

Carol Marinkovich Joins Matador Board of Directors

Matador Mining Limited (ASX:MZZ / OTCQX:MZZMF / FSE:MA3) ("Matador" or the "Company") is pleased to announce the appointment of Mrs Carol Marinkovich to the Board of Directors (the "Board") as Non-Executive Director effective 1 March 2023.

Matador's Non-executive Chair, Justin Osborne Comments

"We are very pleased to welcome Carol to the Board of Matador, having served as Company Secretary for more than two years. Carol brings great expertise in corporate governance, board dynamics and the resource sector, all garnered over her 25 years' association with a host of ASX200 and ASX300 companies. Carol adds a valuable skillset and diversity of thought to our Board, and I am sure will contribute significant insight into the next phase of our journey of becoming a significant Newfoundland gold company. Carol will serve on the Board while continuing to provide company secretarial support as our sole Company Secretary."

Non-executive Director, Carol Marinkovich Comments

"I am excited to expand my role at Matador, a Company that I have supported over the last couple of years. Matador has a highly experienced Board who have had many successes in their professional careers. They have made significant mineral discoveries and have supported the discovery and growth of several more. We have a strong management team and a large land package on the right geological structures in Newfoundland. I look forward to contributing my broad mining and governance experience to the Company as we seek to make new, major mineral discoveries."

Mrs Marinkovich's Background and Experience

Mrs Carol Marinkovich joined Matador in late 2020, with over two decades of experience, having previously served as Company Secretary for high quality resource juniors, including Gold Road Resources and Sundance Resources. She currently serves as Company Secretary for Alvo Minerals and is a Member of the Governance Institute of Australia and the Institute of Chartered Secretaries and Administrators in London.

This announcement has been authorised for release by the Company's Board of Directors.

About the Company

Matador Mining Limited (**ASX:MZZ / OTCQX:MZZMF / FSE:MA3**) is an exploration company focused on making gold discoveries in Newfoundland, Canada. The Company is one of only four gold companies with a defined gold Mineral Resource, currently 837,000 ounces grading 2 grams per tonne. Matador is well positioned with an extensive land package comprising 120-kilometres of continuous strike along the under-explored, multi-million-ounce Cape Ray Shear, a prolific gold structure in Newfoundland that currently hosts several major mineral deposits. Additionally, the Company holds 27-kilometres of continuous strike at the Hermitage prospect which is located on the highly prospective Hermitage Flexure.

Matador acknowledges the financial support of the Junior Exploration Assistance Program, Department of Industry, Energy and Technology, Provincial Government of Newfoundland and Labrador, Canada.
