

Audit update

Firefinch Limited (“the Company” or “FFX”) wishes to provide the following update in relation to its audit of the half-year accounts for the six months ended 30 June 2022 and audited financial statements for the year ending 31 December 2022.

The audits are well underway with good progress made by the Firefinch financial team and it’s Auditor, Price Waterhouse Coopers. There have been complex technical matters to address in respect to the accounting treatment of Firefinch’s interest in its 80% shareholding of Société des Mines de Morila (“Morila SA”), the Malian company that owns the Morila Gold Mine. This has included a re-assessment of the work already completed on the June 30, 2022 financial statements due to the announcement the Company made to the market on 3 November 2022, titled ‘Morila Gold Project Recapitalisation Update’.

As an update to my letter to shareholders of 14 December 2022, I wish to advise that both the half-year accounts and the audited financial statements for the year ending 31 December 2022 will be published with ASX by the end of March 2023.
