**About Kinatico Limited:**

Kinatico Limited (ASX: KYP) is a leading provider of 'know your people' solutions – comprising workforce compliance management software, pre-employment screening and verification services.

Kinatico provides real-time workforce compliance management via its core software-as-a-service RegTech solution Cited. By combining certifications and compliance data with business policy and legislative requirements, Cited enables scalable compliance monitoring spanning pre-employment to real-time requirements related to geo-location, roles and tasks applicable across a wide range of industries.

The Company also provides a wide range of pre-employment checks via its CVCheck solution. This is delivered via its proprietary technology platform, which has over time evolved into a best-of-breed employment screening and verification offering with a track record of customer service excellence.

Kinatico continues to grow its position as the pre-eminent background screening brand in Australasia and is planning a global expansion of its growing suite of RegTech solutions.
