordance with these terms and conditions and payment of the Exercise Price in cleared funds for each Directors Option being exercised by the Company if the Company is not in possession of excluded information (as defined in section 708A(7) of the Corporations Act); and
- (b) the date that the Company ceases to be in possession of excluded information with respect to the Company (if any) following the receipt of the Exercise Notice and

payment of the Exercise Price in cleared funds for each Directors Option being exercised by the Company,

the Company will allot and issue the Shares pursuant to the exercise of the Directors Options and, to the extent that it is legally able to do so:

- (c) give ASX a notice that complies with section 708A(5)(e) of the Corporations Act; and
- (d) apply for official quotation on the ASX of the Shares issued pursuant to the exercise of the Directors Options.

If the Company is unable to lodge a notice that complies with section 708A(5)(e) of the Corporations Act then the Company may, in its absolute discretion, issue the Shares after the lodgement of a disclosure document issued by the Company complying with Part 6D.2 of the Corporations Act in respect of an offer of Shares (“**Cleansing Prospectus**”) or, if agreed by the holder, issue the Shares after the holder signs an undertaking not to deal in the Shares until the earlier of the Company issuing a Cleansing Prospectus and twelve (12) months from issue, and agrees to a holding lock being placed on the Shares for this period.

9. Shareholder and regulatory approvals

Despite any other provision of these terms and conditions, exercise of Directors Options into Shares will be subject to the Company obtaining all required (if any) Shareholder and regulatory approvals for the purpose of issuing the Shares to the holder. If exercise of the Directors Options would result in any person being in contravention of section 606(1) of the Corporations Act then the exercise of each Directors Option that would cause the contravention will be deferred until such time or times that the exercise would not result in a contravention of section 606(1) of the Corporations Act. Holders must give notification to the Company in writing if they consider that the exercise of the Directors Options may result in the contravention of section 606(1) of the Corporations Act, failing which the Company will be entitled to assume that the exercise of the Directors Options will not result in any person being in contravention of section 606(1) of the Corporations Act.

10. Participation in new issues

There are no participation rights or entitlements inherent in the Directors Options and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Directors Options. However, the Company will ensure that for the purposes of determining entitlements to any such issue, the record date will be at least four business days after the issue is announced. This is intended to give the holders of Directors Options the opportunity to exercise their Directors Options prior to the announced record date for determining entitlements to participate in any such issue.

11. Adjustment for bonus issues of Shares

If the Company makes a bonus issue of Shares or other securities to existing Shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment), the number of Shares which must be issued on the exercise of a Directors Option will be increased by the number of Shares which the holder would have received if the holder had exercised the Directors Option before the record date for the bonus issue and there will be no change made to the Exercise Price.

12. Adjustment for rights issues

If the Company makes an issue of Shares pro rata to existing Shareholders there will be no adjustment to the Exercise Price.

13. Adjustments for reorganisation

If there is any reconstruction of the issued share capital of the Company, the rights of the holders may be varied to comply with the Listing Rules which apply to the reconstruction at the time of the reconstruction.

14. Quotation

The Company will not apply for quotation of the Directors Options on ASX.

15. Transferability

Directors Options can only be transferred with the prior written consent of the Company, which consent may be withheld in the Company's sole discretion.
