

ASX ANNOUNCEMENT

27 February 2023

Cleansing Notice

NOTICE PURSUANT TO PARAGRAPH 708A(5)(e) OF THE CORPORATIONS ACT 2001

This notice is given by Little Green Pharma Ltd (ASX: LGP, "**LGP**" or the "**Company**") under section 708A(5)(e) of the *Corporations Act 2001* (Cth) ("**Act**").

The Company advises that on 27 February 2023 it applied for quotation of 1,000,000 fully paid ordinary shares to Company directors and management, subscribed for at \$0.20 each, as previously detailed in the ASX announcement dated 2 November 2022 and approved at the Company's General Meeting on 31 January 2023.

LGP gives notice that:

1. the Shares were issued without disclosure under Part 6D.2 of the Corporations Act;
2. as at the date of this notice the Company has complied with:
 - i. the provision of Chapter 2M of the Corporations Act as they apply to the Company; and
 - ii. section 674 of the Corporations Act; and
3. as at the date of this notice there is no excluded information required to be disclosed under section 708A(6)(e) of the Corporations Act.

Notwithstanding this, LGP notes that in its ordinary course of business, it is continually working with prospective customers and potential suppliers and targets on active proposals including supply, offtake and acquisition proposals, some of which may, in the future, prove to be material and potentially price sensitive. In the event that any such proposals become sufficiently certain or material enough to warrant disclosure to the market, the Company will comply with its disclosure obligations at that time.

About Little Green Pharma

Little Green Pharma is a global, vertically integrated and geographically diverse medicinal cannabis business with operations from cultivation and production through to manufacturing and distribution.

The Company has two global production sites for the manufacture of its own-branded and white-label ranges of GMP-grade medicinal cannabis products, being a 21,500m² cultivation and 4,000m² GMP manufacturing facility capable of producing over 30 tonnes of medicinal cannabis biomass per annum located in Denmark (EU) and an indoor cultivation and manufacturing facility located in Western Australia capable of producing ~3 tonnes of medicinal cannabis biomass per annum.

Little Green Pharma products comply with all required Danish Medicines Agency and Therapeutic Goods Administration regulations and testing requirements. With a growing range of products containing differing ratios of active ingredients, Little Green Pharma supplies medical-grade cannabis products to Australian, European and overseas markets.

The Company has a strong focus on patient access in the emerging global medicinal cannabis market and is actively engaged in promoting education and outreach programs, as well as participating in clinical investigations and research projects to develop innovative new delivery systems.
